**Network Social Club** has a Facebook page. If you're a Facebook user, you might like to keep in touch via this medium. Network Social Group Facebook is for members only to exchange photos and comments on Network Social Club activities.

- 1. Search for Network Social Group on Facebook
- 2. Press button to "join group"
- 3. One of the members will accept you into the group. Please give them 24 hours to do so.

There is also a public Facebook page, without the photos or things to identify members, to help us spread information to potential members. Search for Network Social Group Inc on Facebook, join and like or share events with your friends.

**Network Social Club** is run by the members for the members. Fees are low because we don't pay anyone to run the program, we do it ourselves. Each of us is expected to host multiple events each year. This doesn't involve very much, just picking a date and a venue then putting it in the newsletter, and perhaps booking a table or seats as necessary. First time hosts are encouraged to seek assistance via the Committee.

**Cancellations:** If you book in but then can't make it to an event, you must contact the host to let him/her know. Otherwise people may be waiting, waiting, waiting, wondering if you're lost or you've had an accident or you've been kidnapped by aliens.

**Inappropriate behaviour**, particularly sexual harassment, is not tolerated in this club. *All* members are urged to consider *all* members feelings at *all* times.
