Policeman's Prayer

Lord, bless the ones who wear the badge
The ones who walk the beat,
Protect and keep them safe
While they're on the street.

As they wait and as they watch
Doing good for all,
guide their minds and
give them strength
For each and every call.

Ready to put their
lives on the line
Give them courage each day,
Let them know
you're always there
In each and every way.

So bless the ones who
wear the badge,
Protect them from harm,
Always keep them safe
And in your loving arms.

PHOENIX PD APP

The Phoenix Police Department now has a mobile app, bringing a variety of resources and information to one place. Users can use the app to access online reporting, crime statistics, precinct locations, phone numbers, career opportunities, virtual block watch, victims' rights information, and more. Users can also turn on notifications from the precinct they live in to receive news updates and information on events in their area. To watch the video released, please click here.

The App is now available both in the Apple Store for iOS and in the Google Play Store for Android.

Report graffiti on the Phoenix PD app! Graffiti can now be reported on the Police Department app released in January 2021. Studies show that if graffiti is removed within 24 hours, there is a 90% likelihood that the graffiti will not return to the same area. If you see graffiti in progress, call 911 immediately, or use the app to have it removed! Click here to watch the video on how to report graffiti through the app. #GraffitiFreePHX City of Phoenix Neighborhood Services Department.

Wear BLUE on the 6th day of each month to show support of PHOENIX POLICE OFFICERS!

We can all show it on the same day. No need to gather at one place, we will be everywhere for all Officers to see!

WHEN YOU CALL 911 - KNOW THE 10 W'S

"Call if you can. Text if you can't." was the key message rolled out during a press conference on April 2nd as text to 9-1-1 service capability becomes available for the first time in the greater Phoenix region. If you are in imminent danger and unable to talk to a 9-1-1 operator, you now have the ability to text to 9-1-1. The service goes live following months of collaboration between numerous public agencies and advocates for the disability community.

- **What** - is your location? GIVE EXACT LOCATION
- **What** - happened? WHAT TYPE OF CRIME?
- **When** - did this happen?

These questions will determine if it is a priority call. Give as much of this necessary information as you can.

- **Was** - anyone hurt?
- **Weapons** - are there weapons involved?
- **What** - manner did they leave or arrive - foot, vehicle, bicycle...?
- **Who** - did it? -Suspect description
- **Where** - did the suspect go? - What direction
- **What** - did the suspect obtain? - type and amount
- **Who** - is calling? - Give your name location and phone number (You can remain anonymous. If you do give your name, the info is redacted from the public record access.)

IT IS BACK TO SCHOOL TIME!

It is back to school time. When school starts, Community Action Officers receive multiple complaints from citizens regarding the traffic issues around schools, to include speeding and parking violations. In addition, there are calls from concerned parents about vehicles passing school busses. Let's discuss some of the common issues, so we can all have a safe school year.

Over the last several years, there has been an increase in students being dropped off by their parents, rather than walking or taking the bus. As a result, many of the schools (especially charter schools) have adopted a pick up and drop off procedure.

Did you know, that these schools, work with various City of Phoenix Departments, including Streets and the Police Department to come up with a safe and strategic traffic plan? They do traffic studies, pedestrian studies, and make observations of the area to determine how to keep our children safe and reduce the number of accidents as well.

Most schools have a designated drop-off and pick-up area. These are designed to control the flow of traffic and offer a safe place for children to exit vehicles, to get to school. Parents and children alike should follow these regulations for their safety. Please do not have your child meet you down the street from the school because you are in a hurry and don't like waiting in the line. Some parents like to stop across the street to drop their children off, when in reality, this causes more of a hazard. Children must cross the street and navigate the traffic, often when there is not a crossing guard present.

In fact, **ARS 28-901B** says: In receiving or discharging children at a school, a person who drives a vehicle carrying children to and from school shall stop the vehicle on the side of the highway on which the school is located.

