

## Grails of Goodness

### Frappes & Shakes

#### Ministah's Milkshake a/k/a The Friaah's Frappe

6.90

**Extra Thick 7.65**

Your choice of ice cream, milk and syrup blended to perfection. Frappes are a New England regional name for what most everyone else calls a "Milkshake." Then again, we also drive a cah. We can add malt to create a "Malt" (+.50)

#### Udderless Shake

3.95

Just like the frappe but without the ice cream. It's the original recipe for a "milkshake" with milk and soda water to create the bubbles, plus syrup, (often chocolate). In New York they call this an Egg Cream. Huh? There is no egg and no cream!

#### Nirvana

7.50

Be in your happy place with a mocha chip frappe blissfully topped with hot fudge, whipped cream, Oreo® crumbles, and chocolate drizzle

### Floats & Sodas

#### Sister Sarina's Ice Cream Soda

5.95

A parochial blend of whipped cream and flavor syrup (often chocolate) schooled into bubbling soda water with a good size belt of your favorite ice cream

#### Faith's Float

5.75

Become a believer with an apparition of your favorite hard or soft ice cream sitting atop cold root beer or other soda. By George, "You gotta have faith"

#### The Saint Bernard

5.45

Rescue your thirst and revive your soles with this resuscitating blend of iced coffee, ice chips and vanilla soft serve. It's an avalanche of refreshment no matter how rough your day
