JUNE 12, 2019 DVPNBWO BLOCK WATCH MEETING

COUNCIL DISTRICT NEWS

District 1 Council Aide Shereen Warrayat said that on the pigeon feeding there must be three separate complaints by neighbors for NSD to do anything. Councilwoman Williams is hosting a Shred-a-thon on Saturday, June 29th at Deer Valley Park Community Center from 9 – 11 am.

Black Mountain Precinct Updates by Commander Tom Van Dorn

Cmdr. congratulated Candice Fremouw, Garry Flunoy

and Joanne Scott Woods as new members of the Police Chief's Use of Force and Disciplinary Review Boards. Sixty community members are newly trained and ready to be paneled for the boards.

The Crime Stats are down 19% from last year at this time for Violent Crimes and 6% for Property Crimes. This is attributed to the hardworking officers in our precinct and the community members who partner with us.

He encourages everyone to sign up their cameras with the VBW Program.

There have been four calls for children and pets left in hot cars, fortunately they were okay.

Police Body Worn Cameras continue to be distributed to the Precincts.

Thank you to Anthem for hosting an Appreciation Event for the First Responders.

There are no updates on the attempted child abductions or sexual assault at the Vet Clinic on Cave Creek Road.

CAO Report with CAO Sgt. Rachel Warren, CAO Jen Zak and CAO Kelsey Commisso

We will be doing a Question and Answer Forum like we did last month due to most of the Area CAOs being unavailable tonight.

There were several questions and comments about - supporting the police with displaying a blue light at your homes, seeing open garage doors and suspicious activity, please call the police at 911 or Crime Stop 602-262-6151, being careful with children around pools, clearing debris and garbage from around houses and property to protect from wildfires, telling your neighbors that you will be on vacation and also notifying the police, reporting loud noise violations for peace of mind, reporting speeding or drag racing call 602-534-7733, noticing and reporting children and dogs in hot cars, if they are in distress, break the window!, sharing information about scams that you hear about or have dealt with and never say "yes" on recorded calls, getting phone solicitations from police or fire organizations, they will never call you for donations.

PRESENTATION:

SOCIAL MEDIA with Det. Sam Palmer

Candice used Social Media to find a bio on the Social Media Det. Palmer! He is proficient in the use of Social Media, sites and open source information for researching offenders in his investigations. He has been an instructor at several conferences. He teaches officers all over Arizona. Please welcome Detective Sam Palmer.

He explained that what he does is sit at a desk and chase people who have committed crimes. There are so many scams out there... criminals gather most of the information on social media. From a very small piece of information about a person, someone can use it to become you and therefore scam you.

I would like to answer your questions instead of just lecturing you about social media.

What is a good anti-virus company? Do not use Kaspersky – it's a Russian Company, McAfee is good.

Is there any way to delete incorrect information? No, not likely unless you can find the source, but it could be mistakes or typos.

There is a scam that is an e-mail that says that you are watching pornography and we want money or we will tell everyone you know.

www.haveibeenpwned.com This website will tell you where your breached e-mail resides. All of our info is sitting somewhere, we all have digital imprints out there.

Do not use passwords, use pass phrases. They are almost impossible to crack. Use at least three words, like "lovepurpleelephants." Do not put your passphrase list in your computer. Use a piece of paper and keep it away from your computer.

Don't answer a call with your own number on it. Someone is ghosting you. Don't answer any number you don't recognize.

Is an app like Last Pass a good thing to use? Yes, but don't forget the master password.

How do I protect my identity if I want to go on a Dating Website? Use Google Voice or the 2 Line app to use a free, different phone number.

Lookout is a good protection for smart phones. Some companies will tell you if a call is a scam or robocall.

Thatsthem.com will let you search an e-mail. Also, Truepeoplefinder.com will show you what people can find with your e-mail address and where it has been sold to. Don't use your real e-mail on Craigslist. Make up a throw away e-mail. Do not invite anyone to your home.

Det. Palmer works on cases like school threats. A kid got suspended from school and went on social media with a picture of himself holding a gun and saying he was going to shoot up his school. A friend saw the post and called the police. This ends up on my desk. I called Snapchat and even though he used a fake name, I was able to find him from his home wifi connection and I found his house and sent the police to his home. He said it was just a joke...

Where does mylife.com get it's info from? If you do a general search on yourself, it will most likely know your full birthdate. It will also list family members, addresses. Familytreenow.com is really scary!