Often times the traffic congestion makes it difficult for people to move about in their own neighborhood. In some areas, it has become such an issue that the City, as well as neighborhoods, have opted to put up traffic signs such as NO PARKING, and even NO STOPPING or STANDING during certain hours. Even if a car stops in some of those areas, briefly, to pick up a child, they may get a parking ticket! Again these regulations are in place to keep our children and citizens safe.

Let's not forget when school is in session, we must obey the school zone speed limits and other school signs. If someone is caught speeding in a school zone, a ticket comes with hefty fines, not to mention points on your driving record. Please pay attention to flashing school signs, as well as the portable ones, as they are valid traffic signals.

Under **ARS 28-701.02A1**, if a motorist exceeds 35 miles per hour in a school zone, the violation becomes a misdemeanor offense rather than a civil traffic violation. To report any concerns you have about speeding, please contact the speeding hotline at **602-534-SPEED**. Also, keep in mind that many schools have

crossing guards as well that hold a stop sign. Motorists must stop for them when they are assisting children across the street.

Lastly, we all need to look out for the school busses. When a school bus stops to pick up children, it is unlawful to pass them, when the lights are flashing, AND the stop sign is out according to **ARS 28-857A1**. This goes for the traffic driving in the opposite direction as well, unless there is a physical median present. (Vegetation, concrete or raised median, for example.) Again, a ticket for this offense is quite pricey!

The bottom line is, our children are our future. We all should take the time to slow down, and pay attention to what is around us, so that our children can safely get to school, and the adults can avoid paying fines. Have a fun and safe school year!

CITYWIDE PHOENIX NEIGHBORHOOD PATROL

Detective Brian Kornegay

Monthly Citywide PNP Meetings

We will continue to meet on the 3rd Tuesday of the month from 6pm to 8pm in 2022. The City still has restrictions on us hosting in-person meetings and classes, so we will continue to meet virtually but when those restrictions change, we will set up in-person meetings. I will send an email later with the link to the online meeting.

PNP Basic classes

Below is the class schedule for 2022. Please share with anyone you know who might be interested. Anyone wishing to attend must register at pnp.coordinator@phoenix.gov to receive the login information and other needed documents. So far, we have only scheduled online classes for 2022. The City still has restrictions on us hosting in-person meetings and classes, when that changes, we will get in-person classes set up and post those.

• 2022 Online PNP Class schedule

- Online classes so far are on Wednesday and Thursday nights 5pm to 7pm, both nights are required. We are unable to offer interpretation on this platform.
- **September 21 & 22**
- **November 16 & 17**

Mileage Reimbursement Rate Change for 2022

The IRS has announced that the mileage reimbursement rate will change effective January 1, 2022 to 58.5 cents a mile. All PNP patrols prior to January 1, 2022 will still be reimbursed at the IRS rate at the time of the patrol, for all of 2021 it was 56 cents a mile.

Remember the PNP mileage reimbursement is only available to groups that successfully applied for mileage reimbursement funds in a BW grant for their neighborhood and are subject to the NBWGP guidelines and requirements.

PNP merchandise order forms and cost updates:

As you are writing your grants, you might be budgeting for PNP equipment, like clothing, street signs and/or vehicle signs and are curious about expected prices for 2022. If any of you have bought groceries or filled up your gas tank you know there has been an increase in the cost of just about everything recently. The updated order forms are now online at www.phoenix.gov

Message from Councilwoman Ann O'Brien

Normally, you're used to seeing our newsletters in your inboxes on Thursday, but I just couldn't wait to share this news with you all! I just heard the Bureau of Reclamation will start their public notice process for their new policies limiting camping and open fires along the canal system! Starting August 1st, you will start seeing signs pop up along the canal informing residents of the change in policy. The policy will go into effect on September 1st. Thank you to all those who called my office and trusted that I would get something done. I'm here for you guys!

July is almost over, and we're a little more than a month away from our first Council Meeting of the new Council Session. Already, my staff has been holding meetings and developing our office's plans for the next year. As I teased last week, my Policy Advisor, Greg Whitney, has been sitting down with various staff departments and the County Attorney's Office to discuss how we can more effectively handle the crime happening within our neighborhoods and communities. Already, the 27th Ave Crime Prevention Corridor is getting prepped to be implemented and discussions have started about creating a 19th Ave Crime Prevention Corridor.

