- 1.) You must putt all balls in the hole, no gimmies.
- 2.) All men play par 3s from the Blue tees.
- 3.) If there are rakes at the bunkers, we play the ball out of the bunker, lift the rake, and place. If there are no rakes, we drop **behind the bunker**. Keep the spot where your ball rests in the bunker between you and the stick; do not drop on the side of the bunker. You must play over the bunker.
- 4.) For pace of play, if someone hits their ball in the trees or has a lost ball, drop the person off where they think their ball went. The other person goes to their ball and hits, then comes back to help look for the lost ball. You have 3 minutes to look for a lost ball; after that, it is considered lost.

- 5.) **Lost or Out-of-Bounds Balls** - Under the club's local rule, lost or out-of-bounds balls are treated as follows:
- Estimate where the ball last crossed the boundary.
 - Drop within two club-lengths of that point and take a one-stroke penalty.
 - Alternatively, drop along the edge of the fairway directly across from that point and take a two-stroke penalty.
