

2024 May Update

Dear Neighbors,

The Caucus Committee is pleased to continue to serve Lake Forest residents and fulfill the 90-year-old Caucus' mission in the upcoming 2024-25 Caucus year to find, vet, and recommend the best qualified, unbiased volunteers to serve in Lake Forest municipal government.

An Interim Public Meeting will be scheduled in the near future at which the Caucus Committee's recommended 2024-25 Officers shall be presented for election to Caucus membership. The date, time, location, and agenda of this meeting will be communicated soon. More information about the decision to hold this interim meeting is on the [Caucus Updates](#) page on the Caucus website [HERE](#). [This page](#) will be updated from time to time as needed, for your ongoing reference.

The Caucus Committee is pleased to welcome its recently elected 2024-25 Caucus Committee volunteers. We thank them for their willingness to serve the residents of our community. These recently elected members will be installed at the Old/New Meeting following the Interim Public Meeting.

Please [contact the Caucus](#) (and/or [update](#) or [create](#) a Volunteer Profile Sheet) if you are interested in being considered for District 67 or 115 School Board.

May we all continue to enjoy this wonderful spring weather in beautiful Lake Forest.

Regards,

Christopher Benes

Christopher Benes
President, Lake Forest Caucus
