The Committee and Members welcome your application to join Network Social Club and hope to see you often at club activities. We invite your suggestions and expect your participation in hosting events, ensuring a wide range of activities for all members to enjoy.

Prospective members are invited to attend 3 functions in public venues before submitting their membership application. The application form must be completed with your signature, and the signatures of your nominees. On receipt of your application with subscription you will be welcomed as a provisional member for a probationary period of the first 3 months.

The Network Social Club is a place for members to socialise informally in a relaxed atmosphere. Our policy is inclusive and is based on respect of self and fellow members. Members are asked not to use the club to promote their own financial, religious or political interests. The club does not offer a 'match-making' service, so please respect other members wishes when developing friendships. Members choosing not to comply with the Club's expectations may have their membership terminated.
