

Premier Mount N Trail Newsletter

May 2026

premiermountntrail.com

Happy May Y'all!

The Winter Series shows have officially concluded and we are moving in to our summer series! See the flyer in the following pages for dates and locations!

Quarter 2 ended April 30th, with **hours due May 15th**. You can submit your hours [here](#). We are hoping this will make things easier for both our members and the board members. See the instructions [here](#) on how to properly submit hours going forward. If you do not want to use the online link to submit hours, you can still email in your hours.

With the recent change in board members, we sent out a vote for the new members to come aboard. Please welcome Liz and Brianna to the board! Their profile and information will be on our website soon. We are so excited to have them on board and are looking forward to their input and expertise!

This month we are looking into a Give Back day on Memorial Day weekend! More information to come on that soon!

The July fundraiser show will be here before we know it, so start thinking about asking your local companies for donations of either food, raffle items, or awards. We have a two-piece live band booked, along with food and other exciting items!

Happy Trails and Happy Mother's Day!

Upcoming Important Dates:

- ★ May 16th - Clinic at Kal-Val Saddle Club
- ★ May 17th - Challenge at Kal-Val Saddle Club
- ★ June 6 and 7th - Challenge at Phoenix
- ★ June 13 and 14th - Challenge at Holland Western

May Feature: Spring!

Though it hasn't felt like spring, it is officially spring time! The flowers are blooming, the leaves are returning, and it's time to really start riding again! Have you been riding a lot? Gone to any clinics yet? We'd love to see your pictures and hear what you're learning.