If you live in the European Union you can call Facebook and ask to be forgotten. Not here, but there are some privacy issues being implemented here in the USA.

If you use Google pay your info is sold to companies so they can solicit you.

Knox is a great protection used by Samsung.

The questions could have gone on all night! Great presentation and very informative!

JUNE 22, 2019 AFTER DARK IN THE PARK PICTURE HIGHLIGHTS

Lt. Kneuppel, CAO Kelsey Commisso, CAO Tim Mitten, CAO Sgt. Rachel Warren, CAO Jen Zak and the Bike Patrol
The PHX PD gave out 4,000 free COPSICLES!

STRANGER DANGER

Recent events which have occurred in the Black Mountain Precinct and those which have been seen on television raise an important question, how do we protect our kids from stranger danger? It may seem like we have heard a lot of incidents where people are approaching kids, acting suspicious, etc. This can happen in any community. However, there are some things that we can do, steps we can take, to reduce the risk to our children and our community.

If you or someone you know is ever involved in an incident like this, there are several ways that you can help your community and police like educating our kids, reporting it to police, remaining calm and providing details.

The first step in reducing your risk of becoming a victim of a crime, is to be prepared. We as parents can help prepare our children for situations that may arise with strangers, by having a conversation ahead of time. We don't want our children to be considered rude if they ignore all strangers, but maybe you can set boundaries. For instance, they can talk to strangers when they are out with you (parents), but not when they are alone. A common idea is to talk to your children about never going anywhere with strangers or you can have a code word for someone who may come to pick them up, in your place. You can have additional discussions about what they should do if they are ever approached by a stranger. Talking to your children about "stranger danger" will allow them to have the tools to get through these instances if they should occur.

Even though you have prepared, it is important that anytime you see suspicious activity of any kind, (but especially involving our children) that we call police immediately at 9-1-1 or on the non-emergency line at 602-262-6151. It may not seem like much at the time, but the information you provide to police could help solve a crime. We as a community are all safer when we work together to disseminate information.

Once you call police, you will be asked for details regarding what you have seen. You will be asked for location, time the incident occurred, and a description of the subject and/or vehicle involved. If you can remain calm in this instance, it will allow you to recall more details about what you have seen. This is important, because the more details you can provide to police, the easier it will be for police to make contact and identify the subject involved. This increases the likelihood of resolving the situation quickly. This information is so important the first few minutes of your call, because as police are driving into the area, they may see the subject who you have described. Police can be more successful with your help!

Being able to provide information about what you have seen is important, but it is even more important that you don't compromise your safety. So, gather the information that you can, safely.

So, even though it is unlikely that you or your children may find themselves involved in stranger danger, it is important to remember the steps listed above; be prepared by having a conversation before it happens, call police, remain calm and provide as many details as you can.

You can follow this link the Federal Bureau of Investigation website to find 7 tips for keeping your children safe. This may help guide your conversation and provide you with additional information to keep our kids safe.

SUMMER SAFETY

As you all know it's that lovely time of year again where we are reaching high temperatures here in the valley. As a reminder, I encourage you all to stay hydrated during these next few months! Often we forget to take a moment, while working in the yard or working on projects around the home, to stop and hydrate. If you plan on taking an early morning hike or walk make sure you have ample amount of water on you! We see an increase in mountain rescues and medical calls during the hot months of the summer, due to lack of preparedness. Pay attention to your body, it knows you best! If you feel nauseated, dizzy, have a headache, or your muscles are cramping, those could be signs telling you that you are dehydrated. Water is your best bet for flushing out toxins! Steer clear of sodas and juices when attempting to hydrate! If water just doesn't give you that refreshing taste you prefer, try a sparkling water like Arrowhead or a La Croix, items that don't have added sweeteners in them!

Along with staying hydrated, be sure to limit your time in the sun! Whether you're in the pool or hanging out in the backyard make sure you protect your skin with sunscreen and stay in shaded areas as much as possible. The American Academy of Dermatology recommends a minimum of 30 SPF or higher to protect your skin from sunburns and skin cancer. While we all enjoy a nice summer tan, the long term risks aren't worth it!

Let's not forget about the safety of your furry family members during the summer months! Make sure your pets have plenty of water and shade if they have to be left outside for any period of time. Don't leave your dogs or pets inside your vehicle to run errands in the store. If you identify an animal left in a vehicle understand the steps you can take:

1. Call 911
2. Make sure there is imminent danger of death or injury before taking further action.
3. Ensure that the vehicle is locked and there's no other way to get the pet out.
4. Use only the force necessary to help the animal get relief.
5. Remain at the scene until authorities arrived.

