Policeman's Prayer

Lord, bless the ones who wear the badge
The ones who walk the beat,
Protect and keep them safe
While they're on the street.

As they wait and as they watch
Doing good for all,
guide their minds and
give them strength
For each and every call.

Ready to put their lives on the line
Give them courage each day,
Let them know you're always there
In each and every way.

So bless the ones who wear the badge,
Protect them from harm,
Always keep them safe
And in your loving arms.

PHOENIX PD APP

The Phoenix Police Department now has a mobile APP, bringing a variety of resources and information to one place. Users can use the app to access online reporting, crime statistics, precinct locations, phone numbers, career opportunities, virtual block watch, victims' rights information, and more. Users can also turn on notifications from the precinct they live in to receive news updates and information on events in their area.

The APP is now available both in the Apple Store for iOS and in the Google Play Store for Android.

Report graffiti on the Phoenix PD app! Graffiti can now be reported on the Police Department APP released in January 2021. Studies show that if graffiti is removed within 24 hours, there is a 90% likelihood that the graffiti will not use the app to have it removed! #GraffitiFreePHX

WHEN YOU CALL 911 - KNOW THE 10 W'S

- What - is your location? GIVE EXACT LOCATION
- What - happened? WHAT TYPE OF CRIME?
- When - did this happen?

These questions will determine if it is a priority call. Give as much of this necessary information as you can.

- Was - anyone hurt?
- Weapons - are there weapons involved?
- What - manner did they leave or arrive – foot, vehicle, bicycle...?
- Who - did it? – Suspect description
- Where - did the suspect go? – What direction
- What - did the suspect obtain? – type and amount
- Who - is calling? – Give your name location and phone number (You can remain anonymous. If you do give your name, the info is redacted from the public record access.)

TEXT 9-1-1 "Call if you can. Text if you can't." After months of collaboration between numerous public agencies and advocates for the disability community (or advocates for the disabled) if you are in imminent danger and are unable to talk to a 911 operator, you now have for the first time in Phoenix the ability to text to 9-1-1.

TRAFFIC COLLISIONS

It is no secret; Maricopa County is one of the fastest growing County in the United States. The City of Phoenix naturally absorbs a large number of new residents who move here every month. With the growth in population comes more vehicles on the roadway. AARP estimates there are over 6 million traffic collisions nationwide every year. It is imperative to know what to do if you find yourself in a traffic collision. There are a few simple steps you can take to help you if you find yourself involved in a car accident.

1. Stop!

Do not drive away from the scene. It is a crime in the State of Arizona to leave the scene of an accident. In the case of a minor collision, you should move your vehicle off the roadway and out of the flow of traffic.

2. Establish Safety

Take a moment to make sure you are not injured. If you happen to be in major pain or are unable to move do not exit the vehicle and call 9-1-1 immediately to get medical aid. If you are not injured, check on other passengers who may also be in the vehicle. Turn off the vehicle and activate the flashing hazard lights. If everyone is able, exit the vehicle and go to the nearest sidewalk or area of safety.

3. Call Police

For traffic collisions with damage over \$2000 officers will conduct a collision report. When involved in a collision you are required by law to provide insurance, registration, and driver's license information to responding officers. Officers will also fill out exchange forms with the other driver's information for insurance purposes. Officers have the ability to arrange for a tow truck to get inoperable vehicles removed from the roadway. If you find yourself in a hit and run collision

try to get as much information about the vehicle and the driver as you possibly can. In this case a full criminal investigation and accident report will be conducted by responding officers.

Driving is a huge responsibility! By slowing down and taking more time to get to where you're going can prevent some collisions. Even the most seasoned driver can find themselves involved in a traffic collision. If that is the case for you, using these simple steps can help you through a traffic accident.

CITYWIDE PHOENIX NEIGHBORHOOD PATROL

Detective Brian Kornegay

Monthly Citywide PNP Meetings

3rd Tuesday of each month, 6pm to 8pm

We have returned to in-person meetings at Mountain View Precinct, 2075 E. Maryland Ave, from 6pm to 8pm. Technology willing, we have a virtual component so people can still attend online.

The login information is below. For most people simply click the green box (hyperlink) below that says "Join PNP Meeting" and that will take you to the meeting. If not, open webex.com and select Join Meeting, when prompted, enter the below meeting number and password in the appropriate fields

[Join PNP Meeting](#)

Join by meeting number:

Meeting password: ceb2024

(This is the same meeting number for all of 2024 to make it easier for everyone)

2024 Price Increases on PNP Clothing

I announced this was coming. We have the 2024 price sheet, and I updated the PNP Clothing Order Form. I attached a copy here and have already asked for it to be updated on the websites (PD, PNPMembers.com and the BWAB). These prices go into effect immediately. Any order forms sent in already with a postmark prior to today will get the previous prices.

