### Policeman's Prayer

Lord, bless the ones  
who wear the badge  
The ones who walk the beat,  
Protect and keep them safe  
While they're on the street.

As they wait and as they watch  
Doing good for all,  
guide their minds and  
give them strength  
For each and every call.

Ready to put their  
lives on the line  
Give them courage each day,  
Let them know  
you're always there  
In each and every way.

So bless the ones who  
wear the badge,  
Protect them from harm,  
Always keep them safe  
And in your loving arms.

### PHOENIX PD APP

The Phoenix Police Department has a mobile APP, bringing a variety of resources and information to one place. Users can use the app to access online reporting, crime statistics, precinct locations, phone numbers, career opportunities, virtual block watch, victims' rights information, and more. Users can also turn on notifications from the precinct they live in to receive news updates and information on events in their area.

The APP is now available both in the Apple Store for iOS and in the Google Play Store for Android.

**Report graffiti on the Phoenix PD app!** Graffiti can now be reported on the Police Department APP released in January 2021. Studies show that if graffiti is removed within 24 hours, there is a 90% likelihood that the graffiti reporter will not have to use the app to have it removed! #GraffitiFreePHX

## E-BIKE REGULATIONS

With the ongoing concerns and questions regarding E-bikes, I wanted to take the time to provide the community with information on the new regulations. These concerns are not limited to the Black Mountain Precinct but are shared across the City of Phoenix. Prior to these regulations going into effect, patrol officers and community action officers from the Black Mountain Precinct conducted educational contacts within the community, informing community members of the new regulations. Along with the educational contacts, community action officers provided information related to the topic during community meetings, events, and school visits.

Since going into effect, the Department has provided a brochure with guidelines outlining traffic statutes that apply and when citations can be issued. The statute also addresses illegal modifications to e-bikes, ensuring that unlawfully altered devices are removed from the streets. The goal of these regulations is to promote safety and responsible use of e-bikes while discouraging unsafe practices and risks. A copy of the brochure is below for distribution to the community. If you have any questions or concerns, please reach out to a member of the community action team.

## WE'RE MOVING!

I am confirming the rumors that we are moving from 620 W. Washington St. on February 4th, 2026, to our new building 100 W. Washington St. The Community Employee Resource Bureau will be on the 13th floor. Other bureaus will be moving to the new building in stages with hopes that everyone will be in the new building by April 1, 2026. We have not been informed about what parking will be like for volunteers. What I can tell you is the PNP volunteer program will no longer be at 620 W. Washington. For most of you, this will have little to no effect aside from picking up the occasional items at the front desk. For now, I will likely have to mail things or make other arrangements on a case-by-case basis. We ask you to be patient as there will be some obstacles which we will overcome in due time. Please know you may reach out to me by email, [pnp.coordinator@phoenix.gov](mailto:pnp.coordinator@phoenix.gov) should you have any questions or concerns.

I look forward to seeing you at the next PNP meeting on Tuesday, February 17, 2026, from 6-8pm, to be held at our regular location, 2075 E Maryland Ave.

## PNP/PVSA hours

I am working on a QR code to make logging hours quicker for some, but it is still under construction.

What are "Admin hours:" Going to a PNP class, meetings, working on newsletters, website design, coffee with a cop, shop with a cop, First Fridays, Indian Market, going to a meeting where PNP is a topic, stuffing GAIN bags, monthly meetings, anything that benefits PNP but is not patrol, etc.

Please reach out to me with other examples – it's probably Admin Time!

## IRS Mileage Rate Current Rate

If you have Mileage Reimbursement funds in your current BW Grant this is important info for you. **The mileage reimbursement rate increased to 72.5 cents per mile as of January 1, 2026.**

## PNP Merchandise Order Forms and Cost:

PNP equipment, like clothing, street signs and/or vehicle signs are expected to increase in 2026. If any of you have bought groceries or filled up your gas tank, you know there has been an increase in the cost of just about everything recently. The updated order forms are now online at [www.phoenix.gov](http://www.phoenix.gov)

## **Mayor Gallego, City Council Approve Light Rail Extension That Will Bring New Jobs, Opportunity to Maryvale**

On January 27, 2026, Mayor Kate Gallego and the City Council approved a new expansion of its class-leading light rail system to west Phoenix, delivering a tremendous opportunity to the Maryvale community.

The City Council voted by a 7 to 2 vote to expedite light rail along Indian School Road. This action aims to provide west Phoenix with its fair share of transit and development opportunities and will connect Valley Metro and west Phoenix's residents, businesses, and neighborhoods.

