SPRING 2026

Born in the heart of Colorado—America’s most active state—Lookout Recreation was created for people who live life outside. From sunrise trailheads in the Rockies to parks in the city, we design outdoor gear that goes anywhere you go, bringing comfort, style, and connection to every gathering. Whether you’re at the campsite, the lakeshore, the park, or the patio, Lookout Recreation is built to make the outdoors feel like home—where friends come together, memories are made, and every seat has a view worth looking out for.

SPRING 2026

TEAM DIRECTOR FOLDING CHAIR

ASSEMBLY INSTRUCTIONS

1

Prepare the Frame – Place the folded chair on a level surface in front of you.

2

Extend the Arms – Pull the armrests outward on both sides of the frame until they are horizontal.

3

Raise the Backrest – Lift the backrest. This action will also raise the armrests slightly.

4

Extend the Seat – Pull both armrests sideways to fully extend the seat.

5

Lock Open – Lift the lever located underneath the seat until the frame locks securely.

6

Ready to Use – Your chair is now ready. Sit back and enjoy.

Take Down – To collapse the chair, push the lever down to unlock the frame and reverse the previous steps to fold completely.