Please update your neighborhood websites if needed.

IRS Mileage Rate Current Rate

If you have Mileage Reimbursement funds in your current BW Grant this is important info for you. The mileage reimbursement rate was increased as of January 1, 2024. It is now 67 cents a mile.

PNP merchandise order forms and cost updates:

As you are writing your grants, you might be budgeting for PNP equipment, like clothing, street signs and/or vehicle signs and are curious about expected prices for 2024. If any of you have bought groceries or filled up your gas tank you know there has been an increase in the cost of just about everything recently. The updated order forms are now online at www.phoenix.gov

We are cancelling the First Friday's Group Patrol for this upcoming Friday, March 1st.

First Friday's Group Patrol Cancelled for March 1, 2024.

There are rumors of a planned protest happening at the First Friday's event this week. I spoke to our Community Response Squad and there have been some recent acts of violence by some of these groups around the state.

We decided to err on the side of caution and cancel PNP's participation in the event for this month. As of now we plan on holding the First Friday's Group Patrol in April (4/5/24).

The next First Friday will be on APRIL 5th! We have a new meeting place, the address is 1202 N. 3rd St, next to the Phoenix Center for the Arts. It is a big parking lot, and it does fill up fast. I am changing the meeting and start time. We will start to meet at 6:00pm, and start our patrol at 6:30pm, and we will get done between 9:45pm- 10pm.

PLEASE LET ME KNOW IF YOU CAN MAKE IT. This way, I can try and block off some parking spaces for us. And I can also contact you if anything should happen. I do not have some of your cell phone numbers, so if you plan on going, please send me your number. If you can't find us on Friday night, my cell number is 602-799-0143.

Thanks. Rick

District 1 Community Breakfast/Dinner with Councilwoman Ann O'Brien

Next Dinner will be on Monday, March 25th

(at Deer Valley Airport)

Please RSVP at 602-262-7444 council.district.1@phoenix.gov

Message from Councilwoman Ann O'Brien

I'm excited to announce the completion of the Telephone Pioneer Park Lighting Conversion project. All mounted light fixtures have been successfully upgraded to LED fixtures, with the exception of those in the racquetball court. Additionally, every pole in the park has undergone a fresh coat of paint. This project's completion significantly enhances safety across the park for all our community members, and I couldn't be happier with the results. Telephone Pioneer Park is a long-term project I'm committed to updating and making

safer. Thanks to the hard work and due diligence of Debbie Delwiche who participated in a walkthrough with me, police, and leadership from the Parks Department to discuss necessary safety changes. These new lights are just the start of much more to come!

At the DoubleTree in North Phoenix. We had the pleasure of hearing from Cactus Park and Black Mountain Precincts as well as the consultants working on the Metro Transit Oriented Plan. This plan will serve to attract, guide, and prioritize strategic investments in infrastructure, housing, economic development, transportation, and other areas to realize a shared community vision for the future of the Metro Center area. They also discussed what defines a Transit Oriented Community (TOC). Transit Oriented Communities are broadly defined as compact, pedestrian-scaled, mixed-use development strategically located within a short walk of high-capacity transit. The intent of TOC is to make walking, bicycling, and using transit convenient, safe, and enjoyable for daily life. Thank you to everyone who made it out, and I look forward to seeing you all at next month's meeting which will be held at Barrio Brewing at the Deer Valley Airport.

I promised you an update on a couple of bills at the **Arizona Legislature...**
HB 2470 (planned communities; authority; public roadways) - Representative Cory McGarr R – LD 17

The bill removes procedures for an HOA to transfer ownership of a road to a government entity, including voting requirements. If an HOA then transfers ownership of a road, then the bill would prohibit an HOA from enforcing parking restrictions or any roadway regulations.

SB 1003 (prohibition; photo radar) - Senator Wendy Rodgers R - LD 7
The bill bans the use of photo enforcement systems (e.g. red light cameras and speed cameras) by law enforcement and cities to enforce traffic laws. **It prohibits license plate readers that are used in real time crime centers.** The bill also repeals existing statutes related to the placement and use of photo enforcement systems, standards and requirements for photo enforcement zones, service of process requirements, and a prohibition on state use of such systems.