"We've seen it again and again – when light rail expands, communities benefit with better access to jobs, education, housing, and more parts of our city," Mayor Gallego said. "Last night, the City Council and I voted to keep the dream alive and connect light rail to the West Valley. Light rail expansion has been, and will continue to be, a key priority for me."

The City of Phoenix and Valley Metro have been working to extend light rail to our state's Capitol and west down the middle of Interstate 10. However, the Arizona State Legislature has specific legal authority to block stations within a certain part of the state Capitol Mall, via legislation previously signed by then-Governor Ducey.

The new path will serve Maryvale, as well as the Encanto and Alhambra villages. It will allow residents to more easily access jobs, education, entertainment, and a host of other amenities across the Valley. Equally important, it will provide a whole new opportunity to showcase Maryvale's community spirit, culture, and warmth.

### **Message from Councilwoman Ann O'Brien**

I was honored to take part in Phoenix's MLK March honoring Dr. Martin Luther King Jr. The annual event reminds us that, as Dr. King said, "The time is always right to do right." Some of you may not be aware that in July 1984 the City Council unanimously approved an MLK holiday and in 1985, Phoenix became the first Arizona city to host an MLK prayer breakfast, march and festival. Following Monday's march, I attended the festival at Hance Park, which featured local vendors, community groups, and much laughter and fellowship. As I told the crowd, progress doesn't always announce itself loudly. Sometimes it sounds like conversation. Sometimes it looks like people who didn't know each other an hour ago sharing purpose. Dr. King reminded us that lasting change is shaped by ordinary people making intentional choices.

If you know an outstanding young person, please consider nominating them for special recognition. The Outstanding Phoenix Youth Leader of The Year award honors students in 9-12 grade who've made positive contributions to their communities. The City holds a special event to honor the winners, along with the teachers or mentors who inspired them the most. Council district winners will receive \$1,000 each, and two overall winners will earn an additional \$2,000! [Applications must be received by March 1](#), and applicants need to be available for in-person interviews on Saturday, April 11. It's a wonderful way to celebrate the amazing young people who call Phoenix home! We have a large library of board games available for anyone to check out and play in the store, whether you're brand new to tabletop games or have been playing for years. We're always happy to help people find something that fits their interests and comfort level.

We also host **Learn 2 Play Fest** on the **First Saturday of each month**, with the next few being on **February 7 and March 7, and April 4**. These are open community days where anyone can drop in and **learn how to play new games** with guidance from staff and our volunteer game Ambassadors. This event is designed to be **approachable, social, and beginner friendly**.

Another big part of what we do is our **Ambassador Program**. If there are community members who enjoy teaching games or hosting regular meetups, we **actively support them**. We help provide space, structure, and promotion, and we focus on nurturing the community that grows around those games or recurring events.

We also offer **quiet workspace, free Wi-Fi, and food and drink service after 3 PM** at Forks & Boards, which makes the space flexible for many different needs.

## PRESENTATION:

HOMELESS SOLUTIONS UPDATES  
with OHS Deputy Director Scott Hall and  
Jackie Breidt

Candice introduced Jackie, who works in our area as a Homeless Liaison and the Deputy Director, Scott Hall. They oversee Shelters, Outreach, Phx C.A.R.E.S. and the homeless property storage. After many attempts to help homeless individuals, the refusals are tracked

and they are eventually held in accountability. They impound abandoned property for 45 days and if no one claims it, it is disposed of. It is rarely claimed. There are 40,000 unsheltered. Homelessness is a symptom of many issues; addiction, mental health, physical disabilities and job loss are some of them. Children and families are the ultimate priority for help. They now have several shelters that house pets and there is a senior shelter for those with dementia.

Laura handed out Homeless Help Kits to everyone in attendance. It includes a clear garbage bag, mylar rescue blanket, hot-hands packets, and Narcan.

### BLIGHT AND ZONING LAWS

**STRUCTURES:** The maintenance of a home is the responsibility of the property owner. Any wood, siding, shingles, roof covering, railings, fences, walls, ceilings, porches, doors, windows, screens, and other exterior parts of any structure on the property must be maintained in weather tight, sound condition and in good repair. The property owner is responsible for making sure there are no doors or windows left open and not secure to the outside. *FOR HELP call the Preservation Division of the Neighborhood Services Dept. at 602-495-0700 to see if you qualify for a free Grant!*

**OUTDOOR STORAGE:** All outside storage that can be seen from the street should be inside sheds or cabinets. Items should not be set in car ports in view of the street. Please use enclosed areas or backyards.

