Dear Swimmers & Families,

Welcome to the first newsletter from your beloved Eltham Stingrays Swimming Club.

Eltham Stingrays Presentation Evening

Following on from the Eltham Stingrays Championship over the two Friday evenings we shall be celebrating your participation and achievements on the 30th November 2019 at the annual Eltham Stingrays Presentation evening.

During the championships we saw some great individual performances and personal bests so well done to all who were able to take part.

This year again the presentation takes place at the New Eltham Social Club on Avery Hill Road starting at 7.30pm to Midnight. Tickets are now on sale at £5 per person (please speak to Eddie).

New Website Launches

Some of you eagle eyed individuals will see that Eltham Stingrays has a new website www.elthamstingrays.com this is still very much a work in progress and we will be adding more and more to the site as we develop it. However you will see more information including upcoming events, a monthly newsletter and gala results coming in the near future.

2020 Club Captains

In 2020 we will see new Swim Team Captains for the Eltham Stingrays which will be announced at the presentation evening on the 30th November.

The role of the captains is to really help support, motivate and encourage all swimmers of all ages in the swimming club, whether that be at training or galas. The Captains will need to be present and regular at events and galas. We are looking for 4 individuals (2 girls & 2 boys) to make up our Swim Team Captains.

2 to be the Senior Team Captains 14 years Old and up (1 Boy & 1 Girl)

2 to be the Junior Team Captains 13 years and below (1 Boy & 1 Girl)

Our aim is to involve these Captains with the running and engagement of the club, not just in or by the pool but also ideas for the future and ideas to move the club forward.

If you are interested in becoming a Swim Team Captain or want to nominate someone please put in your interest to Eddie and we will announce the Team Captains on the 30th November.

2020 Volunteers

Parents/Family members in 2020 we would like to ask for support from yourselves in volunteering duties, in particular at the swimming galas. Whether that being from car sharing to galas to help get more swimmers there, to helping poolside or with the raffle at home events. We really want to make this team a success and we need swimmers present at galas to be able to achieve this. We are also looking for any other ideas you may have. Please let us know if this is something you can do ☺

Thank you for all your support

Eltham Stingrays