I'm committed to working with our Police and Prosecutors to clean up our streets and neighborhoods. My staff has also been holding meetings with the Parks Department to discuss their current Park Rules and what we can do to amend them to help us clean up our parks like Cortez and Deer Valley which are starting to see a large influx of encampments and transient individuals. Additionally, my staff has sat down with Community Medical Services to discuss the importance of being good partners within our community and how we can collaborate to ensure a positive outcome for the entire community

All my best, **Ann** Councilwoman, District 1

Upcoming City Council Meetings

BLACK MOUNTAIN COMMUNITY ALLIANCE MEETS WITH DEPARTMENT OF JUSTICE REGARDING POLICING MATTERS

By Frosty Kroening

Aurora signed everyone in

Candice

Mo Johnston, Nancy Glass & Alyssa Wright from the DOJ

Tasty treats!

In August, 2021, the U. S. Department of Justice became involved in reviewing the actions of the Phoenix Police Department after the Black Lives Matter demonstration violence and police response. Covid held up implementation of the review. Now the investigations are speeding up.

The five "patterns of practice" issues being reviewed are: Does the Phoenix Police Department

- 1) use excessive force, including deadly force,
- 2) engage in discriminatory policing practices,
- 3) retaliate against individuals engaged in protests or demonstrations,
- 4) react inappropriately to behavioral health crises or those in crisis, and
- 5) does the Department violate the rights of homeless people by unlawfully seizing and disposing of their belongings.

Each one of these questions will be researched and findings presented to the City Council, Police Department, and the public. In other cities investigations have taken years to complete. Interviews now are taking place via zoom and in person. Investigators from Washington, D.C. are in Phoenix only once a month for several days.

A list of sub-contractors for the investigation was given to attendees of the meeting. 40 interviews, including 14 panel interviews have taken place. Staff have done police ride-alongs and been present at police trainings. Outside counsel has been hired and an electronic discovery tool is being used to examine the 1,051,848 pages of documents supplied by the City thus far. Our City taxes are being used to pay for some of these expenses. Law enforcement reports (data) are examined to help find answers to the five questions. Mo Johnston, Nancy Glass, and Alyssa Wright were the three attorneys who represented the Department of Justice.

People from the audience talked primarily about how the rights of citizens to go about daily lives are being violated by homeless people. They felt that law enforcement should be protecting them too. Health-threatening trash and bodily wastes are being left in parks, alleyways, businesses and private yards. Police do not have enough staff to find and book shoplifters and people who rob from homeowners. People are worried about threatening actions by homeless people. People "who choose to live unsheltered" often have a blatant disregard for any sort of order. This sentiment was echoed throughout the meeting.

Also mentioned was protection for peaceful demonstrators. Allegedly people from other states come and cause destruction of property and may be setting the example of lawlessness. Who might be hiring troublemakers? Are they being prosecuted? Citizens felt that backups in local courts have hampered the police. Law-breakers are back out on the streets awaiting trials which may not take place for two or more years.

Much support for policing in north Phoenix was heard. Participants thanked Darren Viner (Commander, Black Mountain Precinct) and Brian Issitt (Commander, Desert Horizon Precinct) for being proactive in community policing and showing up quickly for dangerous incidents. Citizens did not want the Department of Justice to interrupt the good work done by the Police in Phoenix. Phoenix staff and legal team members were present to hear what citizens had to say.

Mo Johnston stressed that the report given to the City will be written based on facts they corroborate with real people and data investigations. Citizens are invited to email the Department of Justice at phoenix.community@doj.gov with concerns about the Phoenix Police Department. Everyone felt police have too many jobs to do and we need to find answers to larger social challenges.

PNP ALERT

I'm with Desert Wind Block Watch/PNP at 53rd St/Lone Mtn.

