

REBUILDING, RESTORATION, AND OPENING - 2019

OUR STORY

Thanks to the generosity of 370+ households, over \$1 million was raised during our Capital Campaign, launched in March 2018. Those funds were used to purchase and restore the property upon which we operate.

OUR PEOPLE

The VCP is run entirely by dedicated volunteers. Our members, through their financial support and ongoing pledges, as well as giving of their time and expertise, play a key role in bringing our vision to fruition.

OUR VISION

The VCP is more than "just a club." Our focus is service, creating community, and offering life-enriching athletic and educational programming. Read on to learn more about our mission!

A NEW CHAPTER

A Note from Krista Singleton, VCP President

Greetings from The Village Club & Preserve! The VCP was established in 2018 with a vision to transform a dilapidated piece of land in the heart of our community into an organization with community-focused programming. After a year of fundraising and building, the people of The Village Club & Preserve were overjoyed to celebrate our Grand Opening in June 2019. Where we are today is a testament to the hard work and generosity of hundreds of volunteers and supporters. Along the journey, we saw our community come together in a beautiful way--building and strengthening relationships as we worked to restore the land & plan for the future.

We hope that you will consider becoming a Friend of the Village and being a part of an organization that we foresee making a positive impact on the Treasure Coast community for many years to come!
