HOLIDAY SEASON CRIME PREVENTION

Another year has gone by, and the holidays are approaching fast. The holiday season is a time for reflection, celebration, and renewal and as we do these things let us all remember the less fortunate or those having difficulties, temporary or permanent. There are many ways we can assist, from the donation of time, money, or gifts to even the small things like being courteous or polite during this hectic season. Here are some tips to have a safe holiday season.

This past year has been another active one for law enforcement and Phoenix PD in many ways. There are always too many tragic events across this country or in this community to mention but the officers of the Phoenix Police Department will continue to serve the citizens of Phoenix in a respectful and professional manner. We appreciate and are very thankful for the continued gestures and words of support that we get from everyone, it means a lot to the officers to know that they are supported in their jobs.

This time of year, also brings many events to attend, family to visit, traveling, shopping and much more. Many of you will not think of crime prevention during these festive times but a few simple reminders will help reduce the opportunities for you and your family to be a victim.

1. When walking to and from stores keep your head up and be aware of your surroundings. Walk with a purpose, do not divert your attention by texting or talking on the phone, digging for car keys, or be burdened with too many bags.
2. Park in a well-lit area, do not park in dark or faraway places. I know it is difficult to find good parking but do the best you can. If you go in during daylight hours and think you might be inside until it is dark, park as if it were dark.
3. Roll the windows on your car all the way up and LOCK your car. Do not leave valuables, packages, or even gym bags, in plain view inside the car; put them all in the trunk. Gym bags or other bags in view may not have but a few items of clothes in them but the thieves do not know that and will try anyways.
4. When parking your cars at home, get them in the garage if you can. If you must park in the driveway or street, remove all valuables, garage door openers, and lock the car. Many thieves will break into a car just to take the garage opener and then use it to take items from the garage or enter the house at a later time.
5. Do not keep large amounts of cash with you or display cash when shopping. Take with you only what you need for the day. Be on guard while at ATM's.
6. Keep a constant eye on your children and ALWAYS know where they are. Children are easily distracted by the decorations and excitement of the holidays and may wander off in only a couple seconds.
7. Do not drink and drive, please use a designated driver, call a taxi or uber. This time of the year many people have holiday functions from work or family and drink when they usually don't and make a bad decision to drive which could end up having tragic consequences. Please enjoy the season but drive responsibly and patiently.
8. Make sure the doors and windows to your home are locked, the front lights are on all night and keep a watchful eye for suspicious activity. If you are expecting deliveries and you will not be home, ask a trusted neighbor to pick them up when they arrive. Please call Crime Stop at 602-262-6151 if you see suspicious activity.
9. Please drive carefully, schools will be out on winter break and many kids will be out in the neighborhoods trying out new bikes, toys, and you need to be aware of their presence.
10. If you are going to be out of town for a winter vacation, tell a trusted neighbor to watch over your house, do not post on social media that you will

be gone and call the Black Mountain Precinct at 602-495-5002 and ask for a Vacation Watch. Officers can check on your house while you are gone if the radio calls allow them to.

11. Lastly, be patient. The crowds are larger, people are rushed and stressed. Some people do not like the holidays and can act out so please exercise patience and we all can enjoy the holidays in our own way.

DVPNBWO, BMCA & BLACK MOUNTAIN PRECINCT COMMUNITY MEETING HIGHLIGHTS with 76 in attendance at the DVCC

Meeting called to order at 6:35 pm

Black Mountain Precinct Updates

Cmdr. Christie Lt. TJ CAO Kelsie

Welcome to our NEW Commander Christine Calderon-Tanguma! Cmdr. Christie has been on the Phoenix PD for 27 years. She introduced our NEW Lt., Lt. TJ Denny and our NEW CAO Kelsie Sanborn! Welcome! The Precinct has been working on Retail Theft, and several arrests have been made. If you see crime, please report it. They have streamlined the Police Academy to help with hiring, and the numbers are up. BMP just got 6 new officers from the last class

DVCC:

Noreena said that the G.A.I.N. Fall-O-Ween Event is coming up on October 18th. There will be a Trunk or Treat, Live Entertainment, Haunted House and Train, we need donations for candy. Fall Break is coming up and registration is open. There are 24 Teams in our Volleyball League. There is a new Gaming System in the Teen Room. We were awarded four GO BOND grants for our park improvements.