**JUNK, TRASH & DEBRIS:** Junk, trash and debris cannot be left in the yard or car port and must be properly disposed of. This includes junk auto parts, appliances, furniture, building and/or landscaping material, trash such as discarded papers, cardboard, plastics, etc. including tree trimmings and fallen limbs or any other items that appear to have been discarded. The only exception is during the dates you can request four times a year for Bulk Trash pickup.

**PARKING:** Parking is only permitted for passenger cars and motorcycles on residential streets, on driveways or in garages. A driveway or parking area must be constructed with an approved dust-free parking surface. The stone must be 1/4 -3/4 in size with a permanent border holding it in. 1/4 minus size stone is not allowed for parking. There are limits to the amount of front yard area that can be used for parking. Only 50% of the front yard may be converted to driveway or dust free parking.

**GRASS AND WEEDS:** Grass and weeds must not be allowed to grow over 6 inches high due to fire hazard, allowing the weeds to go to seed and spreading throughout the neighborhood and insect infestation.

**ELIMINATE GRAFFITI:** Keeping the neighborhood graffiti free is something we can all do. If there is graffiti on your property, please remove it as soon as possible. The Graffiti Busters Program provides paint, supplies and training to assist groups with eliminating graffiti. The City will also remove the graffiti from private property with written permission from the property owner. Call 602-495-7014.

### ABANDONED SHOPPING CART RETRIEVAL PROGRAM

The City of Phoenix Abandoned Shopping Cart Retrieval Program strives to remove empty, abandoned shopping carts found off-premises city-wide, from public right of way, sidewalks, and City streets within 2 business days of the complaint.

To report an empty and abandoned shopping cart, not on private property, you may call 602-534-4444, email [shopping.carts.nsd@phoenix.gov](mailto:shopping.carts.nsd@phoenix.gov), or go online at [myPHX311](http://myPHX311).

To report a filled shopping cart, submit a report through PHX C.A.R.E.S.

Neighborhood College is a one-of-a-kind collaboration of workshops and hands-on learning experiences brought to you by multiple city departments. The intent of the program is to provide each participant with knowledge about the city's programs, services and resources; the tools to access those resources; and the skills and ideas with which to build positive, sustainable communities. Everyone is welcome! Regardless of whether you're a seasoned community leader or a new resident just looking to get to know your new home better, Neighborhood College is flexible enough to meet the needs of all Phoenix residents! We hope to see you at one of our many free workshops – and encourage your neighbors to do the same. **To sign up, call us at 602-534-4444. Online registration:** We've partnered with the Parks and Recreation Department to use their online enrollment process. You will be taken to "Parks and Recreation Online" where you will need to sign up for a free account. This is a one-time process that will only take a few moments. You will then be able to use the site in the future to sign up for any additional workshops.

## BLOCK WATCH IMPROVES THE QUALITY OF LIFE WITHIN NEIGHBORHOODS

Block Watches come in all sizes. They can be a few houses in a cul-de-sac to a whole square mile neighborhood. They help to develop a "sense of community" and strengthen and sustain neighborhoods by bringing residents/neighbors together with a common interest.

Every Block Watch starts with one person and their concern for the safety and well-being of themselves and their families. Their motivation may be to meet or get to know their neighbors to protect the children, to keep property values up by eliminating blight and graffiti, to stop speeding on the streets by installing speed humps to protect the children, to have peace of mind by discouraging barking dogs and loud parties, and to be safe from crimes like burglary, theft, and assault.

We all want to live in a safe and secure environment. Our homes should be safe havens. By rights, there should be several layers of protection from the national level to our own neighborhoods. National and state governments provide control of our borders; state and city governments provide police and fire protection, education, and other resources; community member groups provide Phoenix Neighborhood Patrollers and posting of PNP signs on neighborhood streets; Block Watch provides neighbors watching out for neighbors; and we provide our own home security alarms, lighting, and burglary prevention measures.

## HELP STOP CRIME IN YOUR NEIGHBORHOOD BY STARTING A BLOCK WATCH GROUP ON YOUR STREET TODAY!

# CRIME TIPS:

## FAKE JOBS, REAL LOSSES

If your New Year's resolutions include finding a new job, work-from-home opportunities may sound especially appealing. While many remote positions are legitimate, some aren't what they appear to be. Business and job opportunity scams have surged since 2020. According to the [Federal Trade Commission \(FTC\)](#), reports nearly tripled, and losses soared from \$90 million to \$501 million between 2020 and 2024.

