- Book bags, Baby bags, purses of any kind at anytime contain medication or open food inside.

I have read and understand the uniform policy in effect for Road to Success Academy.

I am aware that if my child arrives at school out of compliance with the school policy my child will not be allowed to be dropped off. I understand that I will be called to come to the school and bring acceptable attire for my child if found at anytime out of compliance. I further understand that my child will remain in the office until I arrive.

Note: Please be aware that the dress code infractions may go unnoticed. Action will be taken promptly to enforce that policy when violations are observed.