CAO REPORT for Area 22 met with CAOs Jon McQuillan and Jeffrey Blair

CAO Tim left us and became an SRO. Welcome CAO Jeffrey to Area 22! They were asked about what can be done with abandoned stuff from the homeless in their complex. The PD can tag the items but not remove them. The maintenance people and residents can remove the items. In the Deer Valley Park neighborhood there were people dressed and covered in black checking car doors in the middle of the night. Please lock your car doors! Never leave anything of value visible in your vehicle because they will break the window to get it. It is a good idea to distribute dusk to dawn lighting to your neighbors. Laura reminded everyone who is doing a G.A.I.N. Event to register by September 24th and alert BMCA to get a G.A.I.N. Bag from them as well as PD and PBWAB.

PRESENTATION: PROSECUTIONS with MCAO's Northeast Valley Trial Bureau Chief Mischa Hepner

Candice introduced Mischa Hepner, who is a career prosecutor. She did a great presentation! She talked about the role of the County Attorney who is an elected official. The County Court handles felonies, and the City Courts handle misdemeanors. When an arrest is made, within 24 hours the Initial Appearance is made and within 48 hours the Charging is made. When asked why we see offenders back on the streets, it is because of IA Commissioner

Releases, Charges not filed/furthered or issues with drug possession amounts. The prosecution tools and resolutions are incarceration, probation, diversion, restitution or fines. There are about 3,700 submittals every month. The goal of S13-901.01 is to provide treatment for drug users/addicts for 1st and 2nd offenses, rehabilitation, the monitoring and support of the offender in the community and the reduction of recidivism. The acquisition of Narcotic Drugs by Fraud, Promoting Prison Contraband and Drug Sales are not covered under S13-901.01. For further information on prosecutions, contact Mischa at hepnem@mcao.maricopa.gov 602-372-6069

OCTOBER 8, 2025

DVPNBWO, BMCA & BLACK MOUNTAIN PRECINCT COMMUNITY MEETING HIGHLIGHTS with 66 in attendance at the DVCC

Meeting called to order at 6:34 pm

Black Mountain Precinct Updates

Cmdr. Christie announced the DEA Drug Take Back Event on Saturday, October 25th from 10 am – 2 pm at CVS and two Fry's locations. The next Coffee with Cops will be at 8:30 am at Biscuit's Café on Thursday, November 20th.

This will be our CAO Sgt. Linda Miller's last BMCA Meeting, as she is retiring in November. BMCA awarded her with a Wooden Blue Line Flag. Our best to Sgt. Linda always! We will soon have a new CAO Sgt.

CAO REPORT for Area 22 with CAOs Jeffrey and Jon:

There has been a lot of new activity around 19th Avenue and Union Hills Drive with the homeless and retail theft. They have been working on the wash that crosses Bell Road and 7th Avenue. There are two parcels in the wash that are privately owned that haven't been cleaned out, but they are watching them. Someone said that there are too many accidents at 19th Avenue and Union Hills Drive and at 23rd Avenue and Beardsley. They said that they hope pilot program with the cameras will expand soon to help stop the speeders and red-light runners here in our precinct. There have been several garage break-ins by breaking the windows and activating the openers in the garage. They asked us if we were doing G.A.I.N. Events this year. Several BWs announced their upcoming events.

