WELCOME NEW DIRECTOR Noreena M. Ortega
Office: 602.495.3734 Email: noreena.ortega@phoenix.gov

JOIN THE PHOENIX NEIGHBORHOOD PATROL! OUR DEER VALLEY PARK NEIGHBORHOOD NEEDS YOUR INVOLVEMENT!!!

If you like to walk, bike or drive around the park or neighborhood, you can patrol!

Join the Phoenix Neighborhood Patrol, sign up or get more information, call Laura Robins at 623-533-0847.

"It's a great way to get involved in your neighborhood and take pride in your area," said Kornegay, who coordinates the program. Phoenix police are working on streamlining training to allow more residents to participate. The 2021 Block Watch Basics and Phoenix Neighborhood Patrol Training Classes continue online at this time. Next classes are:

November 17th & 18th

Both days are from 5:00 – 7:00 pm

e-mail Det. Brian Kornegay at PNP.Coordinator@phoenix.gov
or call 602-256-4303 for information

CONGRATULATIONS!

to the Winner of the WINTER 2021-22
"Best Looking Home in the Neighborhood!"

2008 W. Kimberly Way

NOMINATE THE NEXT GREAT LOOKING HOME IN OUR NEIGHBORHOOD!

Is there a home on your block that is exceptionally well cared for and meticulously maintained? Then honor your neighbor by nominating them! E-mail dvpnbwo@aol.com or call 623-533-0847 to nominate the next best looking home in our neighborhood. The address with the most nominations will win! The SPRING 2022 winner will be published in the SPRING MarAprMay 2022 Newsletter!

Black Mountain Precinct Updates

Sgt. Linda Miller, Lt. Brian Rimsza, CAO Jon McQuillan, CAO Tom Owsley, CAO Thomas McKee, Cmdr. Darren Viner and Officer Allen

Cmdr. Darren Viner reported that violent crimes are up 5% from July to August this year. In general, the rates are low. The In-Person GAIN Kick-off Event is on Saturday, October 2nd at Christown Mall from 10 am to noon. There is a 911 Event at Amped Coffee in Anthem. The Precinct will be doing Homeless Outreach on September 15th & 16th in the I-17 corridor between Bell Road and Cactus Road. Next In-Person Coffee with Cops is on Thursday, September 23rd 8:30 am at Times Square, 7th Street and Union Hills Drive.

PRESENTATION:

CRISIS INTERVENTION TEAM with Det. Jason Toth

Great presentation by Det. Jason Toth who has been with the PPD for 34 years. He said that 1 in 4 persons are dealing with mental health concerns. There are too many calls for service that involve behavioral crisis and not crime. There is now crisis counselor

training in the Academy. There are also many resources that are now available to help. The Crisis Intervention Team navigates people to the services they need instead of a police situation. There have been a million calls to 911 so far this year. The Dispatchers are trained to gather the information needed to best handle the response and they redirect 60% of these 911 calls to Crisis Management. The 8 detectives on the CIT handle the whole City. There is now a 40 hour course on crisis management for all Police Officers.

For questions, please call Detective Jason Toth at 602-501-3348

The Crisis Line toll free number is 1-800-631-1314 Hearing Impaired (TTY/TDD) at 1-800-327-9254 www.mercymericopa.org

OCTOBER 13, 2021

DVPNBWO,

Black Mountain Community Alliance & BLACK MOUNTAIN PRECINCT ZOOM MEETING HIGHLIGHTS

with 26 in attendance!

ZOOM Meeting called to order at 6:32 pm

COUNCIL DISTRICT 1 NEWS:

Council District 1 Aide Derik reported that he and Councilwoman Ann spent the day at the Citizen's Academy, which was an amazing experience. Everyone should take the training! There is a new technique for stopping criminals with pepper balls shot out of paint guns. There is a severe shortage of Police and City Council needs to step up. The next Council 1 Breakfast is at the

Doubletree on Oct. 29th at 7:30 am. There will be no November Dinner, but an early December one on the 6th at 5:30 pm at State 48 in Norterra. Goldie had a great GAIN Event on October 7th at Madison Meadows.

