Dear Friends and Valued Clients:

Happy New Year and we hope that everyone is safe and healthy! Thank you for allowing JNS Tax Services to prepare your tax return for 2024. We appreciate your business and will continue to work hard to make sure you are satisfied with our services. Our goal is to give you the best result possible and provide you with tax preparation services that set us apart from any other preparer.

We will start taking appointments for the current 2025 tax year starting January 6th, 2026. If you need to file multiple tax years, or have an extended amount of paperwork for us to review, please let us know so we may schedule you appropriately. Appointments can now be scheduled by calling our office at (562) 461-3720 or texting us at (562) 417-9005.

IMPORTANT NOTICE!!! PAYMENT FOR SERVICE

Due to rising operating costs, there will be a \$25 price increase on all tax returns, regardless of tax year. Your total tax preparation fee depends on which forms are required to be e-filed with the IRS and State(s). Payment is due upon completion of the tax returns by cash, check, credit card, or Zelle (JNS TAX SERVICES 562-417-9005) I'm sorry, but we cannot file your return without receiving payment first. NO EXCEPTIONS!

For your convenience, we offer the following type of tax appointments:

- In-Office
- Virtual (Zoom) or Phone Interview
- Mail-In (USPS, FedEx, UPS)
- Email (PDF format Only)
- Secure Portal Upload (Contact our office for access)

This year's tax deadline is as follows:

- March 15th – Partnerships & S-Corporations
- April 15th – Individual, Sole-Proprietors, LLC's & C-Corps

Failure to file by the deadlines will result in late penalties and interest from both Federal and State

Extensions & Late filing penalties:

If you need to file an extension, please contact us before the above deadlines, so we may file an extension on your behalf before that deadline. Please note that filing an extension is an extension of time to FILE your tax return; it is not an extension of time to PAY your taxes due. If you owe money and file AFTER the tax deadlines, the IRS will charge a penalty which is 0.5% of the tax due plus 6% interest. This is calculated on a monthly basis. You can only avoid the penalty if you pay your tax IN FULL by the due date. State penalties and interest vary in each State.

Regarding Health Insurance

If you received assistance through the Healthcare Marketplace or Covered California, you WILL have to show proof! I cannot stress this enough! What this means in short is that you must have the **1095-A** before filing. Only if you were insured through the marketplace. Failure to provide this information or providing incorrect information will delay your income tax refund.

Full Time Students

Please make sure you have form 1095-T from your college institution before your scheduled appointment. You should be able to retrieve it via your student portal or financial aid office at the school. Failure to provide this information will delay filing your return.

Here at JNS Tax Services Inc. you can continue to count on a safe, honest, accurate accounting of your Personal or Business Tax Returns. Visit our website for other important information. I hope this letter provides helpful information while you are gathering your Income Tax Documents for filing your Tax Year 2024 Return. Before scheduling your appointment, make sure that you have everything needed for preparing your return.

Please call at your earliest convenience to set your appointment at 562-461-3720 or text at 562-417-9005.

Thank you all for your continued support and we look forward to seeing you all this tax season!

Sincerely,
