Imperial Clan - Hillbilly Degree

Unit or Club?

The Grand and Glorious Order of the hillbilly degree originated as a sideline degree for **Shriners** to be a fund raising tool for fundraising for the Shriners Hospitals for Children and to be a fun way of doing it!(History can be found on Website) Those who were initiated were accepted into a Hillbilly Clan!

From the start it was accepted as a good way to get both nobles and their ladies involved in the fundraising events! Having both a men's degree and a woman's degree made the process even more attractive to couples!

As the fast growth continued soon, as most organizations run into, the degree as it is known, (because of the large amount of money generated) became a sought after group where some Shrine centers wanted total control of monies made and thus deviating from the constitution and by-laws of The grand and Glorious Order of the Hillbilly Degree as set forth by the Imperial Shrine in Tampa, which was accepted by Shrine center in their request for granting them a clan!

This was then under Imperial Direction resolved by a having group petitioning Shrine Center decide whether to become a unit or club! The direction of funds were to still go to either Hospital or Sponsoring Shrine Center Hospital Transportation fund! EXCEPT IN CASES, where **units are Required to**, in the event of **EMERGENCY**, provide support for Shrine Center operation!

Under a **UNIT** as stipulated under Imperial Shrine Law a noble may **ONLY BELONG TO ONE** under their centers umbrella!

Under a **CLUB** that is sanctioned to operate under the umbrella of their center, the funds are protected to be sent **ONLY** to **Hospitals** or the Shrine Center sponsored **transportation fund** under which Clan was created! Under a club on

the other hand, as stipulated by Imperial Shrine law, nobles can join as many clubs of sponsored shrine center that they govern. Thus, creating a large pool of prospective members, increasing fundraising capabilities for clan and greater results for the Shrine Center!

ALL funds raised by clans are to be reported in a **yearly** report, with total donated (Dollar amount of all material things donated) and a report sent in to **Imperial Hillbilly Keeper of the cob!**