Black Mountain Precinct Updates

CAO Jen Zak, Officer David Hurt, Lt. Brian Rimsza & Sgt. Linda Miller

Sgt. Linda Miller reported on the Crime Suppression Project along the I-17 Corridor. There was a new owner at the Victory/Ocotillo Inn and everything was going good with an 80% decrease in crime. Now, there is a new manager and now there is a mix of transitional housing causing problems due to not enough staff at the facility. Code Enforcement has done a full inspection of the property and we hope things will improve. Fencing has been an issue. Lt. Brian Rimsza joined the meeting and talked about upcoming Events, a car wash benefiting Boys & Girls Clubs starting on Monday for a week at Desert Ridge Marketplace, several G.A.I.N. Events, the DEA Drug Takeback is also on October 23rd, and CWC is on October 28th. There may be a Shred-a-thon in Cave Creek in November.

PRESENTATION:

PHOENIX CRIME LAB with Jody Wolf, Admin.

Awesome and very interesting presentation by Jody Wolf on the Phoenix Crime Lab! No, crimes are not solved in 60 minutes like on TV. There are many experts doing the forensic investigation.

There are many expensive machines for analyzing specimens from crime scenes. Special lighting is used to detect bodily fluids. Evidence storage is vast and well maintained which helps with cold cases. The Phoenix Crime Lab is the largest in the state of Arizona, one of the best in the country and is the most complete.

The civilian forensic scientists assist with crime scene investigations, firearms, latent prints, DNA, controlled substances, toxicology, medical examiner, digital forensics and trace & arson. Tours of the Crime Lab are still on hold due to Covid.

Precinct 602.495.5002

OCTOBER: THE START OF HOLIDAY FESTIVITIES

Happy October everybody! The season of “end of the year” festivities are upon us kicking off with the changing of the leaves, supposedly “cooler weather” and pumpkin spice everything. Here are a few things from the Phoenix Police Department to have a Safe, fun and festive Autumn.

Speaking of festive, we are proud to announce the city is proudly participating in the G.A.I.N events this year and we are looking forward to participating with you. For those who have not heard of G.A.I.N, this is a national event where we join with the neighborhoods to promote safety, awareness and neighborhood unity. For those participating and hosting, the G.A.I.N kick off will be October 2nd from 10 a.m. to 12 p.m. at Christown Spectrum Mall at 1703 W Bethany Homes Rd. If not in-person, it will be a drive through event to pick up your gear and supplies. The actual festivities will be October 23rd, 2021. Check with your local neighborhoods or reach out to your Community Action Officer to see which neighborhoods are hosting an event. We hope to see you all there.

October marks another festival that was so spectacular, it has been celebrated yearly since 1810. Oktoberfest is a yearly celebration of German Culture with showcases, music, dancing, food and of course, Beer. Though this is typically celebrated from Mid-September to the beginning of October, places will hold their own events way past the start of October. Always a good time but as your friendly neighborhood Officer, remember to never drink and drive. If you decide to thoroughly enjoy yourself, please have a designated driver. There is also ride share apps on your smart phones such as Uber and Lyft to help get you from home and back without issue.

For the children of our city (and children at heart), October is all about Halloween with spooky ghosts, bags full of candies, and character dress up. I know my kids are looking forward to Halloween especially after last year’s lockdowns. Just a few reminders when taking out the kids for trick or treating. Make sure to look both ways before crossing the street to houses to avoid being hit by an oncoming car. Do not let small kids go out by themselves and have a responsible adult with them. When going to houses, do not allow kids to go into a stranger’s house or vehicle. Only go to houses that have lights on and have clear indications they are participating. Lastly, more courtesy than safety, do not be the kid/parent who takes more than one candy from the house that leaves the bowl outside. With all that said, have a safe and fun Halloween.