All my best, **Ann** Councilwoman, District 1

Black Mountain Precinct Updates

Cmdr. Matt Siekmann wished everyone Happy Valentine's Day and Ash Wednesday. He talked about the exceptional work done in the precinct. The arresting of a woman involved in a retail theft organization. There was a shooting near Telephone Pioneer Park, but he wouldn't press charges. A man was car-jacked, and his dog was in the car. Our CAO's were able to find and get the dog returned to him within several hours. A drug dealer was arrested. The Coffee with Cops is on Thursday, February 22nd at 8:30 am at Biscuits Café.

PRESENTATION: RED LIGHT, YELLOW LIGHT with Streets & Transportation Director Joe Brown

Great information on Automated Enforcement Safety. Joe is a new transplant from New York. He worked for 10 years on the rebuilding of the new World Trade Center. The original Phoenix Automated Enforcement program began in 2001 and ended in 2019. Red light running crash statistics were dramatically reduced

with the cameras. Between 2001 and 2019 there were three different vendors with cameras at 10 – 12 intersections and 2 – 8 mobile speed vehicles. In 2019 there was a 30.7% reduction in RLR crashes in all directions and a 57% reduction in the monitored direction.

The contract expired on December 21, 2019, and in January 2020 the City Council did not move forward with the program. In 2023 at a City Council Policy Meeting was about the partnership with the University of Arizona on a Yellow Light Timing Study done at 12 intersections. Also, through movements & left turns were monitored and there was up to a 60% red light reduction. Currently there is a bill in the AZ Legislature on banning red light cameras. Hopefully the cameras will come back.

STRUCTURES: The maintenance of a home is the responsibility of the property owner. Any wood, siding, shingles, roof covering, railings, fences, walls, ceilings, porches, doors, windows, screens, and other exterior parts of any structure on the property must be maintained in weather tight, sound condition and in good repair. The property owner is responsible for making sure there are no doors or windows left open and not secure to the outside. *FOR HELP call the Preservation Division of the Neighborhood Services Dept. at 602-495-0700 to see if you qualify for a free Grant!*

OUTDOOR STORAGE: All outside storage that can be seen from the street should be inside sheds or cabinets. Items should not be set in car ports in view of the street. Please use enclosed areas or backyards.

JUNK, TRASH & DEBRIS: Junk, trash and debris cannot be left in the yard or car port and must be properly disposed of. This includes junk auto parts, appliances, furniture, building and/or landscaping material, trash such as discarded papers, cardboard, plastics, etc. including tree trimmings and fallen limbs or any other items that appear to have been discarded. The only exception is during the Bulk Trash Collection weeks four times a year.

PARKING: Parking is only permitted for passenger cars and motorcycles on residential streets, on driveways or in garages. A driveway or parking area must be constructed with an approved dust free parking surface. The stone must be 1/4 - 3/4 in size with a permanent border holding it in. 1/4 minus size stone is not allowed for parking. There are limits to the amount of front yard area that can be used for parking. Only 35% of the front yard may be converted to driveway or dust free parking.

GRASS AND WEEDS: Grass and weeds must not be allowed to grow over 6 inches high due to fire hazard, allowing the weeds to go to seed and spreading throughout the neighborhood and insect infestation.

ELIMINATE GRAFFITI: Keeping the neighborhood graffiti free is something we can all do. If there is graffiti on your property, please remove it as soon as possible. The Graffiti Busters Program provides paint, supplies and training to assist groups with eliminating graffiti. The City will also remove the graffiti from private property with written permission from the property owner. Call 602-495-7014.

Vacant Properties Now Required to Register in Phoenix

The Phoenix City Council recently approved NSD's Vacant Property Registry (VPR). The VPR requires the following property types to register with NSD if vacant for more than 30 days:

- Non-residential properties
- Unimproved land measuring over 10,000 square feet
- Residential properties with 50 or more units vacant

The registry was created to address the community's need for communication with vacant property owners and to enable the City to efficiently address issues such as crime, blight, and illegal dumping.

Neighborhood College is a one-of-a-kind collaboration of workshops and hands-on learning experiences brought to you by multiple city departments. The intent of the program is to provide each participant with knowledge about the city's programs, services and resources; the tools to access those resources; and the skills and ideas with which to build positive, sustainable communities. Everyone is welcome! Regardless of whether you're a seasoned community leader or a new resident just looking to get to know your new home better, Neighborhood College is flexible enough to meet the needs of all Phoenix residents! We hope to see you at one of our many free workshops – and encourage your neighbors to do the same. **To sign up, call us at 602-534-4444.** **Online registration:** We've partnered with the Parks and Recreation Department to use their online enrollment process. You will be taken to "Parks and Recreation Online" where you will need to sign up for a free account. This is a one-time process that will only take a few moments. You will then be able to use the site in the future to sign up for any additional workshops.

