FRIEND OF VILLAGE ACKNOWLEDGEMENT:

FOVs are expected to review the FOV Handbook (Handbook) and stay current on content and property rules and regulations. As part of the annual registration process, FOVs review and acknowledge the Handbook and, by completing payment, agree to the rules and regulations outlined in the Handbook and as posted on the VCP website (www.villageclubpreserve.com).

Member (a) understands that the use of The Village Club & Preserve pools and grounds are activities that may result in injuries, (b) agrees that none of The Village Club & Preserve, its staff, directors, volunteers, members and representatives (“the VCP”) nor any other person shall have any liability or responsibility for injuries suffered at the VCP, and (c) agrees to indemnify and hold harmless the VCP, its staff, directors, volunteers, members and representatives from any and all harm arising from this participation and/or any other activities at the VCP facilities. Using any of the facilities or being on the VCP grounds constitutes Members/Guest’s agreement to these terms.

Member grants the VCP the right to take photographs of Member in connection with Member’s use of the facilities. Member authorizes the VCP to use and publish the same in print and/or electronically, with or without Member’s name and for any lawful purpose, including, for example, publicity, illustration, advertising, and Web content, unless Member expressly prohibits such usage.

Member acknowledges receipt of the VCP’s Handbook and understands that continued membership at the VCP is conditional upon adherence to rules laid out in the Handbook.

FRIEND OF VILLAGE COMMUNICATIONS: It is each Friend of the Village’s responsibility to ensure that the club has his/her correct contact information for communication purposes. If at any time your contact information changes, please make sure to update your profile online. In addition to email communications, the Board and Management rely heavily on the club website www.villageclubpreserve.com under “Members” to provide the most up-to-date information. It is a Friend of Village’s responsibility to check these sources regularly for updates.

SECTION I. MISSION/VALUES

The Village Club & Preserve (VCP) is a Florida 501(c)3 non-profit organization dedicated to improving the lives of local families through youth athletics and enrichment programs. It is our mission to provide attainable sports and swimming lessons, as well as foster community engagement through educational programming and activities hosted on our grounds. We have four project areas that support this mission:

- 1. Youth Swimming & Tennis:** We seek to make tennis and swimming lessons attainable for area youth, regardless of financial background. Through partnerships with other non-profit organizations and our own scholarship fund, we provide opportunities for families to (1) obtain life-saving swimming skills for their children, and (2) benefit from the character-building lessons in our sports programs.
- 2. Community Partnerships:** We partner with local non-profit organizations to fulfill their missions in the area of youth athletics, specifically serving the development of less-advantaged children and youth with special needs in our community.

3. Village Enrichment Program: The Village Enrichment program provides area youth and their families with opportunities to learn and grow through:

a. *Preserve Speaker Series:* Host engaging speakers and hands-on workshops in areas such as history, gardening, wildlife, art, and wellness.

b. *A Walk in the Park:* Perimeter walking path that encourages fitness and learning through strategically placed plaques, educating guests on native plants, wildlife, and Florida/Martin County history.

c. *Provide facilities for:* K-5 tutoring, organized-play classes, and mentoring activities during the school-week.

4. Community Engagement: Committed members (our “Friends of The Village”) are pivotal to furthering The Village’s mission, modeling a healthy, active lifestyle for our youth, encouraging adults to become or remain active throughout their lives, and providing both a source of revenue and a pool of committed volunteers and donors to sustain and preserve our organization. *FOVs will be recognized in a number of ways throughout the year, and their support will directly impact our ability to provide low-cost athletic lessons and enrichment programs for local youth.*

VALUES:

❖ Service ❖ Respect and Integrity ❖ Community Courtesy toward others

This organization has been a conduit for the community to come together in a remarkable way as we look to a future of serving on the Treasure Coast. It’s the desire of VCP’s leadership that our Friends of the Village continue to work together in a spirit of cooperation and service as our organization grows and thrives, establishing a legacy of service through our volunteers, outreach, and partnership with other respected local non-profits.

The Village Club & Preserve is governed by a seven-member board responsible for guiding the organization with strategic planning and fiduciary oversight.

SECTION II. CODE OF CONDUCT

At The Village Club & Preserve, we have adopted policies, procedures, rules, and regulations ("policies") designed to provide for the safe, enjoyable, and healthy use of our premises and events by you, our FOVs, and guests. To promote safety and comfort for all, individuals are asked to dress and act appropriately at all times when in our facility or participating in our programs.