Clearly, October is the beginning of the most festive time of the year. Unfortunately, COVID is still a factor in our society. Vaccinated or not, be mindful and respectful of those around you. Maintain social distancing when possible and wash your hands. If you are showing signs and symptoms, please stay home so you do not get others sick. If we can be respectful of our spaces and take care of ourselves, October can be a fun time for everyone.

If you have any further questions or concerns, we are available to help you out with anything you need. On behalf of the Phoenix Police Department in the Black Mountain Precinct, Have a fun and safe October. Prost!

CAO Thomas McKee #9214 at 602-495-5227 or
thomas.mckee@phoenix.gov

IT’S FALL, Y’ALL

The hot summer air is finally cooling down, and slowly, very slowly, light jackets and sweaters are reappearing. Pumpkin spice everything is everywhere. Cinnamon, pumpkin, pine, and the smell of burning fire pits are starting to fill the air. Before you know it, the holiday season is here.

Thanksgiving is very quickly approaching.

Last year our wonderful police officers at the Black Mountain Precinct participated in a turkey drive. We took donations of all types; from bags of candy, to all the Thanksgiving dinner fixings, including turkey. We made it into a contest that will hopefully carry on as a precinct tradition for years to come. Each item donated earns points. The winning squad is permanently etched into the precinct “turkey” plaque to honor their contributions.

This year, since we have an amazing giving community, we would like to reach out to all of our Black Mountain groups. Help us collect Turkeys and all the Thanksgiving fixings, so we can provide those items to our community in need. Last year we partnered with a church within our precinct, as well as our area Department of Children services, and provided multiple meals for multiple families. Help us carry on that tradition.

I challenge each of our Block Watch groups to begin your own turkey drive. Locate a food bank, shelter, school, church or other program that may be in need, and reach out to them. Hold a contest among your block watch and community groups to collect those items needed to have full and satisfying Thanksgiving meals.

Of course, your Black Mountain Precinct Community Action Officers are here to help. Please reach out to us if you do not know where to start. We can help point you in the right direction. If you want to join us in our efforts this year as well, we can always use the extra help. Please keep an eye out on Nextdoor, where we will begin to post further information on our Thanksgiving food drive, and who we will partner with this year! Let us help the community we live and work in.

Happy Fall, and may your Thanksgiving be full.

CA Officer Jennifer Zak #9170 at 602-495-5274
jennifer.zak@phoenix.gov

PD can DANCE!!!

DVCC Director Noreena Ortega manned the mike and music!

BLOCK WATCH IMPROVES THE QUALITY OF LIFE WITHIN OUR DEER VALLEY PARK NEIGHBORHOOD!

Block Watches come in all sizes. They can be a few houses in a cul-de-sac to a whole square mile neighborhood organization. They help to develop a "sense of community" and strengthen and sustain neighborhoods by bringing residents/neighbors together with a common interest.

Every Block Watch starts with one person and their concern for the safety and well-being of themselves and their families. Their motivation may be to meet or get to know their neighbors to protect the children, to keep property values up by eliminating blight and graffiti, to stop speeding on the streets by installing speed humps to protect the children, to have peace of mind by discouraging barking dogs and loud parties, and to be safe from crimes like burglary, theft and assault.

We all want to live in a safe and secure environment. Our homes should be a safe haven. By rights there should be several "Layers of Protection" around our homes starting with National and State Governments controlling our Borders, then State and City Police Departments with local precincts and City Governments that provide education and resources, then Community Member Groups providing Phoenix Neighborhood Patrollers and PNP signs posted on neighborhood streets and then a Block Watch on our own street with neighbors watching out for neighbors and then our own home security alarms and lighting from burglary prevention education.

If you are interested in starting up a Block Watch on your street please contact our Black Mountain Police Precinct Community Action Officers are Tim Tewers #8698 at 602-495-5213 or 480-506-6454 tim.tewers@phoenix.gov and Jon McQuillan #8926 at 602-495-5238 or 602-904-9985 jon.mcquillan@phoenix.gov

Come to the Black Mountain Community Alliance Meeting on the second Wednesday of each month (except July, August & November) at 6:30 pm at the Deer Valley Community Center where we hold our Deer Valley Park Neighborhood Block Watch Organization Meetings and meet with our Community Action Officer!