Even if you're not job hunting, chances are someone you know is. Please share this information to help protect them against [fake employer scams](#).

### HOW IT WORKS

You come across a listing on a job board, social media, or receive a text message offering a work-from-home opportunity—like processing paperwork, data entry, or clicking "like" buttons on videos or posts to boost a company's online presence.

The job often promises remote work with high pay for little to no experience.

You may be asked to pay upfront for training and specialized equipment, or you may [receive a check](#) to "cover" these expenses.

### WHAT YOU SHOULD KNOW

Criminals advertise jobs the same way real companies do, often impersonating well-known businesses or inventing fake ones. Their listing might look professional and include "testimonials" and personal success stories to make the offer seem real.

The goal of the scam could be straight-up identity theft, or it could be to steal money or to use you to launder money.

### WHAT YOU SHOULD DO

To ensure a job listing is legitimate, contact the company directly through its verified website or phone number.

Research the employer by searching the company's name alongside words like *scam*, *review*, or *complaint* to see what other people are saying.

Ask detailed questions before accepting any work-from-home offer. Clarify how and when you'll be paid and whether there are any up-front costs.

Protect your personal information. Never share personal or financial details until you know a job offer is legitimate.

## IDENTITY THEFT AWARENESS

Each year, the Federal Trade Commission (FTC) leads Identity Theft Awareness Week, a national initiative held in late January on how to avoid [identity theft](#), recover if it happens, and spot these scams before they occur.

American adults lost \$47 billion to identity fraud and scams in 2024, according to an AARP-sponsored [report](#) from Javelin Strategy & Research. The problem is huge, and our personal information can be compromised through everything from sophisticated data breaches to simple mail theft. Below are some key steps to help protect you and your loved ones.

### Reduce Your Paper Trail

Set up online access to your bank and credit card accounts and enroll in paperless billing to reduce the risk of physical theft of your personal information.

Shred sensitive documents—such as bank statements, tax forms, and medical bills—before discarding them.

Keep your Social Security card stored securely at home, and avoid leaving any personal information in your car, even if it's locked.

### Strengthen Your Security Measures

Use [strong and unique passwords](#) for each account, enable multifactor authentication whenever it's offered, avoid public Wi-Fi for sensitive transactions, and install reputable security software on your devices.

[Monitor your credit report](#) for suspicious activity and consider freezing your credit with all three major credit bureaus to help prevent criminals from opening accounts in your name.

File your tax return as early as you can—tax identity thieves who have obtained personal information often try to file first. You can go to [irs.gov](#) to request a personal identification number to associate with your return each year; IRS won't process your return without it, adding an important layer of protection.

### Protect Your Privacy

Make sure your social media accounts are set to private and avoid oversharing information such as your birthday, hometown, family members, or education history.

It's risky to enter personal information into AI programs or chat tools; chat logs are not a confidential resource.

Knowledge gives you power over scams. The [AARP Fraud Watch Network™](#) equips you with reliable, up-to-date insights and connects you to our free fraud helpline so you can better protect yourself and loved ones. We also advocate at the state, federal and local levels to enact policy changes that protect consumers and enforce laws.

### THE CITY OF PHOENIX CITYWIDE LOCKBOX PROGRAM

This program allows firefighters to gain entry to your home in case of emergency without causing any damage to your residence. This is done by utilizing a key that you provide in a secure lockbox attached to your entryway. This program not only provides free lockboxes to those vulnerable Phoenix residents, it also allows those who already have their own lockbox in place to register their lockbox code with the fire department.

Free lockboxes are donated by the Phoenix Area Association of Realtors and are distributed on a first come, first served basis to vulnerable Phoenix residents who are 55+, have special needs or mobility issues.

Your information and the code to the lockbox is provided only to firefighters in the event there is an emergency call to your home. You will need to provide the appropriate key or keys to put in the lockbox at the time of the delivery. If you have any questions about the City of Phoenix Lockbox Program or would like to be removed from the program, please email [pfd.lockbox@phoenix.gov](mailto:pfd.lockbox@phoenix.gov).

## MANDATORY REPORTING

Do you work closely with children? You are a "Mandatory Reporter" under Arizona Law.\*

*That means if a child tells you about abuse, sexual abuse, or neglect, you are required to call a law enforcement (police) agency, the Arizona Department of Child Safety (DCS) or a Tribal police or social services agency.*

Parents are mandatory reporters. So are teachers, school janitors, and medical practitioners. Read the list below – there is a good chance YOU are on it.

