His terrorist friends were not happy about his new faith, they tried to burn him to death. He survived for three months, but many Islamist friends became followers of Christ through his witness. After Moustafa's death, his wife, who was pregnant with twins, went into labor. She delivered a son and had friends rush him to a Christian leader. As she delivered the second child, terrorists killed her and the baby girl. Pray for the son and his caregiver, who carries deep emotional wounds from the incident.
