## OF BEATLEMANIA

### About THE CAST

The influence of The Beatles upon music and pop culture is unmatched by any other group in history. Their music defined an era, changed the course of music history and set a pop rock standard that lives on today. Considered the most commercially successful act in the history of music, their songs continue to inspire generations, young and old, and seem to be as relevant today as they were 40 years ago.

*The CAST of Beatlemania* takes you on a musical journey that chronicles The Beatles career from their 1964 U.S. debut on *The Ed Sullivan Show* to Let it Be in 1970. Performing live, and featuring members of the original *Broadway cast of Beatlemania™*, *The CAST* seamlessly recreates the look and sound of *The Beatles*, flawlessly performing over thirty songs and integrating three costume changes during their two hour performance. Consistently named one of the top Beatles tribute bands in the world, this foursome is renowned for their unparalleled musical and vocal talents as well as their uncanny likenesses to the original Fab Four. Their current tour has taken them around the world to sold out venues, screaming fans and rave reviews.

*The CAST's* authentic recreation of the sights and sounds of *The Beatles* will transport you back to a time when the world was mesmerized and forever changed by four lads from Liverpool, England, a time now defined as BEATLEMANIA.

# Meet THE CAST

## 🎸 **CARLO CANTAMESSA** *Rhythm guitar* 🎸

Besides being the manager of the group, Carlo will perform on rhythm guitar and lead vocal. He has performed in this role for 30 years, and has toured extensively, both nationally and internationally, receiving worldwide praise for his sound-alike/look-alike impersonation. Carlo's sound-alike quality to that of John Lennon is purely natural, yet dramatic enough to convince the most avid Beatles fan.

## 🎸 **LENIE COLACINO** *Bass guitar* 🎸

Lenie Colacino was in the original Broadway production of Beatlemania and it's first left-handed member. With a voice that naturally captures McCartney's range and tone and his physical resemblance to the original, Lenie combines all the elements that have made him so respected in the Beatle biz. Lenie has been the singing and speaking voices of dozens of National TV and radio ads and recently has provided three of the four voices of the "Beatles" on the Nickelodeon show, "The Wonder Pets".

## 🎸 **MONROE QUINN** *Lead guitar* 🎸

Monroe will perform on lead guitar and lead vocal. Monroe has performed with such artists as Billy Preston, Micky Dolenz of The Monkees, Peter Noone of Herman's Hermits, Neil Innes, Joey Mallond of Badfinger, and Denny Laine from Wings and The Moody Blues. Now he brings his talent to The CAST as George Harrison.

## 🥁 **JOHN DELGADO** *Drums* 🥁

John will perform on drums, percussion and lead vocal. John has been an integral part of the show for more than 20 years with a successful background in theater and music. He has toured nationally and internationally, offering a stunning rendition of RINGO'S drumming, singing, mannerisms and energy.

## 🎹 **LARRY HOCKMAN** *Orchestration / Musical Director* 🎹

Blending talent with technology, Larry is the musical guru behind the incredible orchestrations and arrangements! A Tony and Emmy-award winner for his work on *Book of Mormon*, *Hello Dolly* and many more Broadway hits, Larry plays with a full orchestra at his fingertips, and with both keyboards and computer, bringing the sounds of Abbey Road Studios to life every show.
