

International Queen's Corner

2020 – 2021

International Queen

Carla Purvis

Let me take this time to say how incredibly sad I 'am about the canceling of the 2020 International Shrine Hillbilly's convention in Ashland, Ky and of Hillbilly Days in Pikeville.

Let me bring you up to date on my work this year representing my fellow Hillbilly Mama's

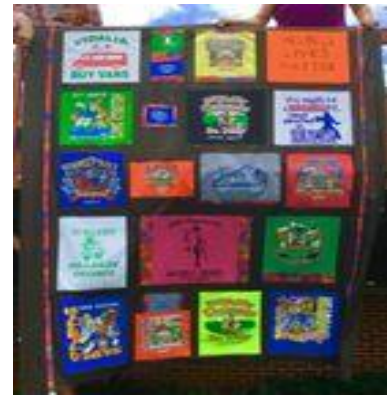

Raising awareness, along with raising funds to support the kids we serve, is the number one goal of the International Queen.

During the past year to achieve my goals as stated above I have Raised and donated thru Clan#8 \$2500 to the Cincinnati burn hospital. Working with Clan#1 - OH#2 we raised \$900 that was donated to the Lexington, Kentucky Shriners Children's Hospital. (despite the Pandemic) In addition Queen Carla, along with Cousin Tom Purvis sold \$1750 in raffle tickets at the Hillbilly Christmas in July, in Pikeville Kentucky. All proceeds and other fundraisers held in Pikeville Christmas in July are designated for donations to the Lexington Kentucky Shriners Hospital for Children.

I am looking forward to starting a second full year representing the Hillbillies with a handmade Quilt auction. (Pictured Above)

Taking care of Children, who otherwise would be forgotten is our goal. Working together we can make it HAPPEN.

Thank You again for your support