So what are the penalties for leaving a pet in a hot car?

Under A.R.S. 13-2910, it is considered animal cruelty if a person intentionally, knowingly or recklessly leaves an animal unattended and confined in a motor vehicle and physical injury to or death of the animal is likely to result.

Lastly, make sure you're mindful of your animals while taking them on walks. If it's too hot for you to walk barefoot on the concrete, it's too hot for your pet's paws! Have a safe summer!

CA Officer Kelsey Commisso #9595 at 602-495-5227 or
kelsey.commisso@phoenix.gov

IT IS BACK TO SCHOOL TIME!

It is back to school time. When school starts, Community Action Officers receive multiple complaints from citizens regarding the traffic issues around schools, to include speeding and parking violations. In addition, there are calls from concerned parents about vehicles passing school busses. Let's discuss some of the common issues, so we can all have a safe school year.

Over the last several years, there has been an increase in students being dropped off by their parents, rather than walking or taking the bus. As a result, many of the schools (especially charter schools) have adopted a pick up and drop off procedure.

Did you know, that these schools, work with various City of Phoenix Departments, including Streets and the Police Department to come up with a safe and strategic traffic plan? They do traffic studies, pedestrian studies, and make observations of the area to determine how to keep our children safe and reduce the number of accidents as well.

Most schools have a designated drop-off and pick-up area. These are designed to control the flow of traffic and offer a safe place for children to exit vehicles, to get to school. Parents and children alike should follow these regulations for their safety. Please do not have your child meet you down the street from the school because you are in a hurry and don't like waiting in the line. Some parents like to stop across the street to drop their children off, when in reality, this causes more of a hazard. Children must cross the street and navigate the traffic, often when there is not a crossing guard present.

In fact, **ARS 28-901B** says: In receiving or discharging children at a school, a person who drives a vehicle carrying children to and from school shall stop the vehicle on the side of the highway on which the school is located.

Often times the traffic congestion makes it difficult for people to move about in their own neighborhood. In some areas, it has become such an issue that the City, as well as neighborhoods, have opted to put up traffic signs such as NO PARKING, and even NO STOPPING or STANDING during certain hours. Even if a car stops in some of those areas, briefly, to pick up a child, they may get a parking ticket! Again these regulations are in place to keep our children and citizens safe.

Let's not forget when school is in session, we must obey the school zone speed limits and other school signs. If someone is caught speeding in a school zone, a ticket comes with hefty fines, not to mention points on your driving record. Please pay attention to flashing school signs, as well as the portable ones, as they are valid traffic signals.

Under ARS 28-701.02A1, if a motorist exceeds 35 miles per hour in a school zone, the violation becomes a misdemeanor offense rather than a civil traffic violation. To report any concerns you have about speeding, please contact the speeding hotline at **602-534-SPEED**. Also, keep in mind that many schools have crossing guards as well that hold a stop sign. Motorists must stop for them when they are assisting children across the street.

Lastly, we all need to look out for the school busses. When a school bus stops to pick up children, it is unlawful to pass them, when the lights are flashing, AND the stop sign is out according to **ARS 28-857A1**. This goes for the traffic driving in the opposite direction as well, unless there is a physical median present. (Vegetation, concrete or raised median, for example.) Again, a ticket for this offense is quite pricey!

The bottom line is, our children are our future. We all should take the time to slow down, and pay attention to what is around us, so that our children can safely get to school, and the adults can avoid paying fines. Have a fun and safe school year!

CA Officer Jennifer Zak #9170 at 602-495-5274

We need your help in reducing the crime! Please attend our upcoming DVPNBWO meetings at the Deer Valley Park Community Center and support our effort to reduce crime in our neighborhood and park! This is a terrific CRIME PREVENTION resource for information and education on how to make our neighborhood and park safer and more secure! Consider joining our Phoenix Neighborhood Patrol Group!

We need your help by attending our meetings to continue to receive Block Watch Grants which fund this newsletter and our Crime Prevention Project!

If you are a victim of a crime or suspicious activity, we would appreciate you contacting us at 623-533-0847 or DVPNBWO@aol.com so we can send out CRIME ALERTS to our e-mail list and make the neighborhood aware of the current crime trends. THANKS!

CRIME TIPS

PROTECT YOUR SOCIAL MEDIA ACCOUNTS AND YOUR COMPUTER!

