

Made in the Kingdom of Bahrain

## Omega Unicryl Pure

Area: Internal Walls and Ceilings

Substrate: Cement Plaster, Concrete, Block Work, Gypsum Board, etc.

### Surface Preparation

1. Ensure that the plastered surface is cured at least 21-30 days;
2. Remove all loose particles, sharp edges, nibs, etc., by abrading the surface with sand paper, scrapper, rubbing stone, etc.;
3. Ensure that surfaces to be painted must be clean, dry, and free of dirt, grease, oil, soap, wax, scaling paint, water soluble materials, and mildew;
4. Make sure the moisture content is below 12% and well-ventilated before painting

### Recommended Paint System - Silk Finish

| Coat Stage | Product Code | Product Name              | VOC (g/L) | DFT (µm) | No. Of Coats | Drying Time / Over coating Interval* | Application Tool                               |
|------------|--------------|---------------------------|-----------|----------|--------------|--------------------------------------|--|
| Primer     | 2010         | Omega Unicryl Primer (Wb) | 25        | 30       | 1            | 1 h                                  | Roller, Brush, Spray                           |
| Prep       | 6004         | Omega Powder Filler       | 0         | -        | 1            | 1 h                                  | Stainless Steel Trowel                         |
| Prep       | 6000         | Omega Unicryl Putty       | 5         | 100      | 1            | 2 h                                  | Stainless Steel Trowel, Filling Knife, Spatula |
| Primer     | 2010         | Omega Unicryl Primer (Wb) | 25        | 30       | 1            | 1 h                                  | Roller, Brush, Spray                           |
| Top Coat   | 4006         | Omega Unicryl Pure        | 25        | 30       | 2            | 2 h                                  | Roller, Brush, Spray                           |

**Refer to Omega Paints Technical Data Sheets for more information**

*\*High humidity and cooler temperatures will result in longer dry, re-coat and service time.*