Here's Maricopa County Attorney Rachel Mitchell on mandatory reporting and why you must do it exactly the right way:

Who is a Mandated Reporter?

- School Personnel (even if the victim does not attend the same school)
- Medical Professionals
- Religious Leaders
- Law Enforcement
- Parent, Stepparent, Guardian
- Any other person who is responsible for the care of the minor

As a mandated reporter, you must:

- Report directly to Law Enforcement or DCS
- Report must be made immediately
- Mentioning it to your boss is not enough
- It is not up to the child's parents
- Failure to report is a crime

## SPUR CROSS RANCH CONSERVATION AREA 25<sup>TH</sup> ANNIVERSARY CELEBRATION

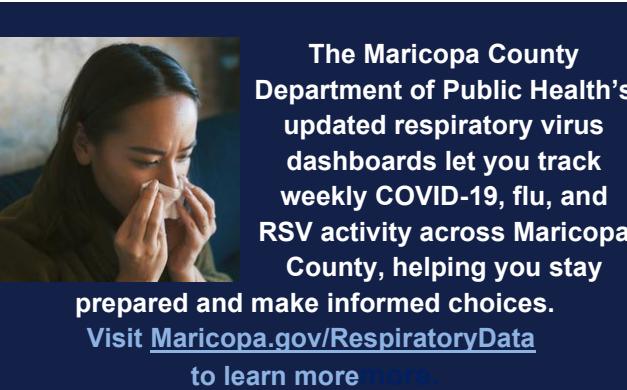

Community leaders celebrated the 25th anniversary of the Spur Cross Ranch Conservation Area this month. On January 9, 2001, a visionary partnership among the State of Arizona, Maricopa County, and the Town of Cave Creek permanently protected Spur Cross Ranch. Then-Governor Jane Hull, Supervisor Jan Brewer, and Mayor Vincent Francia signed agreements safeguarding 2,154 acres of rugged Sonoran Desert, riparian corridors, and archaeological treasures.

This collaboration ensured that Spur Cross would remain a limited-use public recreation and conservation area, protecting the flora, fauna, and ancient Hohokam petroglyphs for generations to come. Just a couple of years ago, the Desert Foothills Land Trust partnered with Maricopa County and the Town of Cave Creek to acquire and protect an additional 30 acres near the trailhead. This land was once slated for development, but thanks to this partnership, it now serves hikers and wildlife instead of a developed landscape.

Looking ahead, Spur Cross is part of a three-year Master Plan initiative by Maricopa County Parks. The project focuses on improving trails, enhancing visitor experiences, and protecting the natural resources found in our open spaces across nine regional parks, including Spur Cross.

### 2025 ANIMAL CARE & CONTROL ANNUAL REPORT

Maricopa County Animal Care & Control (MCACC) continued to grow in countless ways throughout 2025. Despite taking in 1,000 more dogs in 2025 than in 2024,

MCACC saw their average length of stay decrease and their save rate remain above 90% thanks to new initiatives and the continued support of volunteers and rescue partners. From reorganizing the structure of staff and launching a dedicated Adoption Center in Scottsdale, MCACC remained committed to continually improving service for the people and pets of Maricopa County.

## HERE WE GO AGAIN: ADOT IS NOT AFTER YOU FOR UNPAID TOLLS

Visit [azdot.gov/scams](http://azdot.gov/scams) to learn how to spot the red flags

PHOENIX – There is absolutely no chance that you owe unpaid tolls to the Arizona Department of Transportation or that ADOT would send a threatening text ordering you to pay up.

Scammers are at it again, claiming unpaid tolls by residents of a state **THAT HAS NO TOLL ROADS**.

Some Arizonans are understandably concerned about a text message claiming to be "a final notice regarding an unpaid toll violation linked to your account" or something close to that. It threatens all manner of bad things, including suspension of vehicle registration, driver license suspension, collection fees and legal proceedings.

Our advice: Just ignore these texts. And please, please do NOT follow any links in them or hand over personal or financial information.

You also can check your Motor Vehicle Division account at [azmvnow.gov](http://azmvnow.gov) to see any outstanding payments or visit an MVD office to inquire about any fees you may have. Average wait times are only 12 minutes.

If you need more information, please visit [azdot.gov/scams](http://azdot.gov/scams) for information in [English](#) and [Spanish](#) to help you identify these texts for the scams they are. And here's a link to [an ADOT podcast episode](#) in which a detective with

ADOT's Fraud Hotline discusses this scam and others like it.