Did you know that NSD operates a Tool Lending Program? The goals of the program are to support homeownership and maintenance and assist in the revitalization of neighborhoods.

The Tool Lending Program currently offers 16 different types of tools available for loan. Tools can be borrowed by neighborhood associations and block watches registered on [Neighborhood Link](#), and recognized non-profit organizations for valid community projects.

Learn more about the program at phoenix.gov/nsd/programs/cleanups-and-tool-lending or email ToolLend.nsd@phoenix.gov or call 602-534-4444.

2025 GENERAL PLAN SURVEY

Dear Neighborhood Leaders and Members,

This message has been shared by the Planning and Development Department.

The City of Phoenix Planning and Development Department is seeking the community's input on the 2025 General Plan! The General Plan serves as a comprehensive roadmap for the future physical development of Phoenix, based on the vision of its citizens. To help with this, Planning and Development has created two surveys. Community participation in these surveys is paramount in helping the City identify "tools for action" with the established city-wide policy framework, which will enable the City of Phoenix to plan, prioritize and align its efforts for the next ten years. Have your voice heard and become an active participant in this important initiative by completing the planPHX surveys today: www.Phoenix.gov/PDD/GeneralPlan2025

BLOCK WATCH IMPROVES THE QUALITY OF LIFE WITHIN NEIGHBORHOODS

Block Watches come in all sizes. They can be a few houses in a cul-de-sac to a whole square mile neighborhood. They help to develop a "sense of community" and strengthen and sustain neighborhoods by bringing residents/neighbors together with a common interest.

Every Block Watch starts with one person and their concern for the safety and well-being of themselves and their families. Their motivation may be to meet or get to know their neighbors to protect the children, to keep property values up by eliminating blight and graffiti, to stop speeding on the streets by installing speed humps to protect the children, to have peace of mind by discouraging barking dogs and loud parties, and to be safe from crimes like burglary, theft, and assault.

We all want to live in a safe and secure environment. Our homes should be safe havens. By rights there should be several layers of protection from the national level to our own neighborhoods. National and state governments provide control of our borders; state and city governments provide police and fire protection, education, and other resources, community member groups provide Phoenix Neighborhood Patrollers and the posting of PNP signs on neighborhood streets; Block Watch provides neighbors watching out for neighbors; and we provide our own home security alarms, lighting, and burglary prevention measures.

HELP STOP CRIME IN YOUR NEIGHBORHOOD BY STARTING A BLOCK WATCH GROUP ON YOUR STREET TODAY!

Distribute this announcement to invite people to the Block Watch Meeting:

You're Invited to an Important Meeting!

If you are as interested as I am about maintaining and improving the quality of life on our street and in our neighborhood, please attend an important meeting to be held:

CRIME TIPS:

CUPID'S CONNECTION TO CRYPTO

Online romance scams have been wreaking havoc for years. In a sinister twist, criminal enterprises are playing the long game with targets to compound their losses by engaging them in crypto-investment schemes. The way it starts out? An errant text. And the people sending these texts? They are enslaved and being forced to do it.

HOW IT WORKS

You receive a text you think was sent in error—maybe it's a pet owner trying to reach the vet, or it's a text asking if you're still on for dinner that night.

Being polite, you respond to let the sender know their text didn't make it to the intended recipient.

This is all it takes for an "errant" text to begin a conversation that sparks a friendship or love interest, that becomes a trusted relationship, which opens the door for "learning" how to invest in cryptocurrency.

WHAT YOU SHOULD KNOW

Romance scams have become one of the top drivers of cryptocurrency fraud. The Federal Trade Commission pegs reported losses at \$1.3 billion in 2022.

Behind this fraud are transnational criminal enterprises who are luring front line "workers" with fake employment offers and enslaving them to ensnare targets into this scheme.

While the errant text is the latest mode, this scheme still plays out on the traditional channels of social media and dating sites and apps.

WHAT YOU SHOULD DO

If you get a text like this, or any suspicious text, report it to the industry. On an iPhone, click Report Message and select Fraud. A similar option is coming soon to Android devices. This allows service providers to update their protective algorithms in real time to block the numbers.

Another way to report is to forward the message to 7726. It's not a straightforward process; learn how to master it [here](#).

Sadly, dangers lurk behind all forms of communications as fraud grows unabated. Don't engage with errant texts or friend requests when you don't know the person already. Don't click on links in email or text messages. If an authority, a retailer, your utility company, or your bank are calling, texting, or emailing, don't respond. Find the number (paper statement, back of your credit card, etc., but don't Google it) and initiate a call if you think there may be an issue.

