12-16 AUGUST 2025

Melbourne Showcase this August!

On behalf of ARMA Chairman Lindsay Murphy, the ARMA Committee invites you to attend and participate in the 2025 Australian Racecourse Managers Association Conference between 12 - 16 August 2025.

This year's event will be held in Melbourne, a city home to some of Australia's most iconic racing venues — and we're taking full advantage. With exclusive access to Moonee Valley, Flemington, and Caulfield, the 2025 ARMA Conference is set to be a landmark event for racecourse professionals.

Hosted by Moonee Valley Racing Club, with the support of Victoria Racing Club and Melbourne Racing Club, the conference offers a unique opportunity to explore three major metropolitan tracks, each at different stages of their development and evolution. From new infrastructure and masterplans to operational insights and turf management, these site visits will provide rare behind-the-scenes access and valuable learnings for every delegate.

We anticipate an engaged and influential audience of over 200 industry professionals, including racecourse managers, suppliers, and stakeholders from Australia, New Zealand, and Hong Kong.

Delegates can expect a program packed with engaging presentations, technical deep-dives, and dynamic panel discussions. Our Trade Exhibition will connect attendees directly with leading suppliers, showcasing the latest innovations, equipment, and solutions for modern racecourse operations.

The official social events, including the ARMA Awards Night, are a highlight of the conference experience — bringing the industry together to network, celebrate, and enjoy the best of Melbourne hospitality. Don't miss this opportunity to learn, share and connect while experiencing three of Australia's premier racing venues.