We expect persons enjoying The Village Club & Preserve grounds to act maturely, to behave responsibly, and to be respectful of other FOVs and guests.

These policies apply to your conduct on The Village Club & Preserve’s premises or any use of The Village Club & Preserve’s online, mobile, or interactive offerings or websites. They also apply to your conduct during its programs, training, events, or other VCP-sponsored activities on the premises ("events").

These policies supplement those posted or otherwise provided in our facility, on our website, or at our events. In some instances, the law may establish different requirements and may not be outlined here. In the event of a conflict with other policies, the more restrictive policy applies.

If you violate any of these policies, your FOV access may be suspended or terminated. Management decision on all questions regarding construction or interpretation of these policies is final.

We may change these policies at any time, without notice, at our sole discretion. You may find the most recent version of these policies at www.villageclubpreserve.com

FOVs are personally liable for their conduct, as well as for their guests and those under their responsibility. Parents must instruct their children to observe all regulations and obey instructions of the manager and any volunteer on duty. Safety, common sense, and courtesy to others are always good practice.

NON-DISCRIMINATION POLICY The Village Club & Preserve does not and shall not discriminate on the basis of race, color, national origin, gender, gender expression, religious beliefs, military status, age, disability, political beliefs, sexual orientation or identity, and marital or family status in any of its activities or operations.

Whenever, in the judgment of a majority of the Board of Directors, any FOV has violated the spirit or letter of the rules or has otherwise acted in a disrespectful manner toward any other FOV, staff or guest, the Board is authorized to suspend or limit any of the privileges of the club or to execute any other disciplinary measures it deems appropriate, up to and including expulsion from FOV and pool facilities as a FOV or guest. If expelled, all pledges, donations, or fees paid for lessons, teams, social events, guests or other activities are forfeited.

SECTION III. GENERAL POLICIES

A. ATTIRE: The Village Club & Preserve is a diverse community with different ideas of modesty and sensitivity. We ask that clothing be appropriate for a family environment.

B. WIFI INTERNET CONNECTION: The Village Club & Preserve provides a wireless Internet connection as a service to our FOVs and guests. Viewings of illicit adult pictures or websites is prohibited. Abusers of this service may have their FOV/guest privileges suspended.

C. MUSIC: Music played in group exercise classes and on the property will be generally acceptable non-offensive (no explicit lyrics) music. Personal music is allowed if played through headphones and/or is played at a reasonable volume on Bluetooth-type speakers.

D. TOBACCO USE: The Village Club & Preserve is a designated smoke, vaping, and tobacco-free (including chewing tobacco) environment. There are no designated smoking areas.

E. WEAPONS: Possession of weapons while on The Village Club & Preserve's premises is prohibited. Exceptions include sworn officers of public law enforcement agencies, correctional officers, or other situations when specifically permitted by the manager. As used in this policy, the word "weapon" means any firearm, knife, explosive, aerosol (pepper spray, etc.) or other object carried, possessed, or used which may injure or intimidate any person or which may damage VCP property. Folding pocket knives with blades less than 4" are specifically exempted from this definition.

F. PARKING & GOLF CARTS: FOVs and guests may use designated parking areas while patronizing the facility. Parking is not permitted on the outside perimeter of the property. Vehicles left overnight, for carpooling, or bus parking may be towed at the owner's expense.

Golf carts must be parked in the designated Golf Cart Lot, or in overflow areas during special events. Golf carts may only be used on the property grass and trails by maintenance or for guests with mobility limitations who need additional assistance moving around the property. Drivers of golf carts on VCP grounds MUST have a legal driver's license.

G. FOOD AND BEVERAGES/GLASS CONTAINERS: Outside food and beverages are permitted only in designated eating/drinking areas (the Grace Pavilion, covered porches, picnic areas, enclosed/covered area at large pool, and the main clubhouse room).

Per Florida Health Department Regulations, no food or drink is permitted on the pool wet deck (within 10 feet of the edge of the pool). Food is not permitted in the sandy Beach Club area, as food scraps may attract animals and pests. Glass beverage containers are prohibited anywhere on the VCP grounds.

The VCP encourages the use of reusable drink containers for all types of beverages (double-walled bottles and cups with lids, coffee mugs, water bottles, etc.) to minimize waste/recycling. Please mark all reusable drink containers and coolers with your full name.