PRESENTATION: ROUNDTABLE DISCUSSION with our new Phoenix Chief of Police Matt Giordano

Candice introduced our new Chief and walked around the room to each Block Watch Group to introduce themselves and ask questions. The Park Rangers and the Parks Code of Conduct were discussed. The Chief was told how much the Phoenix Police were appreciated by several groups. Several groups talked about their upcoming G.A.I.N. Events. Greg told the Chief about the success of the Bell Road Business Alliance. The Chief talked about his long career with the Phoenix Police Department after being hired under Prop 301 in 1993. In 2015, he served as the police liaison on the Block Watch Grant Oversight Committee and read all the grants where he learned about neighborhood block watches and their needs. He said that having our officers go out and to talk to residents credits the "Community Based Policing" as the real insight on what goes on in neighborhoods, not just the crime stats. After retiring from Phoenix PD, he worked for MCSO. The Chief talked about his family that is embedded in the valley and his hobbies, which are on hold. Stan pointed out how important our CAOs are and that we need to bring their numbers back up again. He said that he is thankful the DOJ has rescinded, but it helped us to look for more ways to improve. He is happy that he will someday end his career in the same uniform he started his career in many years ago.

I'm excited to share that construction on The Metropolitan will begin ahead of the original timeline! This is remarkable progress on what is one of the largest mall redevelopment projects in Arizona's history. The former site of Metrocenter Mall will be transformed into a mix of housing, retail and restaurants, plazas and parks, bike paths and public spaces. During a press event on Wednesday, the developer, Concord Wilshire, announced that construction is scheduled to begin for three of the five planned residential communities in April 2026 with construction on retail and the remaining two residential communities in April 2027. This much-needed housing being built by Oakwood Homes will include apartments and three types of townhomes: entry-level, mid-level and premium. The Metropolitan is setting an example for how Phoenix grows - with innovation, with connection, and with purpose! You may have noticed another iconic Phoenix building coming down. The former Fry's Electronics off I-17 at Thunderbird is being demolished to make way for our new Cactus Park Precinct. I'm thrilled that we're showing our men and women in blue how much we value them! The design phase will begin later this year with construction scheduled to begin in 2026. The precinct, expected to open in late 2027 or early 2028, will take up eight acres and we're reserving 4 acres at the site for a potential fire station in the future.

The City Council approved the acquisition for Fire Station 93 near the former Metrocenter Mall, soon to be The Metropolitan. This location will be essential in reducing response times and extreme activity levels to surrounding fire stations. It will house an all-hazards engine company and rescue company, providing search and rescue, fire suppression, emergency medical, and emergency transportation services. Design is expected to be completed next year with construction taking place 2027-28. The Department anticipates opening Fire Station 93 in 2028-29.

As part of National Preparedness Month, the City's Office of Emergency Management is hosting "Stop the Bleed" trainings. The 90-minute course teaches civilians how to recognize and respond to life-threatening bleeding until professional help arrives. No prior first aid or trauma bleeding training is needed to participate. Register by [clicking this link](#).

All my best, **Ann** Councilwoman, District 1

DON'T GIVE TO INDIVIDUALS GIVE TO SHELTERS

To end panhandling, we have to end directly giving to people panhandling. Phoenix is full of compassionate and charitable citizens. They want to help those in need. However, giving money to people panhandling doesn't fix problems. In order to truly help those in need, stop giving money to panhandlers and instead support organizations and services that provide long-lasting care. - Central Arizona Shelter Services - Andre House - Salvation Army - St. Joseph The Worker - UMOM New Day Centers - The Phoenix Rescue Mission - St. Mary's Food Bank For more organizations and information that can provide housing, or other services, please visit the Homeless Shelter Directory at:

CRIME TIPS

GIVE SAFELY IN THE SEASON OF GIVING

As the year winds down, many Americans embrace the 'Season of Giving' and contribute to causes close to their hearts. In 2024, individuals donated more than \$392 billion to charity, according to the Giving USA Foundation's annual report on U.S. philanthropy. A large share of those donations happens in the year's final months. While this outpouring of generosity supports many worthy causes, it also creates opportunities for [scammers to steal from well-meaning donors](#).

Here's how to help ensure your contributions reach the people and organizations that truly need them — not criminals.

HOW IT WORKS

You receive a phone call, email, piece of mail, or even an in-person visit from someone asking for donations to support veterans, animals, children in need, victims of natural disasters, or other charitable causes.

