

NORTHUMBERLAND BY DRONE

- LIVE STREAMING / RECORDING

Using reliable bonded technology we can stream from most locations, In the event of a loss of signal each stream is recorded and available to download afterwards. **FROM £120**

- AERIAL VIDEOGRAPHY & PHOTOGRAPHY

We use professional grade equipment to ensure the best quality footage & photographs. Using market leading drones from DJI & video cameras from Panasonic. All video can be supplied unedited or fully edited using professional software. **FROM £70**

SLIDESHOWS MEMORIAL & FUNERAL SERVICES

Using a large screen monitor we can display cherished photographs during or after services. You can send us the pictures to scan or supply the pictures on SD card or USB stick. Music can be added to the slideshow. **FROM £100**

- VIDEOGRAPHY - WEDDINGS, ENGAGEMENTS, BIRTHDAYS, CELEBRATIONS.

Let us capture special occasions using multiple cameras ensuring every moment is captured. We use wireless microphones as sound is as important as the visual. This can be edited into a long or short film for you to treasure forever. All work is delivered by download link but we can supply USB stick on request. **FROM £150**