## TRAFFIC OPERATIONS CENTER DISPATCHER HELPS REUNITE LOST DOG, FAMILY

Teamwork between ADOT and the Arizona Department of Public Safety reunited a lost dog with its family on New Year's Eve.

On Wednesday, Dec. 31, Traffic Operations Center supervisor Scott Stenbakken spotted a large white dog on a freeway camera. After making DPS aware so a trooper could respond to the scene at Interstate 10 and 83rd Avenue, Stenbakken checked a Facebook page for lost pets. He saw a photo of a dog named Nala, who looked awfully similar to the dog he saw on camera, and sent a message to Nala's owners.

Meanwhile a DPS trooper at the scene in Phoenix's West Valley was able to get a leash on Nala with help from a bystander and kept her from going down the ramp and onto mainline I-10.

By then, Stenbakken learned that this dog was, in fact, Nala. He notified the trooper, who called her owner and a relative was able to retrieve Nala.

This isn't the first time dispatchers at our Traffic Operations Center have [helped return a lost dog to its family](#).

"I've been monitoring the page since last year, when another dispatcher spotted a dog on a freeway that had been missing for over a month," Stenbakken said. "That's how we found that dog's owner."

Final Notice: Unpaid Toll Violation – Payment Required by January 7, 2026

This communication constitutes a final notice regarding an outstanding toll violation associated with your account. Pursuant to the provisions of the Arizona Revised Statutes, Title 28 (Transportation), failure to settle the outstanding balance by the specified deadline may result in the initiation of enforcement measures, including but not limited to the following:

While this story has a happy ending, we want to ensure safety for all – pets and people. If you see pets in travel lanes or near freeways, call 911 and don't attempt to capture the pet on your own. It's not safe to be in traffic and law enforcement and ADOT crews will respond quickly.

# 988 988 988

People experiencing a mental health crisis have a new way to reach out for help in the U.S.

They can simply call or text the numbers 9-8-8.

Modeled after 911, the new three-digit **988 Suicide & Crisis Lifeline** is designed to be a memorable and quick number that connects people who are suicidal or in any other mental health crisis to a trained mental health professional.

"If you are willing to turn to someone in your moment of crisis, 988 will be there," said Xavier Becerra, the secretary of the federal Department of Health and Human Services, at a recent press briefing. "988 won't be a busy signal, and 988 won't put you on hold. You will get help."

The primary goal of the new number is to make it easier for people to call for help. Lawmakers and mental health advocates also see this launch as an opportunity to transform the mental health care system and make care easily accessible everywhere in the United States.

### Suicide Warning Signs

These signs may mean someone is at risk for suicide. Risk is greater if a behavior is new or has increased and if it seems related to a painful event, loss, or change.

- ♦ Looking for a way to kill oneself, such as searching online or buying a gun.
- ♦ Talking about feeling hopeless or having no reason to live.
- ♦ Talking about feeling trapped or in unbearable pain.
- ♦ Talking about being a burden to others.
- ♦ Increasing the use of alcohol or drugs.
- ♦ Acting anxious or agitated; behaving recklessly.
- ♦ Sleeping too little or too much.
- ♦ Withdrawing or feeling isolated.

## DON'T GIVE TO INDIVIDUALS, GIVE TO SHELTERS

To end panhandling, we must end directly giving to people panhandling. Phoenix is full of compassionate and charitable citizens. They want to help those in need. However, giving money to people panhandling doesn't fix problems. In order to truly help those in need, stop giving money to panhandlers and instead, support organizations and services that provide long-lasting care. — Central Arizona Shelter Services — Andre House —

As we all know, graffiti is a form of blight that may decrease property values in neighborhoods and attract other forms of criminal activity if it is not promptly removed. We encourage residents to be aware of their surroundings and report any graffiti they notice or observe in progress. To report graffiti, residents can use any of these three methods:

- Go online to [phoenix.gov/myphx311](http://phoenix.gov/myphx311) or the app [myPHX311](#).
- Email [blight@phoenix.gov](mailto:blight@phoenix.gov).
- Or call 602-534-4444.

If you see graffiti in progress, please dial 911.

Not only do we encourage neighborhoods to take an active role in reporting graffiti, but we challenge them to learn how to remove graffiti and be a partner in combating it. If you and your neighbors are interested in learning how to remove graffiti in your neighborhood, please contact [Betsy.Cable@phoenix.gov](mailto:Betsy.Cable@phoenix.gov). We can coordinate a free class for your neighborhood group.