The Village Club & Preserve provides a community kitchen for use by FOVs and for special events. Any person using the kitchen or bringing their own food onto the grounds should follow the rule-of-thumb to leave the space in "better shape than they found it." If a FOV does not leave the kitchen clean or leaves trash/mess after an event anywhere on the property may result in a fine of \$50-\$100. See posted rules in kitchen for full cleaning checklist.

H. NON-PROFIT PROGRAMMING: Our non-profit programming is the heart of our organization. Our grounds and pools will be used throughout the year to bring affordable swim lessons and athletic classes to area youth, as well as educational workshops, fitness classes, water aerobics, and etc. for all ages. Attendees may include FOVs as well as others invited by the VCP or enrolled in classes/camps and activities. We will do our best to post all classes and timeframes on our master calendar, include info in our e-mails, and at the post near the front desk. We ask all FOVs to be respectful of any classes or programming taking place on the grounds.

I. VOLUNTEER ORGANIZATION: Our organization is run entirely by a dedicated team of volunteers. If you're interested in volunteering with an existing program or have an idea that would enrich the lives of families in our community (in-line with our mission), please contact a FOV of the Board or complete a Volunteer Form (available at the front desk). All volunteers must sign an indemnification agreement, undergo a background check, and take a volunteer orientation class.

The VCP will not always have a paid employee on site. At times when a designated volunteer/s is manning the front desk/registration, they should be treated as the on-site authority. Disrespect, intimidation, or harassment of volunteers will not be tolerated, and offending individuals may lose FOV privileges. Phone the on-call number 772-202-0412 if an employee is needed.

J. VALUABLES, LOST & FOUND: The Village Club & Preserve is not responsible for any items lost, stolen, or damaged in, on, or around the facility or parking lot. It is advised to leave valuables at home. Do not leave them unsecured within the club or unattended in your vehicle.

Found items are kept for approximately four weeks and then donated to charity. All items must be claimed in person at the service desk.

K. SPECIAL EVENTS: Special events will have precedence in facility usage and will be posted as far in advance as possible at the front desk or on the website at www.villageclubpreserve.com.

L. SOLICITATION/DISTRIBUTION: Requests for any solicitation and/or distribution must be made by email to villageclubpreserve@gmail.com.

M. PARTIES AND PARTY ROOMS: The Village Club & Preserve has two party areas: the indoor community room and Grace Pavilion. Party packages, guidelines, and rates are available at www.villageclubpreserve.com/members. The covered porch area surrounding the Community Building is designated to accommodate individual FOVs, family FOVs, and guests for short-term social or professional gatherings. See Appendix A.

N. GROUP USAGE: Groups of ten or more intending to meet for a social or professional gathering or club must get approval from management. Usage fees may apply. See Appendix A.

SECTION IV. FRIEND OF VILLAGE CLASSIFICATIONS AND STANDARDS

A. FOUNDING MEMBER & MTM BENEFITS: Households who joined during our initial Capital Campaign (2018) are **Founding Members** and the 30 households who joined in 2019 (before June 16, 2019) are classified as **Match to a Million (MTM) Members**. Only Founding and MTM households are permitted to convey their Friend of the Village membership (1) time to a future buyer of their home (a future buyer does not have the same privileges of conveying the membership; it is a one-time courtesy to the original Founding/MTM member). Conveyance of membership is at the sole discretion of the Founding or MTM member, but they must inform the VCP of the transfer by completing the form at villageclubpreserve.com/members within (7) days of sale of the residence associated with the account.

B. TENANTS: Members who rent their residence associated with their account may convey Friend of Village benefits to their tenants during the term of the rental agreement. We have a number of members who maintain a membership for their personal residence and memberships for rental properties. The member may not also use the property during the duration of the tenants' stay if they have conveyed the benefits to the tenants. Members are responsible for letting the VCP know when a new tenant has moved in, having household information completed, and the duration of their rental period by completing the proper form under "Members" at villageclubpreserve.com. A renter is also able to become a member on their own--being a Friend of the Village does not need to be tied to home-ownership.

C. HOUSEHOLD MEMBERS: include married couples, domestic partners, dependent elderly parents, and dependent children living at home. All adults in a household who live in Florida year-round must share the same primary address on their state-issued ID, the same address as on the household's FOV profile. "Snowbirds" may have a non-Florida address on their IDs, but must meet the household definition. All FOVs and the persons living in their household are required to register and list all household FOVs on their profile. Updates can be made throughout the year using the appropriate online form in the FOV Portal (accessed from villageclubpreserve.com).

