THIS AGREEMENT, entered into this 1st day of November A. D. 1966 between the undersigned, the owners of lands in the Township of Green Lake, Grand Traverse County, Michigan, known and described as:

For and in consideration of the mutual agreement of each of the undersigned, to each other, it is agreed that the restrictions upon Peninsular Shores Park No. 4, as hereinbefore described, shall be as follows:

On lot 215 the minimum setback line shall be 25 feet North from the South line of lot 215 if extended Westward across lot 216.

No construction of any kind shall be built in the lagoon. The minimum sideline building setback line shall be 10 feet from the East side and 10 feet from the West side of all lots in the plat. The owner, or owners, of two adjoining lots may, at their option, treat the two lots as one lot and build the said dwelling on the lot line between said lots; in which case, so long as such dwelling shall be there maintained, no other dwelling shall be built on either of said lots.

(C) No building shall be erected, placed or altered on any building plot in this subdivision until the building plans, specifications, and plot plan showing the location of such building have been approved in writing by a majority of a committee composed of Grace Irwin, Edgar L. Kight and Ivan E. In the case of the death of any member or members of said committee, the surviving members or member shall have authority to approve or disapprove such design or location. If the aforesaid committee, or their authorized representative fails to approve or disapprove such design and location within 30 days after plans have been submitted to it, or if no suit to enjoin the erection of such building, or the making of such alterations has been commenced prior to the completion thereof, such approval will not be required. (G) No septic tank drainage or any other drainage water shall be drained into the lake or lagoon.

(H) These covenants are to run with the land and shall be binding on all the parties and all persons claiming under them until January 1, 1986, at which time said covenants shall be automatically extended for successive periods of ten years unless by a vote of the majority of the then owners of the lots it is agreed to change the said covenants in whole or in part.