We have a gated community and early Monday morning (July 18th) between 1:30-4am someone cut the power line to the circuit breaker box (for the gates) and then took circuit breakers out of the box. They also cut the power lines in a nearby water valve box that controls plant watering in a common area.

A police report was filed. I wanted to let you know as there may be other gated communities you work with that may want to know about this.

Don't know if there's a market for breakers or if someone was having cheap thrills.... I don't think the HOA had a lock on the breaker box- they do now.

If there's a better way to disseminate this info- please let me know.

Thank you!

BLIGHT AND ZONING LAWS

STRUCTURES: The maintenance of a home is the responsibility of the property owner. Any wood, siding, shingles, roof covering, railings, fences, walls, ceilings, porches, doors, windows, screens and other exterior parts of any structure on the property must be maintained in weather tight, sound condition and in good repair. The property owner is responsible for making sure there are no doors or windows left open and not secure to the outside. *FOR HELP call the Preservation Division of the Neighborhood Services Dept. at 602-495-0700 to see if you qualify for a free Grant!*

OUTDOOR STORAGE: All outside storage that can be seen from the street should be inside sheds or cabinets. Items should not be set in car ports in view of the street. Please use enclosed areas or backyards.

JUNK, TRASH & DEBRIS: Junk, trash and debris cannot be left in the yard or car port and must be properly disposed of. This includes junk auto parts, appliances, furniture, building and/or landscaping material, trash such as discarded papers, cardboard, plastics, etc. including tree trimmings and fallen limbs or any other items that appear to have been discarded. The only exception is during the Bulk Trash Collection weeks four times a year.

PARKING: Parking is only permitted for passenger cars and motorcycles on residential streets, on driveways or in garages. A driveway or parking area must be constructed with an approved dust free parking surface. The stone must be 1/4 - 3/4 in size with a permanent border holding it in. 1/4 minus size stone is not allowed for parking. There are limits to the amount of front yard area that can be used for parking. Only 35% of the front yard may be converted to driveway or dust free parking.

GRASS AND WEEDS: Grass and weeds must not be allowed to grow over 6 inches high due to fire hazard, allowing the weeds to go to seed and spreading throughout the neighborhood and insect infestation.

ELIMINATE GRAFFITI: Keeping the neighborhood graffiti free is something we can all do. If there is graffiti on your property, please remove it as soon as possible. The Graffiti Busters Program provides paint, supplies and training to assist groups with eliminating graffiti. The City will also remove the graffiti from private property with written permission from the property owner. Call 602-495-7014.

TOOL LENDING PROGRAM

Did you know the Neighborhood Services Department has a tool lending program? Yes, the Neighborhood Services Department (NSD) has a Tool Lending Program. Neighborhood groups and Community Cleanup organizations listed with NSD may borrow supplies and tools for neighborhood cleanups. Additionally, the Graffiti Busters Program offers paint for graffiti removal.

Neighborhood College is a one-of-a-kind collaboration of workshops and hands-on learning experiences brought to you by multiple city departments. The intent of the program is to provide each participant with knowledge about the city's programs, services and resources; the tools to access those resources; and the skills and ideas with which to build positive, sustainable communities. Everyone is welcome! Regardless of whether you're a seasoned community leader or a new resident just looking to get to know your new home better, Neighborhood College is flexible enough to meet the needs of all Phoenix residents! We hope to see you at one of our many free workshops – and encourage your neighbors to do the same. **To sign up, call us at 602-534-4444. Online registration:** We've partnered with the Parks and Recreation Department to use their online enrollment process. You will be taken to "Parks and Recreation Online" where you will need to sign up for a free account. This is a one-time process that will only take a few moments. You will then be able to use the site in the future to sign up for any additional workshops.

***** VOLUNTEER OPPORTUNITY *****

The City of Phoenix's Gated Alley Program is a relatively new approach to deter unwanted activities in communities through the installation of gates in alleys. The goal of the program is to improve security, deter illegal dumping, decrease criminal activity, traffic, and other undesirable activities in your alley. This program is free to community members and requires a completed application, a petition with 50% plus 1 signatures of owners along both sides of the alley segment, and a sketch of the proposed areas to be gated. Availability is on a first come first serve basis.