By reading this, you now have the power to protect yourself from this insidious scheme. Share what you know to help protect others.

PEER-TO-PEER PAYMENT APPS: POPULAR WITH CONSUMERS & CRIMINALS

Peer-to-peer (P2P) payment apps like Venmo, Zelle and Cash App are as fast and convenient for criminals as they are for consumers.

According to a recent [AARP Survey](#), over 65% of U.S. adults use P2P payment apps for quick money transfers. However, a concerning 68% of those users report engaging in P2P payment practices that can expose themselves to potential fraud risks. Here's a closer look at how some P2P payment scams work and steps to safeguard yourself.

HOW IT WORKS

You hear from a loved one claiming to be in trouble — maybe it's an accident, an arrest or hospitalization, and they need your financial help fast via a P2P app.

An online marketplace seller requires upfront P2P payment for a product or service.

A communication from your bank warns there's a problem with your account, but they can help keep your money safe by moving it via a P2P app.

WHAT YOU SHOULD KNOW

P2P apps do not have the same consumer protections that credit cards have. Transactions are like paying cash, instantaneous and usually irreversible.

WHAT YOU SHOULD DO

It's best to use P2P apps to send money to friends, family and other people you know and trust.

If you're uncertain about the legitimacy of a P2P payment request, contact the person, bank, or business through a known and legitimate phone number (relying on a Google search could bring up a fraudulent number, opening the door to more scams).

If you find unauthorized payments or otherwise experience a scam via a P2P payment, contact your bank immediately. Report fraud crime to law enforcement, and share the information with the [Federal Trade Commission](#).

Knowledge gives you power over scams. The [AARP Fraud Watch Network](#) equips you with reliable, up-to-date insights and connects you to our free fraud helpline so you can better protect yourself and your loved ones.

We also advocate at the state, federal and local levels to enact policy changes that protect consumers and enforce laws.

TIPS FOR SECURING YOUR SPACE

FEBRUARY 15, 2024 7:00 AM

This week on 5-0 Info Show, Lt. Vince Lewis and Sgt Phil Krynsky share ways to secure your living space and provide protection from property crimes. A recent string of home burglaries has been happening in the Valley during evening hours when residents are out to dinner. This seems the perfect time to remind the community of some burglary prevention tips. "Property crimes are a crime of opportunity," shared Lt. Lewis. "We want to do our best to eliminate those opportunities and secure our property." With this current string of burglaries, investigators are seeing a trend of the suspects using the back door of residents and taking items of value like jewelry, cash, and credit cards.

Here are some helpful tips and things to watch out for:

SUSPICIOUS BEHAVIORS

- someone who is checking out a home but not contacting the resident
Know your neighborhood
- make notes of vehicles that do not belong Be the best witness possible

– provide all details you see to law enforcement

Keeping your landscaping well-manicured and remove bushes or plants that might conceal an entry or window Motion sensor lights can be a great deterrent Block watch and neighborhood patrols Lights on timers and/or radios playing to make it appear as someone is home Social media, like Nextdoor, is a great way to share awareness and provide information to your community but remember that law enforcement does not monitor social media and sharing on social media is not a valid way to report a crime.

For an emergency or report suspicious activity call 911 or to report a crime or non-emergency, please call 602-262-6151

. The 5-0 Info Show airs Sunday mornings on KTAR.

City of Phoenix Lockbox Pilot Program

Residents of Phoenix City Council District One are eligible to participate in the Lockbox pilot program. The City of Phoenix Lockbox Pilot Program allows firefighters to gain entry to your home in case of emergency without causing any damage to your residence. This is done by utilizing a key that you provide in a secure lockbox attached to your entryway.

The Phoenix Area Association of Realtors, in coordination with Councilwoman O'Brien, has generously provided 100 lockboxes to be installed FREE of charge for city of Phoenix residents. The available lockboxes will be distributed on a first come, first served basis to Phoenix residents with special needs, and mobility issues ONLY.

Your information and the code to the lockbox is provided only to firefighters in the event there is an emergency call to your home. You will need to provide the appropriate key or keys to put in the lockbox at the time of the delivery.

This pilot program is currently available to the residents of district one ONLY. Please follow the link provided below for assistance with confirming

COMMUNITY CATS

Helpful Information and Tips for the Community

A Community Cat is a catch-all term often used to describe any outdoor cat that may appear to not have an owner. Feral cats, which are under- or not socialized, fall under this umbrella, as do free-roaming, friendly cats.

