Titleholder Expectations

what is expected should you win a title

QUALITIES AND ATTRIBUTES OF A TITLEHOLDER

A titleholder in the All American Girl system is charming, poised, and a genuine individual. She should exude confidence, a strong self-esteem yet be approachable, kind, and compassionate towards others. She is a girl that knows how to make a good first impression, has the self-confidence and speaking ability to give a good interview or speak confidently at a public appearance, and have the positive attitude to adapt and step up when needed. She should be at ease in a crowd or with her peers. She is graceful but not affected in a manner that is unbecoming of a young lady/woman. Her attributes include being poised, personable, well-groomed, self-confident; and above all have the character, humility, and inner beauty that sets her apart as a leader.

In All American Girl, we are searching for a natural, authentic young lady/woman to represent our program and be an example to those in her age division. She has manners, and her dress and behavior are always age appropriate. An All American Girl is the perfect balance of inner and outer beauty.

For our titleholders, they need to be role models in every way, even in their personal lives and what they post on their social media platforms. They need to set an example for the younger girls who are looking up to them and be held to a higher standard.

Our new titleholders will spend a significant amount of time together over the next year, so it is important that each new queen demonstrate a true love for being a role model, making a positive difference in the lives of other, and showing love and grace to all ages of our All American Girl family.

All titleholders in the All American Girl program are to conduct themselves with the dignity of the important title they hold. Failure to represent the title in a "Queenly" manner could result in the forfeit of the title and any rights thereof.

As a titleholder you are expected to go to 80% of the state events, Nationals is a big portion of this. If you fail to go to events you forfeit the right to any gifts received and possible end of rein scholarship.

As a state titleholder, you will also be expected to complete 20 hours of community service during your year of service.

Community Service

helping others

One of the most important parts of the All American Girl Pageant is our commitment to community service. All American Girl is committed to teaching our youth to give back to their communities by volunteering their time and talents to charitable organizations.

As a Wyoming titleholder you are committed to completing a minimum of 20 hours of community service. You will log these hours throughout your year and will have the chance to be put in for the Presidential Community Service Award if more hours are completed.

AUTISM SPEAKS is the National charity for All American Girl. Each girl will be required to donate \$30 for Autism Speaks at the National pageant.

What is considered community service hours?

These can be formal activities such as volunteering with a registered charity or non-profit, or something more informal like helping an elderly neighbor with everyday tasks, reading to children or elderly, collecting donations, making food at the Ronald McDonald house, neighborhood clean up, ect..

With so many community service projects out there, you can find one that is perfectly aligned with your passions, skill and interests.