1. It is the VCP's intent that separate households hold their own, separate, FOV accounts. Abuse of the policy or efforts to add local family FOVs or non-family FOVs (friends or neighbors, for example) on a FOV profile may result in a warning or loss of FOV privileges. As a non-profit, we rely on the initial

capital campaign donations and low ongoing monthly pledges to conduct programming, continue improving the property we all enjoy, and pay all operating expenses. See Guest Policy for details on how to bring guests with you to enjoy the VCP.

2. Domestic partnership is defined as non-married cohabiting people responsible for each other's common welfare, intending to cohabit indefinitely, who have a financial interdependent relationship evidenced by any of the following:

- a. Mutually granted financial or health care powers of attorney
- b. Designate each other as primary beneficiary in wills, life insurance policies, or retirement plans
- c. Execution of a joint lease, mortgage, or deed
- d.. Joint ownership of a bank account

3. Dependent elderly parents qualify if adult child claims parent on current tax return.

4. When a child is no longer a dependent (age 23) and does not list the same home address on the FOV account as their state-issued ID, he/she may continue his/her own account by joining the VCP independently or become a guest of the Household VCP.

LIFETIME FRIEND OF VILLAGE: Households who donate a minimum of \$25,000 to The Village Club & Preserve are considered Lifetime FOVs. Lifetime FOV is meant to be a legacy association and qualifying households are granted access for their lifetimes and for future generations (children, grandchildren) with no additional monthly pledges. For more details on Lifetime FOV privileges, please contact villageclubpreserve@gmail.com.

C. TEMPORARY FOV: The VCP reserves the right to grant limited and temporary accounts at certain points throughout the year to generate interest in VCP. Temporary accounts will be no more than 30 consecutive days from the date of origination. Full access to the facility and programs are available to temporary accounts.

D. FOV GUEST POLICY: A guest is defined as a person (or their minor children) who does not have a driver's license address that matches the address of a FOV household.

1. Each active FOV household will be given ten complimentary guest passes to use each calendar year as an added benefit. These will be added to the primary FOV's account on July 1 and expire June 30. After the complimentary guest passes are used, the guest fee is \$10/adult, \$5 child (age 3-17), no charge for ages 0-2.

2. FOVs sponsoring a guest must accompany their guest(s) and will be responsible for the conduct of their guest(s), as well as payment toward any damages and/or charges their guest(s) may have incurred.

3. All guests MUST register at the service desk and pay the appropriate fees. Guests will be logged into our computer system.

4. Minor guests (under the age of 18) must present to the service desk a guest registration form completed, signed, and dated by their parent or legal guardian. In the case of a minor not having a completed and signed registration form, a one-time entrance will be granted if parental permission can be established over the phone. Guest registration forms are available at the service desk.

5. FOV households may request additional complimentary guest passes for out-of-town extended family which will be recorded in our system (please see form on the FOV Portal, accessed from villageclubpreserve.com) naming family FOVs and giving visit dates. It's the intention of the VCP that visiting family FOVs (parents, grandparents, grandchildren, siblings, and nieces/nephews) be able to enjoy the club during the duration of their visit at no additional charge.

6. In-town extended family FOVs are required to pay a guest fee after all complimentary guest passes are used. Our Friends of the Village are encouraged to share information with neighbors, family, and friends of the ability to become FOVs (more info on the required Capital Campaign donation and ongoing fees available at www.villageclubpreserve.com). We currently have multiple FOV households of related family, with separate accounts for each household.

E. NANNY/BABYSITTER POLICY: For an annual \$125 administrative fee per nanny/sitter, FOV families may designate up to two nannies/sitters who may use the VCP at no additional cost while they are supervising children of the designated FOV family at the club. These individuals must have a current photo on file and must be listed on the FOV's online record. (Visit www.villageclubpreserve.com, "FOV Portal," "Forms").

Nannies and babysitters must check in at the front desk with the children when they enter the club. Nannies/sitters do not have FOV privileges if visiting without the designated family. Nannies/sitters not designated on a FOV account will be charged the guest rate when they are supervising a FOV's children at the club. They must check in (and pay) at the front desk with the children they are supervising when they enter the club.