In Maricopa County, cats are not subject to the same licensing and leash laws as dogs. Because of this, Maricopa County Animal Care and Control (MCACC) cannot pick up stray or feral cats or take action against those feeding cats in their neighborhoods.

Many times, members of the community act as colony managers to ensure that a feral cat colony is a managed colony. Cats in these communities are usually fed, watered, vaccinated, spayed, or neutered, and monitored for overall health. Other times, the cats are self-reliant and can survive in the neighborhood on their own, without any direct assistance.

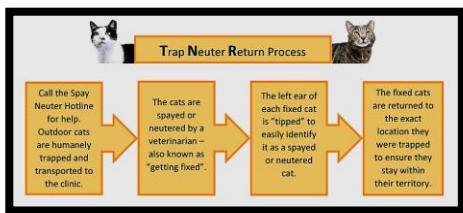

TNR

TNR (Trap-Neuter-Return) is a long-proven and effective method for humanely addressing community cat populations across the world.

Trap: The cats are humanely trapped and brought to a clinic.

Neuter: The cats are fixed, vaccinated, and their left ear is "tipped" to indicate they have been fixed.

Return: The fixed cats are safely returned to their colony.

Benefits of TNR

- Cats become better neighbors as it reduces or eliminates unwanted mating behaviors (e.g., yowling, fighting, spraying).
- Cats will be healthier when treated with this humane solution and typically are less likely to wander from their food source.
- Halts the breeding cycle which allows community cat populations to stabilize and eventually decline.
- Protects and respects cats' lives.

How to Help Keep Community Cats Away from Your Property

- Remove or secure all potential food and water sources from your property, including dog food.
- Spray concentrated orange juice or hang orange or lemon peels in areas where cats are spraying — cats do not like the citrus scent.
- Keep all trash and recycle bins tightly closed as cats are considered opportunistic feeders/hunters.
- Use a motion-detecting device that turns on a sprinkler or bright light in response to motion on your property, such as ScareCrow™.
- Remove or secure potential shelter areas — secure access under houses, sheds, decks, porches, and buildings with wire fencing.
- Use plastic carpet runners spike-side up and covered lightly in soil to prevent cats from digging in your garden.
- Keep landscaping trimmed to avoid creating hiding/nesting spots.
- Spread dried wild animal manure in the areas you notice feral cats in your yard; wild animal urine also may work to deter the cats.
- There are also many commercial cat repellants (chemical and non-chemical options) available in garden stores, pet shops, and online.

For more information about TNR, please call the Spay Neuter Hotline at 602-265-7729 or complete the online form: <https://adlaz.org/spay-neuter-hotline/outdoor-cats/new-request-for-tnr-services/>.

MARICOPA COUNTY PURCHASES ANTHEM PROPERTY FOR EXPANSION OF NORTH VALLEY REGIONAL LIBRARY

Phoenix, Ariz. (Feb. 15, 2024) – A new and improved Maricopa County library is coming to the fast-growing North Valley. After receiving approval from the Maricopa County Board of Supervisors on Jan. 24, the Maricopa County Library District has closed on a \$9,000,000 property in Anthem. The tech-forward facility will house the expanded North Valley Regional Library that will serve the more than 45,000 Maricopa County residents living in Anthem, New River, and other unincorporated areas of North Phoenix.

"County libraries are so much more than a place to borrow your next book," said Chairman Jack Sellers, who represents District 1 on the Maricopa County Board of Supervisors. "They are also a trusted community resource center for County residents to seek out career counseling, connect with employment services, and find their next job opportunity. I am so pleased to see the unincorporated communities in the North Valley gain increased access to these impactful benefits."

The current North Valley Regional Library is co-located at Boulder Creek High School, where hours are limited to after school. An expanded library with additional hours in a new, County-owned location will better serve residents as the population expands. Much of the growth is being driven by Taiwan Semiconductor Manufacturing Company's (TSMC) \$40 billion investment in two North Phoenix chip-manufacturing plants, which have transformed the area near the I-17 and 303 into a booming area of new construction.

"With the dramatic growth that my district has been experiencing in recent years, it just makes sense for the North Valley Regional Library to move into a bigger space that can house even more community services to better serve our North Valley residents," said Supervisor Bill Gates of District 3. "I'd like to thank the Deer Valley Unified School District for being the library's home for many years, as well as Phoenix Councilwoman Ann O'Brien and the Anthem Community Council for helping us secure this incredible new facility." The new property, located at 41810 N. Venture Dr. in Anthem, consists of 27,188 square feet, and was previously owned by Liftable Media, Inc., a media company that equipped the space with best-in-class technology. This technology set-up opens the door for new library service possibilities which will be determined through a comprehensive redesign and renovation process that will ensure the new and improved library is best serving the local community's needs.