You might get a "thank you" message by email, letter, or phone, suggesting you've donated to a particular cause in the past.

You feel pressured to contribute on the spot.

WHAT YOU SHOULD KNOW

Charities need our support more than ever, which makes it more important than ever to ensure our donations are going toward a cause — not to line the pockets of outright fake charities or those that are not good stewards of those donations.

Legitimate charities will not request gift cards, wire transfers, or cryptocurrency as a form of payment, and while they may use pressure tactics, real charities will welcome your donation at any time.

When considering supporting [crowdfunding campaigns](#), it is safest to donate to those organized by people you know and trust.

Fake charities also surge when major crises dominate the news — such as wars, natural disasters, or humanitarian emergencies.

WHAT YOU SHOULD DO

Research before donating. Check organizations on sites such as [give.org](#), [CharityNavigator.org](#) or [CharityWatch.org](#) to confirm legitimacy and find out how much of the funds are used to serve its stated mission versus overhead and fundraising.

Pay attention to the charity's name and web address. Criminals often mimic the names of familiar, trusted organizations to deceive donors.

Be wary of links in unsolicited email, text, and social media fundraising messages. They can unleash malware on your device.

Use a credit card for donations. It's easier to keep track of your contribution, and if your card is misused, you have protection against loss.

To avoid that feeling of pressure when a solicitation comes your way, communicate that you have a set list of charities you support (and then create a list of charities you've researched!).

Knowledge gives you power over scams. The [AARP Fraud Watch Network™](#) equips you with reliable, up-to-date insights and connects you to our free fraud helpline so you can better protect yourself and loved ones. We also advocate at the state, federal and local levels to enact policy changes that protect consumers and enforce laws.

And one more thing...

AARP Fraud Watch Network™ offers free [emotional support sessions](#) for people affected by fraud. Trained peer facilitators conduct hour-long small group online sessions. Experiencing fraud can be devastating, but it doesn't have to define you.

NEED YOUR HELP!

Our **DVPNBWO TNR TASK FORCE** has trapped and fixed over 200
 Community Cats from several colonies around our neighborhood! This will
 ultimately decrease the population of feral cats! **Did you know that our
 community cats keep down the large populations of RATS, MICE AND
 PIGEONS in our neighborhood?**

Many neighbors do not know that the tip of an ear cut off means that the cat
 has been fixed or what the laws are concerning feral cats. "They are free-
 roaming animals. It is not legal to harm a cat, or abandon or dump a cat in
 someone else's neighborhood, public property, or the desert. It is a violation of
 state statute, ARS 13-2910A, Animal Cruelty, to intentionally harm any animal;
 this can be a criminal Class 1 Misdemeanor or a Class 6 Felony charge."

If you have a colony that needs TNR, our task force is willing to help you. TNR
 costs \$45 - \$90 per cat. We have spent our own funds and received some
 donations for TNRs but must ask for more donations to help cover the cost.
 Please call 480-215-2845 and leave a message and we will get back to you
 with all the information on how to donate to a TNR organization we are
 partnering with for the cats in our Deer Valley Park Neighborhood.

THANK YOU!!!

People experiencing a mental health crisis have a new way to
 reach out for help in the U.S. They can simply call or text the
 numbers 9-8-8.

Modeled after 911, the new three-digit **988 Suicide & Crisis
 Lifeline** is designed to be a memorable and quick number that
 connects people who are suicidal or in any other mental health
 crisis to a trained mental health professional.

"If you are willing to turn to someone in your moment of crisis, 988
 will be there," said Xavier Becerra, the secretary of the federal
 Department of Health and Human Services, at a recent press
 briefing. "988 won't be a busy signal, and 988 won't put you on
 hold. You will get help."

The primary goal of the new number is to make it easier for people
 to call for help. Lawmakers and mental health advocates also see
 this launch as an opportunity to transform the mental health care
 system and make care easily accessible everywhere in the United
 States. The Biden administration has invested more than \$400
 million in beefing up crisis centers and other mental health
 services to support the 988 system.