F. MONTHLY PLEDGES/DUES

1. MONTHLY FEES - Monthly dues are not based upon attendance and may be paid by one of the methods listed below. Recurring online payments must be set-up through The Village Club & Preserve's FOV Portal (FOVs will receive an initial e-mail to set-up ongoing payments). This secure service allows us to focus our time and energy on programming, not on administration. For those who choose to pay by check, we thank you for considering payment by one check instead of writing multiple checks throughout the year.

a. **CREDIT CARD/ELECTRONIC PAYMENT:** Monthly dues are charged on the 1st of the month to the credit or debit card authorized on the Payment Option Form. (the 2.6% transaction fee, \$1.04 on \$40, the direct cost from our service provider, will be passed along to paying FOV)

b. **CHECK:** Members may pay the full year of dues in advance by check (\$480). An administration fee of \$5/check will be added to the dues of any FOVs who elect to pay by more than one check.

2. MEMBER DUES/RATES: The Village Club & Preserve reserves the right to change dues with 90-day written notice. Written notice may be in the form of posted material inside the facility, a mailer, and/or electronic notification via newsletter.

3. LATE PAYMENTS: A \$5 monthly finance charge will be applied to accounts not paid in full by the next billing cycle.

4. DELINQUENCY: Delinquent accounts, 90 days past due, will be deactivated and are subject to a "no admit status" or cancellation at the discretion of The Village Club & Preserve management.

G. CANCELLATION: If a FOV wishes to end their account at the VCP, they should notify management by e-mail at villageclubpreserve@gmail.com. If they wish to rejoin at a later date, re-enrollment requirements will follow the guidelines in place at that time (ie: a new capital campaign donation will be required).

H. TERMINATION: The Village Club & Preserve reserves the right to terminate accounts based upon the failure to comply with the following:

1. FOV accounts past due in excess of 60 days will be given notice and then cancelled at 90 days past due. FOVs will be given the opportunity to bring their account into good standing by paying all past-due

pledges. If payment isn't made by 90 days, the account will be deemed cancelled and future re-enrollment will require a new capital campaign donation and monthly pledges.

2. FOV accounts may be terminated or suspended by management for any period of time due to the violation of rules and regulations contained in The Village Club & Preserve FOV Handbook or any conduct which, in the opinion of management, is deemed detrimental to the welfare, good order, or character of The Village Club & Preserve.

3. Termination/expulsion will result without refund of fees and FOV shall be liable for all damages resulting from such action.

I. FOV CARDS/CHECK IN

Check-in at self-serve kiosk is required by all FOVs and guests to the VCP upon arrival. Please scan your FOV card or enter the last four digits of your recorded cell phone number at the service desk when you enter The Village Club & Preserve. Each FOV household will receive one FOV card. FOVs under age 16 must check in at the service desk with an accompanying adult FOV or caregiver. FOV cards are non-transferable. Sharing cards with another individual is prohibited. There is a \$10 fee to replace lost FOV cards.

No one will be allowed in The Village Club & Preserve without appropriate identification or payment. The Operations Manager or a volunteer will ask to see your ID to verify your identity. If the check-in kiosk is not being manned, check-in is still required (follow simple self-serve instructions posted at the front desk).

J. AGE REQUIREMENT TO BE ON GROUNDS WITHOUT AN ADULT/CAREGIVER

Member children age 12-15 may be issued a membership card and be permitted on the grounds (excluding the aquatics area) without a parent/guardian present by signing a "Young Adult Pledge." E-mail Joe Genson at jgenson.vcp@gmail.com to request a short meeting at the VCP with Joe to go over the pledge and policy. Both the young adult/s and parent guardian must be present in the meeting in order to issue the card to take advantage of this privilege extended to our young adults.

Members age 16 and up are permitted to check-in without at parent guardian but their guests MUST be at least age 16, as well--ID required.

SECTION V. HOURS OF OPERATION

The VCP website should be checked for current operating hours. Operating hours change seasonally and are subject to change at the discretion of the BOD.

Hours are subject to change, as well as limited hours or early closure for inclement weather. Current hours are posted at VCP and are available online at www.villageclubpreserve.com Doors will open no sooner than the posted times. We ask that all activity cease several minutes prior to the closing time so that you are ready to leave the property by closing time when the doors will be closed.

