

# Bylaws Update & Spring Meeting Vote

An Update from Caucus Vice President Regina Etherton

Hello John,

I want to provide an important update on the bylaws review process and emphasize why your participation in the upcoming Spring Meeting on Tuesday, March 18 is critical.

## Bylaws Review Progress

- The Executive Committee has met twice, and the full Caucus Committee has met once to discuss the recommendations from the Ad Hoc Bylaws Committee.
- The Caucus Committee is now preparing revised recommendations for bylaws amendments, which will be submitted to the Ad Hoc Bylaws Committee for their review.
- The Caucus Committee has already reached out to the Ad Hoc Bylaws Committee, and they have agreed to meet to discuss the revised recommendations.

## Why Your Vote Matters

Voting YES at the Spring Meeting ensures that the proposed [Executive Committee](#) can continue moving forward with this process—working toward a thorough, well-vetted set of bylaws amendments to be voted on by the public. Your vote supports responsible progress and ensures that the work continues.

I encourage you to stay engaged and participate in this important process. Please join us at the Spring Meeting on **Tuesday, March 18, from 2:00–8:00 p.m. at Gorton Center** to cast your vote.

Thank you for your support and commitment to our community. I look forward to continuing to serve each and every resident of Lake Forest!

Sincerely,

Regina Etherton