BLOCK WATCH IMPROVES THE QUALITY OF LIFE WITHIN OUR DEER VALLEY PARK NEIGHBORHOOD!

Block Watches come in all sizes. They can be a few houses in a cul-de-sac to a whole square mile neighborhood organization. They help to develop a "sense of community" and strengthen and sustain neighborhoods by bringing residents/neighbors together with a common interest.

Every Block Watch starts with one person and their concern for the safety and well-being of themselves and their families. Their motivation may be to meet or get to know their neighbors to protect the children, to keep property values up by eliminating blight and graffiti, to stop speeding on the streets by installing speed humps to protect the children, to have peace of mind by discouraging barking dogs and loud parties, and to be safe from crimes like burglary, theft and assault.

We all want to live in a safe and secure environment. Our homes should be a safe haven. By rights there should be several "Layers of Protection" around our homes starting with National and State Governments controlling our Borders, then State and City Police Departments with local precincts and City Governments that provide education and resources, then Community Member Groups providing Phoenix Neighborhood Patrollers and PNP signs posted on neighborhood streets and then a Block Watch on our own street with neighbors watching out for neighbors and then our own home security alarms and lighting from burglary prevention education.

If you are interested in starting up a Block Watch on your street please contact our Black Mountain Police Precinct Community Action Officers are Tim Tewers #8698 at 602-495-5213 or 480-506-6454 tim.tewers@phoenix.gov and Jon McQuillan #8926 at 602-495-5238 or 602-904-9985 jon.mcquillan@phoenix.gov
Come to the Black Mountain Community Alliance Meeting on the second Wednesday of each month (except July, August & November) at 6:30 pm at the Deer Valley Community Center where we hold our Deer Valley Park Neighborhood Block Watch Organization Meetings and meet with our Community Action Officer!
Meetings have been on ZOOM. Check the website for updates at www.dvpnbwo.com

Fire Prevention Public Information

Fire Department's New Fire Data Link Map

This new online data map shows all the emergency incidents dispatched in the Phoenix Fire Department service area, which is the City of Phoenix, Town of Paradise Valley and Laveen.

The map has a 30-day rolling window and has filters for the Neighborhood and Council District. Incident locations are displayed based on their Category and all incidents are

geo-coded down to the street level, so that there should not be any incidents shown on someone's home. [Launch the Map.](#)

THE CITY OF PHOENIX CITYWIDE LOCKBOX PROGRAM

This program allows firefighters to gain entry to your home in case of emergency without causing any damage to your residence. This is done by utilizing a key that you provide in a secure lockbox attached to your entryway. This program not only provides free lockboxes to those vulnerable Phoenix residents; it also allows those who already have their own lockbox in place to register their lockbox code with the fire department.

Free lockboxes are donated by the Phoenix Area Association of Realtors and are distributed on a first come, first served basis to vulnerable Phoenix residents who are 55+, have special needs or mobility issues.

Your information and the code to the lockbox is provided only to firefighters in the event there is an emergency call to your home. You will need to provide the appropriate key or keys to put in the lockbox at the time of the delivery.

If you have any questions about the City of Phoenix Lockbox Program or would like to be removed from the program, please email pdf.lockbox@phoenix.gov.

BLIGHT AND ZONING LAWS

STRUCTURES: The maintenance of a home is the responsibility of the property owner. Any wood, siding, shingles, roof covering, railings, fences, walls, ceilings, porches, doors, windows, screens, and other exterior parts of any structure on the property must be maintained in weather tight, sound condition and in good repair. The property owner is responsible for making sure there are no doors or windows left open and not secure to the outside. **FOR HELP** call the Preservation Division of the Neighborhood Services Dept. at 602-495-0700 to see if you qualify for a free Grant!

OUTDOOR STORAGE: All outside storage that can be seen from the street should be inside sheds or cabinets. Items should not be set in car ports in view of the street. Please use enclosed areas or backyards.

