These and more were presented at Leedy-Voukos Arts Center, Kansas City, MO, in 2011, in a solo exhibition entitled "Acid Wash: Playing with Consequences"

There are other works not shown....*Aquifer Do-Si-Do* is sold.  
*Acid Washed Coral* consists of only left portion. The right side is a detail photo of cut fabric applied to left image.  
*Fleur* is beautifully white-framed and available  
*Cloud Stew* is Not for Sale.  
*Stayin' Alive* is very special, but barely hanging in there! It fell and the frame needs appreciative repair. (Is it yours?)
