THE REPUBLICAN PLATFORM:

- Seal the border and stop the migrant invasion
- End inflation and make American affordable again
- Make America the dominant energy producer in the world and provide affordable reliable energy to all
- Stop outsourcing our factories and turn America into a manufacturing powerhouse
- Large tax cuts for workers and all citizens
- Defend the Constitution, Bill of Rights, and our fundamental freedoms, including free speech, religious liberty, conscience rights, and the right to keep and bear arms
- End the weaponization of government against the American people
- Stop the migrant crime epidemic, demolish foreign drug cartels, crush gang violence, and lock up violent offenders
- Fight to protect Social Security and Medicare with no cuts.
- Keep males out of female sports and private areas
- Prevent WWII: restore peace in Europe and the Middle East

The Official Democrat Platform considers conservatives as purveyors of “*hate crimes and white nationalist terrorism*” (pg 61). They intend to grab your guns, stifle your speech, and impose the woke agenda everywhere. Help prevent that by voting Republican and
