The Scriptures clearly teach that the prayer of faith can move a mountain. Independent research indicates that over two thirds of American Christians (according to themselves) can only rate their prayer lives Poor or Fair rather than Good or Mature. The Strategic Prayer Initiative, with the Lord's help, has come up with a 3 minute a day strategy to grow you in prayer. If it was not overly burdensome, would you be willing to be part of changing the nation via prayer?

Do you believe the spiritual state of our country is progressively getting worse? Yes / No

Acknowledging that it will look different for different people (different seasons of life, different personalities, different likes and dislikes, etc.), do you believe that God wants all of His true followers to have a good prayer life? Yes / Possibly / No [see www.SPIprayer.org]