JUNK, TRASH & DEBRIS: Junk, trash and debris cannot be left in the yard or car port and must be properly disposed of. This includes junk auto parts, appliances, furniture, building and/or landscaping material, trash such as discarded papers, cardboard, plastics, etc. including tree trimmings and fallen limbs or any other items that appear to have been discarded. The only exception is during the Bulk Trash Collection weeks four times a year.

PARKING: Parking is only permitted for passenger cars and motorcycles on residential streets, on driveways or in garages. A driveway or parking area must be constructed with an approved dust free parking surface. The stone must be 1/4 -3/4 in size with a permanent border holding it in. 1/4 minus size stone is not allowed for parking. There are limits to the amount of front yard area that can be used for parking. Only 50% of the front yard may be converted to driveway or dust free parking.

GRASS AND WEEDS: Grass and weeds must not be allowed to grow over 6 inches high due to fire hazard, allowing the weeds to go to seed and spreading throughout the neighborhood and causing insect infestation.

ELIMINATE GRAFFITI: Keeping the neighborhood graffiti free is something we can all do. If there is graffiti on your property, please remove it as soon as possible. The Graffiti Busters Program provides paint, supplies and training to assist groups with eliminating graffiti. The City will also remove the graffiti from private property with written permission from the property owner. Call 602-495-7014.

SIGN UP FOR REVERSE 911 IN CASE OF EMERGENCY

Getting an emergency message out to those living near a catastrophe can be difficult. In Arizona, there is a reverse 911 system.

The Community Emergency Notification System helps those managing a disaster send a message to potential victims, alerting them to stay away and stay safe.

The Community Emergency Notification System is a robo-voice message alert going straight to your phone.

The system automatically dials the landlines in the area of the active scene, but with landline phones nearly extinct, you must register your cell phone if you want to get the message.

[Click here to register your phone]

<https://maricoparegion911.onthealert.com/Terms/Index/?ReturnUrl=%2f>

The system will be able to send text messages out and not only to those who are registered but also to anyone who is near a cell tower where the situation is ongoing.

VISIBLE HOUSE NUMBERS

Please take a moment to step out in front of your home and look for your address. Seriously, if you were an emergency responder is your address visible? Have bushes grown and now obscure or is there an RV parked in such a way that the house numbers are not easily seen? DO NOT rely on the painted curb because a parked vehicle can cover it up. If you have an alley, please take the time to be sure your address is visible on your fence also. Also, make sure the address numbers are visible after dark! Solar LED Spotlights work great!

DVPNBWO GRAFFITI WATCH

Our neighborhood needs help! If you would like to join our Graffiti Team to paint over the graffiti as soon as it shows up around the neighborhood, please e-mail dvpnbwo@aol.com. When you see it in and around our neighborhood, please call Laura Robins at 623-533-0847. THANKS!

IMPORTANT INFO ABOUT NEXTDOOR!

The Police can only post information and events, they cannot see any posts by you or your neighbors unless the posts are directly responding to the Police post. When you or your neighbors talk about suspicious activity, burglaries, etc. on the neighborhood list, the police cannot see it. So, you need to call the information in to CRIME STOP 602-262-6151 or to be anonymous, call SILENT WITNESS at 480-WITNESS.

Website: www.IdentityTheft.gov

Recovering from identity theft is easier with a plan. If someone has stolen your identity, or you've gotten a notice about a data breach, visit the FTC's new site at IdentityTheft.gov for help. IdentityTheft.gov is the federal government's one-stop resource to help you report and recover from identity theft. It's also available in Spanish at RobodelIdentidad.gov.

If you visit the website for the Federal Trade Commission www.ftc.gov and go to Publications (type publications in the search bar) you should be able to locate approximately 187 different FREE publications on all types of different topics. This may be a good resource for community information without the burden of paying for printing.

You can also get on the DO NOT CALL REGISTRY!

The **Do Not Call Registry** accepts registrations from both cell phones and land lines. To register by telephone, call 1-888-382-1222 (TTY: 1-866-290-4236). You must call from the phone number that you want to register. To register online (donotcall.gov), you will have to respond to a confirmation email.