"The Community Council was proud to work with Maricopa County and Supervisor Gates to find a new home for the North Valley Regional Library," said Carolyn Hiron, Chair of the Anthem Community Council. "I know the families in our tight-knit community will enjoy the expanded hours and services that this new, independent building will offer."

"This move symbolizes endless new opportunities for the North Valley Regional Library," said Jeremy Reeder, Director of the Maricopa County Library District. "We are excited to see how our new building can attract more cardholders and instill a love for reading in even more Maricopa County residents."

Specialty license plates make a rockin' birthday gift

Support charitable efforts that move you too

Arizona, the Valentine's State, turns 112 this month. February also includes the birthday of one of our state's most famous exports: rock legend Alice Cooper.

You can celebrate both occasions – and jazz up your vehicle – with specialty license plates available through the Arizona Department of Transportation Motor Vehicle Division.

For fans of "No More Mr. Nice Guy," "School's Out" and his other hits, there's an Alice Cooper's Solid Rock plate that supports free art, music and dance programs for all youth at [Alice Cooper's Solid Rock Teen Centers](#) in Phoenix and Mesa. The centers provide a safe space for everyone ages 12-20 to spend time, receive positive mentorship and free music, art, dance, photography and recording studio lessons and opportunities.

There are many options if you're celebrating our great state, including Arizona Centennial, Arizona Highways Magazine, Route 66, State Forty Eight, not to mention all the different Arizona sports teams and universities. Each plate supports a designated organization that benefits the community.

Most specialty plates cost \$25 each year. Of that amount, \$17 goes to a designated charity or nonprofit group. Last fiscal year sales of specialty plates contributed over \$12 million for various causes and charities.

Specialty plates are authorized by the Arizona Legislature and have been offered since 1989. Plate designs complete a review by ADOT and law enforcement. Personalization can be added for an additional \$25 per year.

To view and order any specialty plate, please visit [azmvdmnow.gov](#).

988 988 988

People experiencing a mental health crisis have a new way to reach out for help in the U.S. They can simply call or text the numbers 9-8-8.

Modeled after 911, the new three-digit [988 Suicide & Crisis Lifeline](#) is designed to be a memorable and quick number that connects people who are suicidal or in any other mental health crisis to a trained mental health professional.

"If you are willing to turn to someone in your moment of crisis, 988 will be there," said Xavier Becerra, the secretary of the federal Department of Health and Human Services, at a recent press briefing. "988 won't be a busy signal, and 988 won't put you on hold. You will get help."

The primary goal of the new number is to make it easier for people to call for help. Lawmakers and mental health advocates also see this launch as an opportunity to transform the mental health care system and make care easily accessible everywhere in the United States. The Biden administration has invested more than \$400 million in beefing up crisis centers and other mental health services to support the 988 system.

Suicide Warning Signs

These signs may mean someone is at risk for suicide. Risk is greater if a behavior is new or has increased and if it seems related to a painful event, loss, or change.

- ❖ Talking about wanting to die or to kill oneself.
- ❖ Looking for a way to kill oneself, such as searching online or buying a gun.

INFO OF THE MONTH

Share a tip, recipe, info, or some humor, e-mail it to
bmca200@gmail.com

Join us for the inaugural Hike Right PHX group hike, led by The Parks and Recreation Natural Resources Division, on Saturday, March 9, 2024, at 8 a.m. We'll gather at the North Mountain Visitor Center, located at 12950 N 7th St, Phoenix, AZ 85022, to embark on a guided one-hour hike along the North Mountain National Trail,

spanning 1.6 miles with a moderate to difficult level. This monthly hiking group aims to foster a culture of safe hiking for individuals of all experience levels by providing insights into trail exploration, the City's Mountain Parks and Preserves, Parks and Recreation Department services, and essential hiking safety tips. We encourage early morning and evening hikes, especially during the summer months, as part of our commitment to promoting safe hiking practices. Don't miss this opportunity to connect with nature and fellow hiking enthusiasts while learning valuable skills to ensure a safe and enjoyable hiking experience.

Graffiti Free PHOENIX

As we all know, graffiti is a form of blight that may decrease property values in neighborhoods and attract other forms of criminal activity if it is not promptly removed. We encourage residents to be aware of their surroundings and report any graffiti they notice or observe in progress.