Facebook security compromises are in the news in recent weeks, and scammers are taking advantage of this in a variation of the "tech support scam" we have previously written about. And because Facebook's security issues are top of mind for many, calls from these scammers can sound more credible.

HOW IT WORKS:

You will receive an auto-dialed call (or robocall) claiming to be from Facebook, warning that your account has a security issue. The caller directs you to press 1 if you pick up the call or they will leave a phone number for you to call back, under threat that they will suspend your account. When you talk to a "representative," they will ask you for your login credentials or other personal information. They may go on to claim that you have a computer virus that they will fix for a fee, if you let them take control of your computer remotely.

WHAT YOU SHOULD KNOW:

- Facebook is not going to call to tell you of an account problem.
- Anytime someone contacts you and requests remote access to your computer, it is a scam. The goal is to convince you of a problem you don't have to get you to pay for a repair you don't need, or to install software that gives the scammer access to social or financial accounts.

WHAT YOU SHOULD DO:

- If you get an unsolicited call claiming to be from Facebook, do not press 1 to speak to a representative, and do not return the call.
- Don't rely on results of an online search for "Facebook customer service," as many authentic-looking pages are phony.
- If you have concerns about your Facebook account, log on and click "Settings" to review your privacy settings. If you think your account has been compromised, set a new password immediately.
- If you have been targeted by this scam or have fallen victim, call the AARP Fraud Watch Network Helpline at 1-877-908-3360 for guidance and support.

BEWARE OF BOGUS OFFERS TO LOWER YOUR CREDIT CARD INTEREST RATE

One call after another rings on your phone, each promising to lower your current credit card interest rate. The callers claim that all it takes is a small upfront fee and they will negotiate significant reductions with your credit card issuers. But many of these calls are scams.

HOW IT WORKS:

A representative calls, claiming they have a special relationship with credit card issuers and can negotiate an attractive interest rate for you. Typically, they will request an upfront fee before they can negotiate on your behalf. Only, you pay the fee and never hear from them again.

WHAT YOU SHOULD KNOW:

- If there's a fee, it's a scam: the Federal Trade Commission prohibits companies who sell these services from charging an upfront fee.
- As the cardholder, you have as much or more influence when negotiating with the issuer as a third party, so make the calls yourself.
- Scammers may also seek your credit card information to make their own purchases on it, or sell it to other scammers.
- If you are registered on the National Do Not Call Registry, telemarketers may only call you if you have agreed to accept calls from that company, have bought something from that company over the past 18 months, or have recently asked the company for information.

WHAT YOU SHOULD DO:

- Be leery of any unsolicited, pre-recorded sales calls, especially if you registered your phone numbers on the National Do Not Call Registry.
- If your phone numbers are not on the National Do Not Call Registry, visit DoNotCall.gov to register today.
- Don't give your credit card, bank account information, or your Social Security number to anyone who calls you unsolicited.
- If you have been targeted by this scam or have fallen victim, call the AARP Fraud Watch Network Helpline at 1-877-908-3360 for guidance and support.

JOIN THE PHOENIX NEIGHBORHOOD PATROL!

OUR DEER VALLEY PARK NEIGHBORHOOD NEEDS YOUR INVOLVEMENT!!!

If you missed our Roadshow PNP Training at the DVCC in May and would like to join the Phoenix Neighborhood Patrol, sign up or get more information, call Laura Robins at 623-533-0847 or e-mail Phoenix Police Detective Brian Komegayt brian.komegayt@phoenix.gov.

"It's a great way to get involved in your neighborhood and take pride in your area," said Komegay, who coordinates the program. Phoenix police are working on streamlining training to allow more residents to participate. The remaining 2019 Block Watch Basics and Phoenix Neighborhood Patrol Training Classes are on Saturday mornings:

September 14th and November 16th

from 7:30 am until Noon at the Mt. View Precinct Community Room, 2075 E. Maryland Avenue (between Glendale Ave. & Bethany Home Road). Seating is limited, e-mail Det. Brian Komegay at brian.komegayt@phoenix.gov or call 602-256-4303 to R.S.V.P.

BLOCK WATCH IMPROVES THE QUALITY OF LIFE WITHIN OUR DEER VALLEY PARK NEIGHBORHOOD!

Block Watches come in all sizes. They can be a few houses in a cul-de-sac to a whole square mile neighborhood organization. They help to develop a "sense of community" and strengthen and sustain neighborhoods by bringing residents/neighbors together with a common interest.

