- 1.) You must putt all balls in the hole for birdies and pars.
- 2.) If there are rakes at the bunkers, we play the ball out of the bunker, lift the rake, and place. If there are no rakes, we drop **behind the bunker**. Keep the spot where your ball rests between you and the stick; do not drop it on the side of the bunker. You must play over the bunker.
- 3.) For the pace of play, if someone hits their ball in the trees or has a lost ball, drop the person off where they think their ball went. The other person goes to their ball and hits, then comes back to help look for the lost ball. You have 3 minutes to look for a lost ball; after that, it is considered lost.
