

SUN-PAK

Introductory Trial Program Solar Generator – Power Anywhere

A power solution that complements your event's aesthetics and environmental values. The **SUN-PAK**® solar generator delivers solar-powered electricity with silent, emissions free performance, ideal for tournaments, special events, and green initiatives.

Trial Program Benefits:

- No Risk – Try the SUN-PAK at your facility with no purchase obligation.
- New Sponsorship Revenue – Sell ad space to local businesses or club sponsors during the trial. The SUN-PAK becomes a revenue generator as well as a power source for:

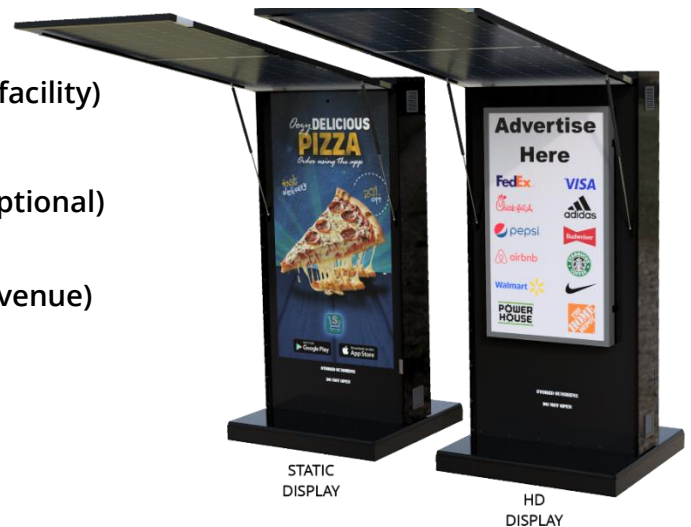

- Advertising and signage
- Water stations
- Autonomous mower charging
- Food & beverage stations
- PA systems, lighting & sound
- Security cameras and ATMs
- Livestreams & broadcast gear
- VIP Tents

What's Included:

- One SUN-PAK genset (delivered and set up at your facility)
- Initial training for staff on use and maintenance
- Custom branded signage or digital display setup (optional)
- End-of-trial performance summary (usage data, estimated savings, and potential ad revenue)

Try the SUN-PAK with an exclusive trial

Learn more and reserve your spot at SUN-PAK.com/Trial or call (844) 909-9095.

Next Steps After the Trial

At the end of the trial, you can:

- Purchase the unit at special early-adopter pricing.
- Lease the unit with flexible monthly terms.
- Return the unit with no further obligation.