A. EARLY CLOSURE/SPECIAL HOURS: Early-closures or special hours may be posted from time to time.

B. INCLEMENT WEATHER CLOSURE - While every attempt is made to maintain our operation without disruption, we do have the rare occasion in which facility programming and/or hours of operation

are disrupted due to inclement weather or other emergencies. When this occurs, messages will be posted on The Village Club & Preserve’s main phone line at 772-202-0412, and in the “alert” box on The Village Club & Preserve’s webpage at www.villageclubpreserve.com

C. MAINTENANCE CLOSURE -The VCP reserves the right to periodically close all or part of the facility for necessary repairs and maintenance. Several times per year, VCP will close for short periods of time to perform our “Club Scrub,” which consists of extensive cleaning, painting, repairs, and special projects. This is a very common practice in our industry and is necessary to return your facility to its usual pristine condition. Dues will not be prorated for any closures.

SECTION VI. ATTIRE STANDARDS

A. ATTIRE IN AQUATICS AREA

For your safety, shower shoes or sandals are highly recommended in all wet areas.

SECTION VII. PETS, DOG PARK & SERVICE ANIMALS

The dog park is meant to be a gathering place for dogs and their owners and is the only area on the property where dogs are permitted off leash. We care about our FOVs and guests as well as their dogs, so for everyone’s safety, we ask that you proceed directly to the Dog Park, with dog on leash, once arriving on the property. Upon leaving the Dog Park, the FOV must proceed directly back to the parking lot and exit.

1. Pets are not to be tied up anywhere on the premises or brought into the buildings with the exception of service animals. (Refer to sections 6, 7, and 8 re: service animals.)

2. For the safety of our guests and other dogs and by the guidance of our insurance provider, the following dog breeds are not permitted on VCP grounds or in the Dog Park:

Pit Bulls & Staffordshire Terriers	Akitas
Doberman Pinschers	Alaskan Malamutes
Rottweilers	German Shepherds
Chows	Siberian Huskies
Great Danes	Wolf hybrids
Presa Canarios	Or a mix of any of these

3. All FOVs who wish to use the Dog Park must register their dog on their online household FOV profile. A special dog tag may be issued to acknowledge the registration of FOV dogs.

4. Owners should bring their own pet waste bags with them onto the property and properly dispose of pet waste in the designated receptacles ONLY. Leaving dog feces on the property will result in a fine (see below). Any pet feces found on the property may result in a fee assessed to the owner:.

- a. First offense: \$100
- b. Second offense: \$200
- c. Third offense: Dog no longer permitted on the VCP property

5. In accordance with the Americans with Disabilities Act (ADA), The Village Club & Preserve allows service animals to access most areas within the facility.

6. Service animal refers to a dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. Other species of animals, whether wild or domestic, trained or untrained, are not service animals for the purpose of this definition. The effects of an animal's presence and the provision of emotional support, well-being, or companionship do not constitute work or tasks for the purpose of this definition.

7. A service dog shall have a harness, leash, or other tether, unless either the handler is unable because of a disability to use a harness, leash, or other tether, or the use of a harness, leash, or tether would interfere with the service animal's safe, effective performance of work tasks, in which case the service animal must be otherwise under the handler's control (e.g. voice controls, signals, or other effective means).

8. A service animal is permitted in most areas of The Village Club & Preserve UNLESS one of two exceptions is met: (1) The animal is out of control and the animal's handler does not take effective action to control it, or (2) The animal is not "housebroken." Service animals are not permitted in swimming pools.

SECTION VIII. FACILITY-SPECIFIC STANDARDS

A. EQUIPMENT CHECKOUT: The Village Club & Preserve has many pieces of equipment available for FOV use at no charge. Check with the service desk. These may include, but are not limited to basketballs, volleyballs, pickleball racquets, soccer balls, yard games, Bocce ball sets, etc.

If equipment is not returned, or returned damaged due to negligent use, the FOV will be charged appropriate fees.

B. AQUATICS/POOLS

1. Swim at your own risk. There are no lifeguards on duty in the VCP aquatics areas. An employee or VCP volunteer has the right to ask anyone to leave any pool if conduct is warranted unsafe or facility policies and procedures are not being followed.

2. Scheduling - Please check the current pool schedule for information on classes, lap swim, swim team, adult swim, open swim, and special events. Current schedules are available online and at the service desk. Scheduled classes have priority use of the pool. Courteous and compatible usage is encouraged. Classes requiring exclusive use of the pool will be posted.

