May many come to know and follow Jesus Christ in Bhutan. Source: www.icommittoprayer.com
- 3. Home Schooling** / Recently, serious concerns have been raised in Parliament over Government proposals to force parents who educate their children at home to register with their local council. Under the Bill, registers of children not in school must record names and addresses of parents and children, amount of time a child spends “receiving education from each parent”, and details of any education received from other people. Pray that all intrusive and extravagant regulation be defeated and home educating parents will have freedom to teach their children without excessive state requirements

During the 2024 campaign, 508 arrests were made in Merseyside, over two thirds of which were for drug driving. In West Yorkshire, a third of the 279 people arrested for driving offences were under suspicion of using drugs. Ean Lewin, Managing Director of D.tec International, a company that provides drug detection equipment, explained: “Last year’s Operation Limit campaign exposed a sobering truth: drug driving is on the rise, and in some areas, it has overtaken drink driving as the primary concern. - 10. The Big 3 (China, India, & Indonesia - Over 40% of the World’s Population)** / China - Pray for the effects on people impacted by the biggest human migration in history happening in China today.