Every Block Watch starts with one person and their concern for the safety and well-being of themselves and their families. Their motivation may be to meet or get to know their neighbors to protect the children, to keep property values up by eliminating blight and graffiti, to stop speeding on the streets by installing speed humps to protect the children, to have peace of mind by discouraging barking dogs and loud parties, and to be safe from crimes like burglary, theft and assault.

We all want to live in a safe and secure environment. Our homes should be a safe haven. By rights there should be several "Layers of Protection" around our homes starting with National and State Governments controlling our Borders, then State and City Police Departments with local precincts and City Governments that provide education and resources, then Community Member Groups providing Phoenix Neighborhood Patrolters and PNP signs posted on neighborhood streets and then a Block Watch on our own street with neighbors watching out for neighbors and then our own home security alarms and lighting from burglary prevention education.

If you are interested in starting up a Block Watch on your street please contact our Black Mountain Police Precinct Community Action Officer Tom

Owsley at 602-495-5192 or thomas.owsley@phoenix.gov. Come to the Black Mountain Community Alliance Meeting on the second Wednesday of each month (except July, August & November) at 6:30 pm at the Deer Valley Community Center where we hold our Deer Valley Park Neighborhood Block Watch Organization Meetings and meet with our Community Action Officer!

AROUND THE BLOCK...

Share info, recipes, humor and household tips!
e-mail DVPNBWO@aol.com

NEW BLACK GARBAGE CANS ARE COMING...

The city of Phoenix is rolling out some new trash containers. As container bins break or reach the end of their lifecycle, the city will replace your old green trash container with a new black container. The color change is happening for several reasons: Black is more commonly used in the industry for trash collection, the black bins are cost-effective and they are easier to recycle when no longer in use. Please know that the bins will only be replaced when needed, so we appreciate your patience.

NEW HANDS-FREE CELL PHONE LAW

(This is the actual language of the law.)

1. OFFICERS MAY ONLY ISSUE A WARNING FOR A VIOLATION OF THIS SECTION. Civil Citations issued under the new ARS 28-914 cannot be issued until January 2021.
2. The new statute provides that a person operating a motor vehicle is prohibited from the following:
 - Physically holding or supporting a cell phone with any part of their body
 - Writing, sending or reading texts, instant messages, e-mails or internet data on a cell phone
3. The statute is NOT violated under the following circumstances:
 - The vehicle is parked or stopped
 - Driver is using voice-based communications to write, send, or read a text
 - Driver is using a phone or other device in hands-free mode for navigation, GPS use or obtaining motor vehicle information
 - Driver is operating a device through an interface with the motor vehicle that allows hands-free communication except to actuate or deactivate a function
 - A cell phone is used to report illegal activity or summon emergency help

VISIBLE HOUSE NUMBERS

Please take a moment to step out in front of your home and look for your address. Seriously, if you were an emergency responder is your address visible? Have bushes grown and now obscure or is there an RV parked in such a way that the house numbers are not easily seen? DO NOT rely on the painted curb because a parked vehicle can cover it up. If you have an alley, please take the time to be sure your address is visible on your fence also. Also, make sure the address numbers are visible after dark! Solar LED Spotlights work great!

HALLOWEEN HEALTH AND SAFETY TIPS

Autumn holidays like Halloween and Harvest Day are fun times for children of all ages, who can dress up in costumes, enjoy parties, enjoy fall fruits and vegetables, and eat yummy treats. These celebrations also provide a chance to give out healthy snacks, get physically active, and focus on safety. Check out these tips to help make the festivities fun and safe for trick-or-treaters and party guests.

Going trick-or-treating?

- ❖ Swords, knives, and similar costume accessories should be short, soft, and flexible.
- ❖ Avoid trick-or-treating alone. Walk in groups or with a trusted adult.
- ❖ Fasten reflective tape to costumes and bags to help drivers see you.
- ❖ Examine all treats for choking hazards and tampering before eating them. Limit the amount of treats you eat.
- ❖ Hold a flashlight while trick-or-treating to help you see and others see you. Always WALK and don't run from house to house.
- ❖ Always test make-up in a small area first. Remove it before bedtime to prevent possible skin and eye irritation.
- ❖ Look both ways before crossing the street. Use established crosswalks wherever possible.
- ❖ Lower your risk for serious eye injury by not wearing decorative contact lenses.
- ❖ Only walk on sidewalks whenever possible, or on the far edge of the road facing traffic to stay safe.
- ❖ Wear well-fitting masks, costumes, and shoes to avoid blocked vision, trips, and falls.
- ❖ Eat only factory-wrapped treats. Avoid eating homemade treats made by strangers.
- ❖ Enter homes only if you're with a trusted adult. Only visit well-lit houses. Don't stop at dark houses. Never accept rides from strangers.
- ❖ Never walk near lit candles or luminaries. Be sure to wear flame-resistant costumes.

