

JUNIPER BONSAI WORKSHOP

Discover the art of juniper bonsai with practical tips for all skill levels, whether you're just beginning or have years of experience.

Learn how to select, style, and care for these miniature trees, gaining hands-on experience. Bring your own juniper, wire and any bonsai tools you have. We'll help you take your bonsai skills to the next level. Beginners are welcome

SATURDAY, AUGUST 1
1:00-4:00 PM