Meetings have been on ZOOM. Check the website for updates at www.dvnpbw.com

602-261-8587 e.mari.herrera-daniels@phoenix.gov

BLIGHT AND ZONING LAWS

STRUCTURES: The maintenance of a home is the responsibility of the property owner. Any wood, siding, shingles, roof covering, railings, fences, walls, ceilings, porches, doors, windows, screens and other exterior parts of any structure on the property must be maintained in weather tight, sound condition and in good repair. The property owner is responsible for making sure there are no doors or windows left open and not secure to the outside. *FOR HELP call the Preservation Division of the Neighborhood Services Dept. at 602-495-0700 to see if you qualify for a free Grant!*

OUTDOOR STORAGE: All outside storage that can be seen from the street should be inside sheds or cabinets. Items should not be set in car ports in view of the street. Please use enclosed areas or backyards.

JUNK, TRASH & DEBRIS: Junk, trash and debris cannot be left in the yard or car port and must be properly disposed of. This includes junk auto parts, appliances, furniture, building and/or landscaping material, trash such as discarded papers, cardboard, plastics, etc. including tree trimmings and fallen limbs or any other items that appear to have been discarded. The only exception is during the Bulk Trash Collection weeks four times a year.

PARKING: Parking is only permitted for passenger cars and motorcycles on residential streets, on driveways or in garages. A driveway or parking area must be constructed with an approved dust free parking surface. The stone must be 1/4 - 3/4 in size with a permanent border holding it in. 1/4 minus size stone is not allowed for parking. There are limits to the amount of front yard area that can be used for parking. Only 35% of the front yard may be converted to driveway or dust free parking.

GRASS AND WEEDS: Grass and weeds must not be allowed to grow over 6 inches high due to fire hazard, allowing the weeds to go to seed and spreading throughout the neighborhood and insect infestation.

ELIMINATE GRAFFITI: Keeping the neighborhood graffiti free is something we can all do. If there is graffiti on your property, please remove it as soon as possible. The Graffiti Busters Program provides paint, supplies and training to assist groups with eliminating graffiti. The City will also remove the graffiti from private property with written permission from the property owner. Call 602-495-7014.

CRIME TIPS

CATALYTIC CONVERT THEFTS

Across the nation, law enforcement is reporting a dramatic increase in the theft of catalytic converters from personal vehicles. According to the National Insurance Crime Bureau (NICB), there were fewer than 1,300 such thefts reported in 2018. That number jumped to more than 14,000 in 2020. We want to make you aware of this emerging trend and share some tips on how you can help protect your catalytic converter from theft.

What is the Catalytic Converter? The catalytic converter is a device that helps control your vehicle's emissions, by converting hazardous exhaust to less harmful gasses. It's part of your exhaust system, and usually located between the engine and your muffler. Catalytic converters contain precious metals, which thieves can sell to scrap metal recyclers.

Are some types of vehicles more susceptible to catalytic converter theft? Hybrid vehicles, trucks and SUVs are popular targets. Because a hybrid car doesn't use the gas engine as often, the catalytic converter retains more of its precious metals. Trucks and SUVs can also be targets as it's easier for thieves to slide underneath the vehicle where the converter is located.

WHAT CAN I DO TO HELP PREVENT THE THEFT OF MY CATALYTIC CONVERTER?