Expecting trick-or-treaters or party guests?

Follow these tips to help make the festivities fun and safe for everyone:

- Provide healthier treats for trick-or-treaters such as low-calorie treats and drinks. For party guests, offer a variety of fruits, vegetables, and cheeses.
- Use party games and trick-or-treat time as an opportunity for kids to get their daily dose of 60 minutes of physical activity.
- Be sure walking areas and stairs are well-lit and free of obstacles that could result in falls.
- Keep candle-lit jack o'lanterns and luminaries away from doorsteps, walkways, landings, and curtains. Place them on sturdy tables, keep them out of the reach of pets and small children, and never leave them unattended.
- Remind drivers to watch out for trick-or-treaters and to drive safely.

Don't be Tricked by Your Teens this Halloween

For teens past the trick-or-treating age, Halloween can still be fun without the candy and costumes, yet it can also be filled with parties, pranks and mischief. For parents worried about their kids' safety, you can make sure Halloween is the right combination of tricks and treats. Here are some common TRICKS kids are known to play:

- **Sleep-Over Sneak Outs** – Understand that little "sleeping" goes on during sleep-overs. Group mentality and peer pressure can affect decision-making. Talk to your teens before allowing them to have or attend a sleep-over and discuss appropriate behavior and expectations.
- **The Other Mother Lie** – If your child is staying at someone else's house for the evening, talk to those parents directly. Make sure that they are really planning to be there. Both sets of parents may be thinking the same thing, that only their child is at your house, when really neither are true.
- **Incredible Vanishing Medicine Bottle** - Prescription drug abuse by teens is an epidemic here in Arizona. One out of five kids has tried a prescription drug to get high. Take action and safeguard your medicine cabinet.
- **When the Cat is Away** – Even the best-behaved teens can be taken advantage of if word of a parent-free house gets out. Understand that your absence can open the possibility to mischievous behavior. If you are leaving town without your teen, make sure to set rules and expectations and you are both clear on who is able to visit the house.

There comes a time in your teen's life when they may face tricky situations. Understanding what your teen is encountering and having the tricks to protect them will keep them safe this Halloween.

ALSO, PLEASE PROTECT YOUR PETS BY KEEPING THEM INDOORS !!!

TSA ID rules take effect on October 1st

ADOT MVD urges Arizonans to get the Travel ID

The Arizona Department of Transportation Motor Vehicle Division is urging customers not to delay getting the Travel ID to ensure they have an ID valid at TSA airport checkpoints and federal buildings.

"This date is looming large for Arizonans with driver licenses and ID cards," said MVD Stakeholder Relations Manager Jennifer Bowser Richards. "We don't want to see peoples' travel plans ruined because they don't have an ID that meets the upcoming new federal TSA checkpoint requirements, but that's a very real risk for people who don't get a Travel ID."

Customers who wish to get the Travel ID can make an appointment at servicearizona.com to visit an MVD office. Many Authorized Third Party offices also provide license and ID services. The cost is \$25, and the Travel ID replaces the current license or ID and re-sets the expiration date. Under federal law it's valid for 8 years.

In order to get the Travel ID, customers need to bring in a document such as a birth certificate or valid U.S. Passport to prove identity and a second document with their Social Security number. Finally, two pieces of documentation proving Arizona residency such as a utility bill, bank statement or something similar with a current name and physical address (not a P.O. Box) are also needed.

Bowser Richards added, "There are customers who plan to simply use a Passport even if they're just flying to someplace like Atlanta, Denver, or L.A., which is their choice, but we suggest that the Travel ID is more convenient. Other customers have told us they rarely, if ever, travel by air, but having a Travel ID would be valuable in case of an unexpected trip that required air travel."

State law requires that Arizona motorists be given a choice between being issued a non-federally compliant credential or getting the Travel ID. Arizona is among 37 states to offer this choice.

