CROSS MY HEART

The singles "Blood Pact" and "Can't Feel" are both getting worldwide plays and gaining massive popularity through FM and Internet stations.

"Music to entrance, visuals to engage, Sister Kill Cycle's "Blood Pact" will leave listeners in awe of the melodies and maladies. What happens when you mix a little discomfited libidinous lyrics with dramatic, addictive hooks and gritty infectious vocals? The song "Blood Pact" is created." -Radical Online Radio