We are recruiting volunteers to assist residents requesting alley gates with the process of obtaining signatures from residents living along the alley. Volunteers will work alongside neighborhood leaders and will also provide informational materials to residents. There may be instances where further research is needed to establish ownership of a property. This research would be conducted as a follow-up to the signature collection process. Training will be provided to interested volunteers.

*High school students under the age of 18 must be accompanied by a BBV Leader, neighborhood leader, or someone from the Neighborhood Services Department.

If you are interested in this volunteer opportunity or have additional questions, please reach out to Ashley Henderson at ashley.henderson@phoenix.gov.

BLOCK WATCH IMPROVES THE QUALITY OF LIFE WITHIN NEIGHBORHOODS

Block Watches come in all sizes. They can be a few houses in a cul-de-sac to a whole square mile neighborhood. They help to develop a "sense of community" and strengthen and sustain neighborhoods by bringing residents/neighbors together with a common interest.

Every Block Watch starts with one person and their concern for the safety and well-being of themselves and their families. Their motivation may be to meet or get to know their neighbors to protect the children, to keep property values up by eliminating blight and graffiti, to stop speeding on the streets by installing speed humps to protect the children, to have peace of mind by discouraging barking dogs and loud parties, and to be safe from crimes like burglary, theft and assault.

We all want to live in a safe and secure environment. Our homes should be safe havens. By rights there should be several layers of protection from the national level to our own neighborhoods. National and state governments provide control of our borders; state and city governments provide police and fire protection, education, and other resources, community member groups provide Phoenix Neighborhood Patrollers and the posting of PNP signs on neighborhood streets; Block Watch provides neighbors watching out for neighbors; and we provide our own home security alarms, lighting and burglary prevention measures.

HELP STOP CRIME IN YOUR NEIGHBORHOOD BY STARTING A BLOCK WATCH GROUP ON YOUR STREET TODAY!

Distribute this announcement to invite people to the Block Watch Meeting:

You're Invited to an Important Meeting!

If you are as interested as I am about maintaining and improving the quality of life on our street and in our neighborhood, please attend an important meeting to be held:

Opioid Epidemic

In the late 1990s, the increase in prescriptions of opioid medication in the U.S. led to widespread misuse of both prescription and non-prescription opioids. Since then, the rate of overdose deaths involving prescription opioids has increase 5-fold. The best way to help combat this epidemic is through awareness and education. Help keep your family safe by learning and talking about the dangers and warning signs of opioid misuse.

What are opioids?

- An opioid is any substance, natural or synthetic, that attaches to proteins called opioid receptors which reside on nerve cells in the brain, spinal cord, gut, and other parts of the body. When this happens, opioids block pain signals sent from the body through the spinal cord to the brain.
- Opioids also affect a person's reward system which can make them feel euphoric or high, making them highly addictive.
- Long-term use of opioids can increase dependency and risk of respiratory depression, the slowing or stopping of breathing.
- There are a large variety of opioids including:
 - Codeine.
 - Percocet.
 - Hydrocodone.
 - Oxycodone.
 - Oxymorphone.
 - Morphine.
 - Heroin, an illegal and highly addictive form of opioid with no medical use.
 - Fentanyl, an illegal, synthetic opioid 50 to 100 times stronger than morphine.