For more information and to apply for a Travel ID: getthegoldstar.com

BLIGHT AND ZONING LAWS

STRUCTURES: The maintenance of a home is the responsibility of the property owner. Any wood, siding, shingles, roof covering, railings, fences, walls, ceilings, porches, doors, windows, screens and other exterior parts of any structure on the property must be maintained in weather tight, sound condition and in good repair. The property owner is responsible for making sure there are no doors or windows left open and not secure to the outside. **FOR HELP call the Preservation Division of the Neighborhood Services Dept. at 602-495-0700 to see if you qualify for a free Grant!**

OUTDOOR STORAGE: All outside storage that can be seen from the street should be inside sheds or cabinets. Items should not be set in car ports in view of the street. Please use enclosed areas or backyards.

JUNK, TRASH & DEBRIS: Junk, trash and debris cannot be left in the yard or car port and must be properly disposed of. This includes junk auto parts, appliances, furniture, building and/or landscaping material, trash such as discarded papers, cardboard, plastics, etc. including tree trimmings and fallen limbs or any other items that appear to have been discarded. The only exception is during the Bulk Trash Collection weeks four times a year.

PARKING: Parking is only permitted for passenger cars and motorcycles on residential streets, on driveways or in garages. A driveway or parking area must be constructed with an approved dust free parking surface. The stone must be 1/4 - 3/4 in size with a permanent border holding it in. 1/4 minus size stone is not allowed for parking. There are limits to the amount of front yard area that can be used for parking. Only 35% of the front yard may be converted to driveway or dust free parking.

GRASS AND WEEDS: Grass and weeds must not be allowed to grow over 6 inches high due to fire hazard, allowing the weeds to go to seed and spreading throughout the neighborhood and insect infestation.

ELIMINATE GRAFFITI: Keeping the neighborhood graffiti free is something we can all do. If there is graffiti on your property, please remove it as soon as possible. The Graffiti Busters Program provides paint, supplies and training to assist groups with eliminating graffiti. The City will also remove the graffiti from private property with written permission from the property owner. Call 602-495-7014.

GREAT ANIMAL CHARITIES TO DONATE TO:

ANIMAL CRUELTY TASK FORCE: Need cases of water, 5 lb. bags of dog/cat food, bowls, towels, collars and leashes. Bring items to our DVPNBWO / BMCA Meetings on the 2nd Wednesday of each month at the DVCC or drop them off anytime at the Black Mountain Precinct at 33355 North Cave Creek Road, Phoenix AZ, 85331.

WHEN YOU CALL 911 KNOW THE 10 W'S

What - is your location? GIVE EXACT LOCATION

What - happened? WHAT TYPE OF CRIME?

When - did this happen?

These questions will determine if it is a priority call. Give as much of this necessary information as you can.

Was - anyone hurt?

Weapons - are there weapons involved?

What - manner did they leave or arrive - foot, vehicle, bicycle...?

Who - did it? -Suspect description

Where - did the suspect go? - What direction

What - did the suspect obtain? - type and amount

Who - is calling? - Give your name location and phone number (You can remain anonymous.

If you do give your name, the info is redacted from the public record access.)

SIGN UP FOR REVERSE 911 *IN CASE OF EMERGENCY*

Getting an emergency message out to those living near a catastrophe can be difficult. In Arizona, there is a reverse 911 system.

The Community Emergency Notification System helps those managing a disaster send a message to potential victims, alerting them to stay away and stay safe.

The Community Emergency Notification System is a robo-voice message alert going straight to your phone.

The system automatically dials the landlines in the area of the active scene, but with landline phones nearly extinct, you must register your cell phone if you want to get the message.

[\[Click here to register your phone\]](#)

<https://maricoparegion911.onthealert.com/Terms/Index/?ReturnUrl=%2f>

The system will be able to send text messages out and not only to those who are registered but also to anyone who is near a cell tower where the situation is ongoing.

FOLLOW POLICE DISPATCH CALLS ONLINE

If you see a police helicopter or other police activity in your area, go to www.radioreference.com and you may be able to follow police dispatch reports. Click on Live Audio, AZ, Maricopa, Phoenix Police and speaker

DVPNBWO GRAFFITI WATCH

Our neighborhood needs help! If you would like to join our Graffiti Team to paint over the graffiti as soon as it shows up around the neighborhood, please e-mail dvpnbwo@aol.com.

When you see it in and around our neighborhood please call Tom Robins at 623-533-0847. THANKS!

IMPORTANT INFO ABOUT NEXTDOOR!