- If you have a home garage, park your car inside and keep the garage door shut. If you can't park inside, install motion sensing lights in your driveway.
- No home garage? Consider a parking garage or other type of secured parking area. When garages are not an option, park in locations that are well-lit, highly visible and/or have security cameras, all of which may help dissuade would-be thieves.
 - If you have a high-riding vehicle (truck, SUV) back into parking spaces near lower profile cars, fences, bushes or other obstacles to make it more difficult to access underneath.
- If you have a car alarm, set it to respond to vibrations.
- Several specialized clamps and shields are now on the market to protect catalytic converters. Talk with a trusted mechanic or dealership to determine if one is right for your vehicle(s).
- Talk to your local body shop about etching your vehicle's VIN on the catalytic converter. VIN etching can help police identify the owner, aid in a criminal investigation, and alert metal recyclers that the catalytic converter may have been stolen.

PROTECTING YOUR CAR'S CATALYTIC CONVERTER:

What should I do if my catalytic converter is stolen? Report the theft to the police and then contact your insurance company. You may be covered for the theft if you carry comprehensive coverage on the vehicle. Catalytic converter thefts are a growing issue, but with some simple steps you can better avoid becoming a victim.

CATALYTIC CONVERTER THEFT PREVENTION IDEA!

After the catalytic converter was stolen on my RV in April, I inquired about ways to safeguard the new one. I was told a cage built around it would cost at least \$500.00!

Well, a former neighbor sent me an e-mail about a shop that only charges around \$200.00!

He welds 2 metal plates to the chassis. Worth looking into!

MOVING? BEWARE THE ROGUE CARRIER

Moving to a new home, whether down the road or across the country, produces stress and anxiety for even the hardest of humans. Make sure your long checklist includes closely researching your moving company options, lest your life's possessions be held hostage for more money by a sham mover.

HOW IT WORKS:

Enticing ads for cheap moving options abound online and in print.

The "affordable" mover will give you an estimate without coming to your home to assess the work effort. (This is a tough one during the pandemic because some companies avoid home visits, so it's not always the sign of a scam.)

The mover requires a large deposit or full payment in advance.

Once their truck is loaded with your possessions, they jack up the price and may even refuse delivery (known as a "hostage load").

WHAT YOU SHOULD KNOW:

Once a sham mover has your belongings, they hold all the cards — so researching before signing on is critical.

Tells that the mover may not be legit include its website not listing a local address or providing information about its registration and your insurance options.

Every moving company must register with the US Department of Transportation's Federal Motor Carrier Safety Administration; you can look up whether the company you are considering is registered [here](#). No registration, no contract.

WHAT YOU SHOULD DO:

While cost is an important consideration, try not to let it be your driving force.

Research your options — beyond looking up the mover's registration status, do a web search of the company name with words like "scam" or "sham" and see what comes up.

Always get a written estimate before any work begins — and if there are any changes, insist on a revised estimate before any packing or loading begins.

Apparent developer selected for Interstate 17 improvements north of Phoenix

23-mile construction project anticipated to begin in 2022

Department of Transportation has entered into negotiations with the apparent preferred developer to design, construct, operate and maintain improvements to Interstate 17 between Anthem Way and Sunset Point, a major stretch of highway that sees more than one million travelers every year.

After an extensive review process, Kiewit-Fann Joint Venture has been selected as the preferred developer. Key members of the development team include Kiewit Infrastructure West Co.; Fann Contracting Inc.; Kiewit Engineering Group Inc.; DBI Services LLC; CONSOR Engineers LLC dba Apex Design; T.Y. Lin International; Lee Engineering; Terracon Consultants Inc.; Wheat Design Group, Inc.; Y2K Engineering; and Pinyon Environmental Inc.

For years, Arizona motorists, businesses and tourists have voiced their support for widening and improving I-17 north of the metro-Phoenix region to alleviate congestion and improve traffic flow. This project will improve 23 miles of I-17, including 15 miles of roadway widening, two bridge replacements, one bridge deck replacement, 10 bridge widenings, and the installation of an eight-mile flex lane system — a new feature for Arizona’s highway system. Flex lanes are proven technology to help reduce congestion on I-17 during peak travel times and allow for traffic movement during emergency situations.