To report graffiti, residents can use any of these three methods:

- Go online to phoenix.gov/myphx311 or the app myPHX311.
- Email bright@phoenix.gov.
- Or call 602-534-4444.

If you see graffiti in progress, please dial 911.

For Graffiti-Free Phoenix Awareness Month, not only do we encourage neighborhoods to take an active role in reporting graffiti, but we challenge them to learn how to remove graffiti and be a partner in combating it. If you and your neighbors are interested in learning how to remove graffiti in your neighborhood, please contact Betsy.Cable@phoenix.gov. We can coordinate a free class for your neighborhood group.

Did you know that Neighborhood Services' Graffiti Busters work seven days a week removing graffiti all over the city?

Village Meadows

Fasten your seatbelts!

Village Meadows is going to ROCK on Saturday, March 23 (9 am—noon) at Grace Family Fellowship 18002 N 21st Ave

That is when we will bust out with an unsurpassed combination flea market AND festival! We promise fun for all ages!

Attractions

• Flea Market	• Carnival Games	• Food, Ice Cream
• Petting Zoo	• Silly Relay Races	• Coffee
• Bounce Houses	• Fish Pond	• PRIZES!

PLUS! Our community heroes, including firemen (with a truck!) and police officers (with their fancy cars) will be there to meet you and answer questions.

ON TOP OF THAT! Our City Councilwoman, Ann O'Brien and her staff plan to participate and will be available to discuss City issues.

STILL MORE! E. Mari Herrera-Daniels from Phoenix Neighborhood Services will be here, too! You will be amazed to learn about all the ways her department can help individuals with local problems.

Phoenix Police Department TRAFFIC EDUCATION SAFETY UNIT (TESU)

HELP and INFORMATION with TRAFFIC RELATED ISSUES

TESU is a work group within the Phoenix Police Traffic Bureau that addresses specialized needs of both internal and external customers. We understand that traffic problems are a major concern for many of our residents; we are here to assist with these issues. Brief descriptions of what services we provide are listed below and how a customer can contact us.

TRAFFIC COMPLAINT HOTLINE 602-534-SPEED (7733)

Almost any traffic related issue is handled by calling this number. Speeding; cut-thru traffic in neighborhoods; illegal parking; school zone enforcement; and safety presentations to various groups. Traffic concerns can be emailed to: traffic.complaints@phoenix.gov

OCCUPANT PROTECTION 602-534-TOTS (8687)

We are available for education and enforcement projects to increase proper use of seat belts and child restraints.

BICYCLE and PEDESTRIAN SAFETY 602-495-0939

Educational programs on bike and pedestrian safety as well as crossing guard training are offered in schools.

ACCESSIBILITY COMPLIANCE ENFORCEMENT (ACE) PROGRAM

602-495-0964. Save Our Space Hotline: 602-534-SPACE (7722)
Uniformed civilian volunteers patrol private parking lots within the city of Phoenix issuing citations for any violation of the disabled (handicap) parking ordinances.

MOTORIST ASSIST PROGRAM (MAP) 602-495-0964

Uniformed civilian volunteers assist stranded motorists and direct traffic at collision scenes and special events.

PHOTO ENFORCEMENT PROGRAM 602-534-9056 / 602-495-0965

Officers view photo radar and photo red light violations and attend court if disputed.

AGGRESSIVE DRIVER PROGRAM 602-534-9056

Officers use specially equipped with cameras to apprehend aggressive drivers.

TESU MAIN NUMBER 602-495-0937

TESU personnel are available to assist you with any traffic safety related concern.

DON'T GIVE TO INDIVIDUALS GIVE TO SHELTERS

To end panhandling, we have to end directly giving to people panhandling. Phoenix is full of compassionate and charitable citizens. They want to help those in need. However, giving money to people panhandling doesn't fix problems. In order to truly help those in need, stop giving money to panhandlers and

instead support organizations and services that provide long-lasting care. – Central Arizona Shelter Services – Andre House – Salvation Army – St. Joseph The Worker – UMOM New Day Centers – The Phoenix Rescue Mission – St. Mary's Food Bank For more organizations and information that can provide housing, or other services, please visit the Homeless Shelter Directory at:

Download Phoenix's mobile app now!

In addition to launching this new mobile app, the city of Phoenix has recently upgraded the "At Your Service" web portal (now Phoenix.gov/myPHX311). Now you are in full control of getting help with a wide range of services including:

- Requesting water / trash services
- Viewing / paying city services bill

- Reporting issues in the community (streetlights, potholes, water main breaks, etc.)
- Accessing city calendars and public meetings.
