Nandini's review:

the place was more than enough. very spacious, clean and tidy. the bed has a massaging option in the master bedroom. there are two hot tubs in the amenities. there is sauna , gym, etc. kids pool. it's a perfect place for a beach trip. Thanks Nicholas for giving us the opportunity to stay .

Marissa's review:

I absolutely loved staying here! My family and I were super amazed by how clean this place was. We absolutely loved how beautiful the view was, we got the 9th floor and we will definitely book with them again. He was also really responsive when I had a question regarding anything. It's super helpful and it shows how much they care. I highly recommend booking with them! 😊
