

New Massachusetts State Police License To Carry (LTC) SAFETY COURSE w/LIVE FIRE component.

****You must make a non-refundable DEPOSIT {previous to the class date} to reserve your seat.****

****Please stop by the store during regular business hours to register.****

This six-to-seven hour course with **live fire** component **onsite** covers the new approved state course curriculum. This will certify you to apply for your LTC or FID Card through your local police department. Our certified instructors will cover applicable Massachusetts firearms laws to include possession, transportation, secure storage, safe firearm handling, use, and childproofing methods. **New material includes** suicide prevention and injury reduction education, laws governing use of force in the Commonwealth, disengagement and conflict avoidance tactics, and live-fire training.

Our course is **\$185 per person.**

The class will also include a live fire portion at our exclusive INDOOR RANGE

Safety Classes are held on many different days and times at **Guns Inc.**

1050 Main Street, West Springfield, MA 01089. ***Limited Seating Available***

\$185.00 per person. A \$110.00 **non-refundable** deposit is required to reserve your seat.

All LTC classes will include a live fire portion.

We also offer NRA-certified courses for CT, RI, and Utah permits!
