

Mission:

The Village Club & Preserve (VCP) is a 501(c)3 non-profit organization (status pending) dedicated to improving the lives of Treasure Coast families through youth athletics and enrichment programs. It is our mission to provide attainable sports and swimming lessons, as well as foster community engagement through educational programming and activities hosted on our grounds.

The Village has four mission-driven project areas:

1. Youth Swimming & Tennis: We seek to make tennis and swimming lessons attainable to area youth, regardless of financial background. Through partnerships with other non-profits and our own scholarship fund, we allow families to 1) obtain life-saving swimming skills for their children, 2) benefit from the character-building lessons in our sports programs.
2. Community Partnerships: We partner with local non-profit organizations to fulfill their missions in the area of youth athletics, specifically serving the development of 1) less-advantaged children and 2) special needs youth in our community.
3. Village Enrichment Program: The Village Enrichment program provides area youth and their families with opportunities to learn and grow through:
 - 1.1. Preserve Speaker Series: Host engaging speakers and hands-on workshops in the area of history, gardening, wildlife, art, and wellness.
 - 1.2. A Walk in the Park: Perimeter walking path that encourages fitness and learning through strategically placed plaques, educating guests on native plants, wildlife, and Florida/Martin County history.
 - 1.3. Provide facilities for: K-5 tutoring, organized-play classes, and mentoring activities during the school-week.
4. Community Engagement: Committed members of The Village Club & Preserve are are pivotal to furthering The Village's mission, modeling a healthy, active lifestyle for our youth, encouraging adults to become or remain active throughout their lives, and providing both a source of revenue and pool of committed volunteers and donors to sustain and preserve our organization. *Members will be recognized in a number of ways throughout the year, and their support will directly impact our ability to provide low-cost athletic lessons and enrichment programs for local youth.*