National Statistics

Opioids

130 Americans die everyday from an opioid overdose, accounting for two thirds of all overdoses ^[1]

10.3 million people misused prescription opioids in 2018. ^[2]

Only one naloxone prescription is written for every 69 high dose opioid prescriptions ^[3]

59.2 people out of 100 were prescribed opioids in Maricopa County in 2017. ^[4]

Overdoses

From 1999 to 2017 more than 770,000 Americans have died from drug overdose ^[5]

Children of addicts are 8 times more likely to develop an addiction themselves ^[7]

In 2018, there were 68,000 overdoses in the U.S, a decrease from 72,000 in 2017. ^[8]

808,000 people used heroin in 2018 ^[9] about 80% of people who use heroin first misuse prescription opioids ^[10]

Addiction is a disease with adolescent origins: 90% of people who have an addiction started to smoke cigarettes and use drugs before they were 18 years old. ¹¹

One Pill Can Kill

Fentanyl is present and impacting communities across Arizona. Fentanyl is a synthetic opioid prescribed to reduce extreme pain and is 100 times stronger than morphine. Just a small amount, as small as 2 milligrams, can be lethal. Young people are overdosing and dying from counterfeit pills laced with fentanyl that they bought on their phones through social media sites. Learn how to [keep your child safe online](#) and talk to them about the [dangers of fentanyl](#)

Warning Signs

- Taking more opioids than prescribed.
- Taking high daily doses of prescription opioids.
- Uncontrollable cravings and weight fluctuations.
- Drowsiness and changes in sleep habits and hygiene.
- Isolation from family or friends.
- Financial difficulties.

Prevention Tips

- Talk to your doctor.
 - Discuss other ways to manage pain that do not involve opioids.
 - Ask them to let you know if you are ever prescribed medication with opioids.
 - If you're prescribed an opioid, use the lowest possible dose in the smallest quantity.
- Keep prescription opioids in a secure place and out of reach of others, especially children.
- Keep track of how many pills you have and make note of any missing medication.
- Talk to your family about the dangers of misusing prescription medication.
- Teach your family to only take medicines given to them by you or a trusted adult. Remind them to never take anyone else's medicine.

Safely dispose of unused medication by taking it to an RX drop-off location. Find a list of locations here: azdhs.gov/qis/rx-drop-off-locations/index.php

Home Escape Plans

Anytime is a great time to create and practice your home escape plan. This plan should include a map of your home showing all the doors and windows. You need to know at least two ways out of your house in case your normal escape route is blocked. You need to have an outside meeting place that's a safe distance from the house where everyone will meet so you can make sure everyone got out of the house safely. Finally...practice, practice, practice. You need to practice your evacuation at least twice a year. Please call Fire Prevention at 602-262-6771 for assistance in creating a Home Escape Plan. Here are some more tips on Home Escape Plans: [Home Escape Plans](#)

Carbon Monoxide Safety

Carbon monoxide (CO) is a colorless and an odorless gas that can make a person feel sick and can be deadly. In the home, heating and cooking devices that burn fuel can be sources of carbon monoxide. The Phoenix Fire Code requires CO Detectors in homes with fuel-burning appliances or with attached garages. Click on the link below to learn about CO safety and feel free to call Fire Prevention at 602-262-6771 with any questions about CO Detectors. [Carbon monoxide Safety Tips](#)

Aerial Luminaries

Aerial Luminaries, also known as Sky Lanterns or Chinese Lanterns, are not only dangerous but are illegal to use in the City of Phoenix. Once these lanterns are airborne, there is no way to control their direction or where they land. They can easily ignite a fire if they land on buildings or brush. There have even been instances where these luminaries landed on children and caused severe burns. Please click on the link below to learn more about the dangers of these lanterns: [Aerial Luminaries](#)

Summertime is a great time to update to the REAL ID

1.7 millions Arizonans already have the Arizona Travel ID

PHOENIX – Summer is here and the holiday weekend is over, you might want to take the time to update your driver license or ID card to the Arizona Travel ID. The deadline of May 3, 2023 is not that far away. Take the time during summer break and avoid the last minute rush that will be here before you know it. The Arizona Travel ID is a driver license or ID card, as well as a federally-compliant credential, that can be used for gaining clearance at federal TSA airport checkpoints and other restricted federally secured facilities.

What does this mean for Arizonans?

Beginning May 3, 2023, the federal REAL ID Act will require anyone passing through TSA checkpoints at airports for domestic flights to use a credential, such as the Arizona Travel ID or a passport, that requires more documentation than a standard driver license.

