

COMMUNITY PARTNERSHIP

Phoenix Neighborhood Patrol has long supported the fact that involved residents are the most effective crime fighters, reporting suspicious activity as it occurs.

This program allows residents to become more actively involved as partners in crime prevention.

They are the Phoenix Police Department's "Eyes and Ears!"

The "powers" of a Phoenix Neighborhood Patrol member

Phoenix Neighborhood Patrol participants are citizens, not police officers or police department volunteers. They have no powers of arrest beyond that of any private citizen. They are trained for observation purposes only and participate for benefit of their community or neighborhood.

Block Watch does not promote intervention. Participants will exchange ideas involving crime prevention with patrol officers and their Community Action Officers in their area.