ADOT sought proposals from qualified developer teams interested in reconstructing the 23-mile section of this key commerce corridor. Three finalists were selected earlier this year to advance through the selection process. All three finalists were encouraged to use innovation and develop alternative concepts to deliver the best possible design, construction, operation and maintenance strategy for the project.

The final cost will be determined after extensive contract negotiations.

“Arizonans are excited to see major improvements to Interstate 17 coming soon, and today’s news is an important step forward,” said Governor Doug Ducey. “I-17 is a critical link to northern Arizona communities and a vital economic corridor. Expanding this section of I-17 will reduce congestion, improve traffic flow and strengthen public safety. Millions of Arizonans will benefit from I-17’s improved connectivity and reliability when this project is completed.”

ADOT has begun contract negotiations, and, pending a final contract, anticipates design and construction will begin in 2022. Construction is expected to take approximately three years. Construction crews are aiming to minimize impacts to the traveling public while work is underway. On busy days, this stretch of Interstate 17 can see more than 50,000 drivers a day.

8

“The vision of the Arizona Department of Transportation is moving Arizona to become the most reliable transportation system in the nation,” said ADOT Director John Halikowski. “The I-17 project represents that vision and is a profound step toward enhancing the safety and efficiency of one of Arizona’s most iconic highways. ADOT is committed to innovative solutions to improve our highways, and this unique and creative project is a perfect example. It supports ADOT’s True North of getting everyone safely home.”

The I-17 flex lanes will operate as a separate, two-lane roadway carrying one direction of traffic at a time depending on the greatest need along the steep, winding eight miles between Black Canyon City and Sunset Point. For example, the flex lanes will be able to carry heavier northbound traffic on a Friday or heavy southbound traffic on a Sunday. Similarly, ADOT will be able to open the flex lanes to accommodate traffic anytime if a crash or other incident causes long delays. The flex lanes will be next to, but physically separated from southbound I-17 using concrete barriers. Access to the flex-lane entrances will be controlled by gates.

In February, Governor Ducey announced \$40 million in funding for the I-17 project from higher-than-anticipated revenue amid Arizona’s strong economic recovery and federal COVID-relief funds. Additional project funding sources include \$130 million of state highway funds appropriated by the state legislature in 2019; a \$90 million Infrastructure for Rebuilding America (INFRA) grant; \$50 million programmed by the Maricopa Association of Governments (MAG) for the Maricopa County portion of this project; and \$52.3 million from federal aid with matching state highway funds.

For more information about this project, visit azdot.gov/i17-anthem-way-to-sunset-point.

Litter Hotline offers options for Arizonans helping to ‘Keep Arizona Grand’

ADOT issues reminder about website for reporting litter incidents

The state’s Litter Hotline program offers even more convenient ways for travelers to reach out when they see motorists trashing state highways.

The Arizona Department of Transportation’s Litter Hotline website Litter.AZ.gov makes it possible for witnesses to input a litter report. People also can call 511, the Arizona Traveler Information phone line, and provide a report via the “Litter Complaint Line” option.

ADOT processed 1,306 Litter Hotline reports of littering over the past year, slightly down from the 1,714 processed in the same period of 2020..

“State highways provide a first-glance impression to residents and visitors to Arizona,” said Mary Currie, who manages ADOT’s Adopt a Highway programs. “We appreciate that travelers are sending a strong message that littering is not okay. It is a sign that Arizonans want to help Keep Arizona Grand.”

Litter Hotline reports require the license plate number of the vehicle from which someone was spotted littering. ADOT then sends the registered owner a reminder that littering is illegal and costly to clean up, as well as unsightly. It can result in a \$500 fine if an incident is spotted by law enforcement. The reminder letter sent out following a Litter Hotline report is accompanied by a small litter bag suitable for use in a vehicle.

ADOT spent more than \$7 million over the past year removing trash and dangerous debris from along state highways.

Complementing the efforts of those making Litter Hotline reports, ADOT’s nearly 5,000 Adopt a Highway volunteers last year cleaned up tons of litter on 1,700 miles of state highway – more than 7,800 bags in all. Volunteer participation plummeted 49% in 2020, yet volunteers saved the agency \$236,000 that can be put to other uses.