Are Travel IDs still available?

Yes. To get your Travel ID, set up an appointment at AZMVDNow.gov. Travel ID applicants must show proof of their identity, proof of Arizona residency and provide their Social Security Number. For a full list of credentials and documents that meet these requirements, visit azdot.gov/TravelID.

How is the Travel ID different?

Arizona is one of 37 states offering residents a choice in their driver license credential: the federally-compliant Travel ID or the non-Travel ID Arizona driver license, which is not federally-compliant and will not allow an individual to pass through TSA after May 3, 2023. Arizona law requires that MVD provide customers with this choice.

For more information about Travel ID, visit azdot.gov/TravelID.

Number of AZ MVD Now accounts now exceeds 3 million

Online MVD portal offers customers security, speed and ease

More than 3 million Arizonans have discovered the safest, fastest and most convenient way to complete services with the Arizona Department of Transportation Motor Vehicle Division.

Since launching in April 2020, more than 3 million Arizonans have activated their free AZMVDNow.gov account, giving them access to the primary online portal for MVD customers.

“Advances in technology continue to provide conveniences and AZMVDNow.gov does that and so much more.” MVD Director Eric Jorgensen said. “With the AZ MVD Now portal, MVD offers more web-based services than ever before with more levels of security and that’s a big win for Arizonans.”

Here are some of the things you can do with your AZ MVD Now account:

- View information related to your vehicle, including title status, registration status, and MVD service history.
- Complete more than 30 services, like registration renewals, ordering a duplicate license, change of address, update insurance, title transfers, sold notices and more.
- Schedule your own in-office Travel ID appointment, and beat the May 3, 2023 deadline.

Every Arizonan with a credential – a driver license or identification card – or a vehicle registered in Arizona has an AZ MVD Now account. To activate the account, go to AZMVDNow.gov and follow the prompts. AZ MVD Now accounts are free and protected by several security protocols that are explained on the site and in an accompanying “how to” video.

Sunset Point Rest Area to receive upgrades to water system, facilities

Rest area will be closed to public but remain open to commercial truckers

PHOENIX – Beginning Monday, July 11, the Arizona Department of Transportation will renovate and upgrade facilities at the Sunset Point Rest Area along Interstate 17 at milepost 252 north of Phoenix. The rest area will be closed to travelers for several months while the improvement project is underway.

The project will upgrade the water and septic systems as well as the restrooms and vending areas. An improved, renovated rest area with reconstructed bathrooms, sewers and waterline facilities will be in place by next spring. The improvements will also make the rest area more accessible for persons with disabilities.

During the closure, commercial truck drivers will be allowed to continue using Sunset Point to park their vehicles and get some rest. Although facilities will be limited, portable restrooms and handwashing stations will be provided for commercial drivers to use. All other drivers are encouraged to use facilities in other areas, including Black Canyon City, which is about 10 miles south of the rest area, and Cordes Junction, which is 10 miles to the north. Drivers should be aware that there are no facilities at the Badger Springs and Bumble Bee exits on I-17.

Other improvements to be made to the Sunset Point Rest Area include renovation of covered ramadas and upgrading sidewalks, lighting and signage. Crews also will work to renovate a sundial memorial honoring ADOT highway workers who have died in the line of duty. Truck parking will also be expanded at the rest area. The \$7.5 million project is expected to be completed by spring 2023.

For more information, visit azdot.gov/Sunset-Point-Rehabilitation. Schedules are subject to change based on weather and other unforeseen factors. For more information, please call the ADOT Bilingual Project Information Line at 855.712.8530 or go to azdot.gov/contact and select **Projects** from the drop-down menu. For real-time highway conditions statewide, visit ADOT’s Traveler Information Site at www.az511.gov. Need to know where a milepost is? Click on the “Mile Markers” icon on the map at www.az511.com. Follow ADOT on Twitter ([@ArizonaDOT](https://twitter.com/ArizonaDOT)) or call 511, except while driving.

CRIME TIPS:

FIVE-STAR TRAVEL DEAL? OR NO-STAR TRAVEL SCAM?

