

LIABILITY

Responsibility of ZIMEMOT PTY. LTD.:

ZIMEMOT PTY. LTD. assumes no responsibility beyond quality control of products and components in-house or in manufacturing facilities, supplier selection of the products including Li-Ion battery packs, street or non-street products. All customers should fully understand their product and maintenance and safe keeping/use of the products and components. Literature provided on our website and manuals are there for this purpose, yet hazard scenarios might not be limited to those foreseen.

Warranty Remedy:

The sole remedy under the above warranty, or any implied warranty, is limited to the replacement or repair of defective parts with those of equal or greater value at the sole discretion of ZIMEMOT PTY. LTD. Except to the extent specifically prohibited by law, in no event shall ZIMEMOT PTY. LTD. be liable for any property damage, personal injury or death, fire-related incidents, loss of use, loss of opportunity, loss of contract, loss of goodwill, interruption of business, loss of profits, cause and effect loss, or any other consequential, direct, indirect, incidental, special, or punitive damages whether based on contract, warranty, negligence, product liability, or any other theory. ZIMEMOT PTY. LTD. will not be liable for any accident, misuse, abuse, loss, injury for or by the rider, neither a third-party, even if the cause is an ebike power, speed, bad or illegal parameter setting, components defect, or malfunction. This applies in all cases however caused, whether for breach of warranty, contract, tort (including negligence), strict liability, or other reasons. By purchasing this equipment, the buyer agrees that, IN NO EVENT WILL ZIMEMOT PTY. LTD BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES EVEN IF THE COMPANY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Customer Responsibilities:

The customer takes all responsibilities and liabilities on all products including but not limited to ebikes, e-scooters, conversion kits, batteries, ebike components, brakes, bike mechanical parts and adjustments, electrical wiring, unforeseen occurrences, safety issues, maintenance, and services, etc.

Traffic Regulations and Restrictions:

Ebike riders must obey all traffic regulations, geographical or age restrictions, and are responsible for following rules and updates for the kind of vehicle they are using.

Li-Ion Battery Safety:

Customers are fully responsible for understanding the safety concerns and regulations of keeping, charging, using, and transporting Li-Ion battery packs.