To learn more about ADOT Adopt a Highway programs, including the Litter Hotline, please visit azdot.gov/AdoptaHighway.

DON'T GIVE TO INDIVIDUALS GIVE TO SHELTERS

To end panhandling, we have to end directly giving to people panhandling. Phoenix is full of compassionate and charitable citizens. They want to help those in need. However, giving money to people panhandling doesn't fix problems. In order to truly help those in need, stop giving money to panhandlers and instead support organizations and services that provide long-lasting care. – Central Arizona Shelter Services – Andre House – Salvation Army – St. Joseph The Worker – UMOM New Day Centers – The Phoenix Rescue Mission – St. Mary's Food Bank For more organizations and information that can provide housing, or other services, please visit the Homeless Shelter Directory at:

WHEN YOU CALL 911 KNOW THE 10 W'S

What - is your location? GIVE EXACT LOCATION

What - happened? WHAT TYPE OF CRIME?

When - did this happen?

These questions will determine if it is a priority call. Give as much of this necessary information as you can.

Was - anyone hurt?

Weapons - are there weapons involved?

What - manner did they leave or arrive - foot, vehicle, bicycle...?

Who - did it? -Suspect description

Where - did the suspect go? - What direction

What - did the suspect obtain? - type and amount

Who - is calling? - Give your name location and phone number (You can remain anonymous.

If you do give your name, the info is redacted from the public record access.)

SIGN UP FOR REVERSE 911 *IN CASE OF EMERGENCY*

Getting an emergency message out to those living near a catastrophe can be difficult. In Arizona, there is a reverse 911 system.

The Community Emergency Notification System helps those managing a disaster send a message to potential victims, alerting them to stay away and stay safe.

The Community Emergency Notification System is a robo-voice message alert going straight to your phone.

The system automatically dials the landlines in the area of the active scene, but with landline phones nearly extinct, you must register your cell phone if you want to get the message.

[\[Click here to register your phone\]](#)

<https://maricoparegion911.onthealert.com/Terms/Index/?ReturnUrl=%2f>

The system will be able to send text messages out and not only to those who are registered but also to anyone who is near a cell tower where the situation is ongoing.

VISIBLE HOUSE NUMBERS

Please take a moment to step out in front of your home and look for your address. Seriously, if you were an emergency responder is your address visible? Have bushes grown and now obscure or is there an RV parked in such a way that the house numbers are not easily seen? DO NOT rely on the painted curb because a parked vehicle can cover it up. If you have an alley, please take the time to be sure your address is visible on your fence also. Also, make sure the address numbers are visible after dark! Solar LED Spotlights work great!

FOLLOW POLICE DISPATCH CALLS ONLINE

If you see a police helicopter or other police activity in your area, go to www.radioreference.com and you may be able to follow police dispatch reports. Click on Live Audio, AZ, Maricopa, Phoenix Police and speaker

DVPNBWO GRAFFITI WATCH

Our neighborhood needs help! If you would like to join our Graffiti Team to paint over the graffiti as soon as it shows up around the neighborhood, please e-mail dvpnbwo@aol.com.

When you see it in and around our neighborhood please call Laura Robins at 623-533-0847. THANKS!

IMPORTANT INFO ABOUT NEXTDOOR!

The Police can only post information and events, they cannot see any posts by you or your neighbors unless the posts are directly responding to the Police post. When you or your neighbors talk about suspicious activity, burglaries, etc. on the neighborhood list, the police cannot see it. So, you need to call the information in to CRIME STOP 602-262-6151 or to be anonymous, call SILENT WITNESS 480-WITNESS.

Website: www.IdentityTheft.gov

Recovering from identity theft is easier with a plan. If someone has stolen your identity, or you've gotten a notice about a data breach, visit the FTC's new site at IdentityTheft.gov for help. IdentityTheft.gov is the federal government's one-stop resource to help you report and recover from identity theft. It's also available in Spanish at RobodIdentidad.gov.