The summer is here, and travel season along with it. Just as you can find some great travel deals online, you can also find scammers looking to put your travel dollars into their pockets.

HOW IT WORKS:

You stumble onto a travel booking site that offers exclusive vacation deals, often for far below market value.

You find a posting for a luxurious vacation rental listing at a lower-than-expected price.

Your rental car search lands you on what appears to be the jackpot — a site offering great prices on hard-to-find rental cars.

You're using a popular vacation rental app, and the host asks you to pay upfront and through a means that is off the platform.

WHAT YOU SHOULD KNOW:

Scammers create bogus travel sites that often appear high up in search rankings (because they buy paid promotion) — the sites often even use the same language, colors and logos from legitimate sites.

Criminals create fake vacation rental listings that are often stolen from real listings and then altered — an unusually low price could be a sign that it's not legitimate.

Shady rental car sites may appear like those of real companies, but the deals are fake — the thieves who set them up will simply take your money and then disappear.

A host that asks you to pay for your rental home outside of the app is most likely a scammer.

WHAT YOU SHOULD DO:

Be skeptical of any pitch that offers steep discounts on travel and accommodations.

Vet travel reservation sites before you book. Conduct a web search on the company name (along with the word "scam" or "complaint" or "review") in search of other people's experiences.

Pay for travel reservations and bookings with a credit card, which offers greater protections than other forms of payment.

When renting a car online, type in the web address versus using a search engine to reduce the chance of accidentally landing on a look-a-like site.

When using a vacation rental app, be suspicious if the host wants you to pay off-platform. For example, Airbnb only allows this for certain fees (e.g., local taxes), and Vrbo states that payments outside its checkout form are not eligible for its "Book With Confidence" guarantee.

AMERICA'S FAVORITE GIFT? OR A CRIMINAL'S BEST SHOT AT STEALING MONEY?

We Americans love our gift cards. We love getting them, and we love giving them. But criminals love them, too — as a way to steal money from unsuspecting targets to the tune of millions of dollars every year.

The AARP Fraud Watch Network recently conducted a survey to gain insight in determining people's experience with gift card payment scams. Here are some findings that give us all cause for concern:

More than one third of US adults say that they or someone they know have been approached to pay for something — a service, a fee, to fix a problem, or to help a loved one in a bind — using a gift card.

Of those who were targeted, nearly one quarter followed through and purchased gift cards in response to the request, believing they were taking care of some financial situation.

Legitimate businesses or government agencies will never ask for you to handle a financial situation by purchasing gift cards and sharing the numbers off the back. In 100% of cases, this is a criminal who is lying to you. Here are red flags that you are being confronted with this crime:

Red flag #1: Someone tries to convince you that you owe some debt or other obligation, or that a family member needs urgent help, and the quickest way to address the situation is to purchase gift cards and share the numbers off the back.

Red flag #2: The situation you face has put you in a heightened emotional state (a key tool in scams) — often fear or excitement — and you feel pressured to act quickly.

Red flag #3: You approach a store cashier to purchase the cards, and they warn that you may be experiencing a scam. (Trust that they are trying to help you.)

If you are confronted by someone directing you to buy gift cards to pay for some obligation, it is a scam — full stop. Disengage immediately and report it to the Federal Trade Commission at reportfraud.ftc.gov. The reports are used to identify trends and build cases against criminals.

If you have lost money to this act of fraud, report it to your local police and insist they take your report. Some police lack awareness that scams are a crime and resist taking a report. Be persistent — it may help you recoup losses if the criminals are brought to justice down the road.

Download Phoenix's new mobile app now!

In addition to launching this new mobile app, the city of Phoenix has recently upgraded the "At Your Service" web portal (now Phoenix.gov/myPHX311). Now you are in full control of getting help with a wide range of services including:

- Requesting water / trash services
- Viewing / paying city services bill
- Reporting issues in the community (streetlights, potholes, water main breaks, etc.)
- Accessing city calendars and public meetings.
