

# Premier Mount N Trail Newsletter

April 2026

premiermountntrail.com

Happy April Y'all!

Spring is officially here and our winter series are coming to a close. Huge thank you to everyone who participated (and organized) in those series and braved the cold! Also thank you to all who came to the Dine to Donate at Titos - that was a successful fundraiser!

We are in Quarter 2 of log hours and will be releasing a new way to submit your hours come the end of the quarter. Quarter 2 ends April 30th, with hours due May 15th. We are hoping this will make things easier for both our members and the board members - this will be released May 1st. There is also some clarification that needs to be addressed on submitting hours. See the instructions [here](#) on how to properly submit hours going forward.

Our Craft and Community event is this month! We are fortunate to be able to host this event in both Michigan and Ohio this year. See the included flyer on more details and how to sign up! The sign up link and info is also [here](#).

The July fundraiser show will be here before we know it, so start thinking about asking your local companies for donations of either food, raffle items, or awards.

One last item, have you seen our website!? Our amazing content coordinator has been hard at work and has made some great updates to the website. We are looking to get everything up to date as soon as possible. See the last page on a new award for the Open division too!

Happy Trails and Happy Easter!