The Police can only post information and events, they cannot see any posts by you or your neighbors unless the posts are directly responding to the Police post. When you or your neighbors talk about suspicious activity, burglaries, etc. on the neighborhood list, the police cannot see it. So, you need to call the information in to CRIME STOP 602-262-6151 or to be anonymous, call SILENT WITNESS 480-WITNESS.

Phoenix Library Events

Did you know the Phoenix Public Library hosts many classes and events. Children's programs such as *Family Storytime* or *Babytime for Crawlers* are held daily at various libraries and classes such as *Basic Computer Skills* or *Introduction to Word Processing* are held periodically.

Search <http://www.phoenixpubliclibrary.org/events.jsp> for classes or events at a library near you. (Call JUNIPER BRANCH LIBRARY located behind KFC at 19th Avenue and Union Hills Drive at 602-262-4636.)

Website: www.IdentityTheft.gov

Recovering from identity theft is easier with a plan. If someone has stolen your identity, or you've gotten a notice about a data breach, visit the FTC's new site at IdentityTheft.gov for help. IdentityTheft.gov is the federal government's one-stop resource to help you report and recover from identity theft. It's also available in Spanish at RobodelIdentidad.gov.

If you visit the website for the Federal Trade Commission www.ftc.gov and go to Publications (type publications in the search bar) you should be able to locate approximately 187 different FREE publications on all types of different topics. This may be a good resource for community information without the burden of paying for printing.

You can also get on the DO NOT CALL REGISTRY!

The **Do Not Call Registry** accepts registrations from both cell phones and land lines. To register by telephone, call 1-888-382-1222 (TTY: 1-866-290-4236). You must call from the phone number that you want to register. To register online (donotcall.gov), you will have to respond to a confirmation email.

WE APPRECIATE THE SUPPORT FOR OUR CRIME PREVENTION & SAFETY PROJECTS FROM OUR COMMUNITY BUSINESS PARTNERS!

DEER VALLEY PARK NEIGHBORHOOD BLOCK WATCH ORGANIZATION

BE THE FIRST ON YOUR BLOCK TO GET THE NEWS!

GET ON THE DVPNBWO E-MAIL LIST !

E-mail dvpnbwo@aol.com and request to be put on the e-mail list to receive CRIME ALERTS, reminders for the Deer Valley Park Neighborhood Community Meetings, early copies of this neighborhood newsletter IN COLOR and timely information about Lost Pets, Neighborhood Events and Concerns.

A REMINDER: PLEASE REMEMBER ON COLLECTION DAYS TO PUT YOUR GARBAGE AND RECYCLE CANS IN THE STREET WITH THE WHEELS AGAINST THE CURB AND NOT ON THE SIDEWALK WHERE OUR KIDS RIDE THEIR BIKES, ETC.

BULK TRASH PICKUP

The next date for our neighborhood (Area 12) to start putting out bulk trash will be on **Saturday, NOVEMBER 2nd**. Pick up begins on **Monday, NOVEMBER 11th**.

Remember, there is a **ONE WEEK RULE**, so don't put the trash out too early.

Bulk trash consists mainly of materials that cannot be placed in your green/black garbage container or recycled in your blue Phoenix Recycles container.

Unacceptable Materials

Our Bulk Trash crews will not pick up the following:

- More than 10 cubic yards per residence, or a pile the size of a SUV
- Loose debris and litter
- Loose grass, leaves, weeds, twigs and hedge clippings
- Household hazardous waste (HHW), such as antifreeze, pool chemicals, oil, batteries and paint
- Community piles
- Materials placed in the Bagster bags
- Materials such as bricks, concrete, dirt, rocks, asphalt and roofing shingles/tiles
- Construction materials in excess of 25 pounds or over four feet long
- Metal or car parts in excess of 20 pounds or over four feet long
- Tires, any shape or size
- Glass such as windows, shower doors, patio doors, mirrors, fluorescent tubes, etc.
- Tree trunks or stumps larger than 12" in diameter
- Appliances that use refrigerants such as freezers, refrigerators and air conditioners

(Remember that the trash needs to be 5 feet away from any object, behind the curb, and no larger than a pile 10 feet long, 9 feet wide and 6 feet high. If the pile runs up into your driveway expect to clean the area above the sidewalk yourself.)

Check out our website: www.dvpnbwo.com

For questions, concerns or e-mails to the Editor, please e-mail them to: dvpnbwo@aol.com