If you visit the website for the Federal Trade Commission www.ftc.gov and go to Publications (type publications in the search bar) you should be able to locate approximately 187 different FREE publications on all types of different topics. This may be a good resource for community information without the burden of paying for printing.

You can also get on the DO NOT CALL REGISTRY!

The Do Not Call Registry accepts registrations from both cell phones and land lines. To register by telephone, call 1-888-382-1222 (TTY: 1-866-290-4236). You must call from the phone number that you want to register. To register online (donotcall.gov), you will have to respond to a confirmation email.

Suicide Warning Signs

These signs may mean someone is at risk for suicide. Risk is greater if a behavior is new or has increased and if it seems related to a painful event, loss, or change.

✦ Talking about wanting to die or to kill oneself.	✦ Increasing the use of alcohol or drugs.
✦ Looking for a way to kill oneself, such as searching online or buying a gun.	✦ Acting anxious or agitated; behaving recklessly.
✦ Talking about feeling hopeless or having no reason to live.	✦ Sleeping too little or too much.
✦ Talking about feeling trapped or in unbearable pain.	✦ Withdrawing or feeling isolated.
✦ Talking about being a burden to others.	✦ Showing rage or talking about seeking revenge.
	✦ Displaying extreme mood swings.

Suicide Is Preventable.
Call the Lifeline at 1-800-273-TALK (8255).

**DEER VALLEY PARK
NEIGHBORHOOD
BLOCK WATCH ORGANIZATION**

**BE THE FIRST ON YOUR BLOCK TO GET THE NEWS!
GET ON THE DVPNBWO E-MAIL LIST !**

E-mail dvpnbwo@aol.com and request to be put on the e-mail list to receive CRIME ALERTS, reminders for the Deer Valley Park Neighborhood Community Meetings, early copies of this neighborhood newsletter IN COLOR and timely information about Lost Pets, Neighborhood Events and Concerns.

A REMINDER: PLEASE REMEMBER ON COLLECTION DAYS TO PUT YOUR GARBAGE AND RECYCLE CANS IN THE STREET WITH THE WHEELS AGAINST THE CURB AND NOT ON THE SIDEWALK WHERE OUR KIDS RIDE THEIR BIKES, ETC.

BULK TRASH PICKUP

The next date for our neighborhood (Area 12) to start putting out bulk trash will be on **Saturday, JANUARY 29th**. Pick up begins on **Monday, FEBRUARY 7th**.

Remember, there is a **ONE WEEK RULE**, so don't put the trash out too early.

Bulk trash consists mainly of materials that cannot be placed in your green/black garbage container or recycled in your blue Phoenix Recycles container.

Unacceptable Materials

Our Bulk Trash crews will not pick up the following:

- More than 20 cubic yards per residence, or a pile the size of a SUV
- Loose debris and litter
- Loose grass, leaves, weeds, twigs and hedge clippings
- Household hazardous waste (HHW), such as antifreeze, pool chemicals, oil, batteries and paint
- Community piles
- Materials placed in the Bagster bags
- Materials such as bricks, concrete, dirt, rocks, asphalt and roofing shingles/tiles
- Construction materials in excess of 25 pounds or over four feet long
- Metal or car parts in excess of 20 pounds or over four feet long
- Tires, any shape or size
- Glass such as windows, shower doors, patio doors, mirrors, fluorescent tubes, etc.
- Tree trunks or stumps larger than 12" in diameter
- Appliances that use refrigerants such as freezers, refrigerators and air conditioners

(Remember that the trash needs to be 5 feet away from any object, behind the curb, and no larger than a pile 10 feet long, 9 feet wide and 6 feet high. If the pile runs up into your driveway expect to clean the area above the sidewalk yourself.)

Check out our website: www.dvpnbwo.com

For questions, concerns or e-mails to the Editor, please e-mail them to: dvpnbwo@aol.com
