**\*Vote Early In-Person Oct 26-Nov. 3 at 618 Cass St, Saginaw (behind Courthouse), 9 am – 5 pm**

To financially support candidates, our bylaws require a candidate to submit a Candidate Profile containing questions for the candidate submitted by America First voters, and if a candidate resides in our County, to be a “member in good standing”. If a candidate reached out to us and chose to submit their Profile, and we **ENDORSED THEM**, it is noted by an \*. For all available Candidate Profiles, pick up a copy in our office or scan the above right QR Code. Some Republicans are not listed below if we did not have enough information on that candidate or a candidate is running as NPA (non partisan) and we could not verify. Go to the Saginaw County Clerk’s website QR Code (on left) here for a complete list of Candidates with their contact information if you would like to contact them before you vote, and [SaginawCounty.com/elections](https://SaginawCounty.com/elections) for more information.