3. Lap Swim - Please observe lap swim etiquette. If crowded, please travel in a circular pattern and share the lane with other swimmers.

4. Children - For safety reasons, please keep a ratio of four children per adult. Children age 14 and under must be closely supervised by an adult age 18 or older. An adult MUST be in the water or within arms-reach of non-swimming children.

5. Rules - Please read and follow all posted rules: running on deck, rough play, and DIVING are prohibited. Equipment must be used properly and appropriately.

6. Food - With the exception of water in a plastic container, food and beverages are not allowed on the pool deck or within 10 feet of the edge of the pool, per Florida Health Department regulations.

7. Swim Diapers are required for all children not toilet trained or who, for any other reason, may not be able to control their bodily functions. A fine of \$100 may be assessed for violation of this rule which results in the need to close a pool for disinfecting/cleaning.

8. Showering - State law requires that you shower prior to entry into the pool and/or spa. A thorough shower with soap helps keep the experience good for all users by removing perspiration, body oils, perfumes, cosmetics, and traces of urine and fecal matter on the body.

9. Water Wings and other similar toys are not approved personal flotation devices and therefore are not allowed to be used as such. Life jackets or Puddle Jumpers should be used with discretion for non-swimming children. Please see our front desk for information on swim lessons provided at the VCP--we encourage all families to have non-swimmers enrolled in lessons as early as possible.

10. Toys and Equipment - Outdoor toys and small toys are not allowed in the pools. Clean floating toys, four inches or larger in diameter, are generally acceptable, although The Village Club & Preserve management or VCP volunteers on duty reserve the right to disallow any toy or piece of equipment at any time. Small toys or items can get stuck in and damage the pool filtration system.

11. Pool Closure - The pools may be closed for special events or maintenance which will be posted with as much advance notice as possible. We reserve the right to close any pool or spa due to contamination or mechanical problems.

12. PDA - Please refrain from excessive public displays of affection.

C. HOT TUB: Due to safety concerns, the hot tub is restricted to adults age 18 and older. Elderly persons, pregnant women, and those with health conditions that require medical care should consult with a physician before entering the hot tub. Usage should be limited to 15 minutes, as long exposure may result in nausea, dizziness, or fainting. It is advisable not to use the tub alone. Hot water immersion while under the influence of alcohol, narcotics, drugs, or medication may lead to serious consequences and is not recommended.

1. Towels are not provided and should be brought from home by FOVs/guests

2. Swimmers are asked to dry off before entering the bathrooms and Clubhouse rooms.

F. GROUP FITNESS CLASSES/PROGRAMMING

There will be spaces on the grounds primarily intended for VCP-sponsored and VCP-scheduled group exercise classes (the main community room, under the Grace Pavilion, in the pool, or along the fitness trail, etc). Please respect the leader and class participants by finding another area to exercise, or swim during classes so as not to interfere.

The Village Club & Preserve Property Use Agreement and Release Form

Adopted By VCP Board of Directors on October 8, 2019

The Village Club & Preserve's (VCP) primary purpose is to carry out its mission. Our mission is to provide attainable sports and swimming lessons, as well as foster community engagement through educational programming and activities hosted on our grounds. We have the desire to serve the community on many different levels and have several relationships with community organizations that utilize our facility. The VCP welcomes other local organizations and members to utilize our facilities for events.

So that all VCP members and outside groups can enjoy our facility, we ask that you follow this guide. In addition, you are required to sign and return the Property Use Agreement and Release Form when requesting to use the property. A copy of the approved form will be returned to you. These forms are to be used for occasional use of the property at VCP's discretion.

Requests for building use are managed through the VCP office. No commitment for building use is finalized until the Use Agreement has been approved and executed by VCP. When available we will make our facility available outside groups. Use of the facilities will be prioritized in the following order:

- VCP programing that fulfills our mission
- Member requests
- Non-profit groups that help the VCP fulfill its mission
- Other non-profit organizations

Approval for the use of the grounds and/or facilities of The Village Club & Preserve does not constitute or imply endorsement of a group, their mission, or their positions. Groups approved to use the facilities are not to advertise the event in such a way as to imply endorsement by The Village Club with VCP's expressed approval. No activities or advocacy may take place within the VCP, its buildings or grounds that conflict with the practices of the organization.

Included in this guide are the following:

- Steps to Facility Use Scheduling
- Rules and Regulations
