Re: Letter of recommendation – BEE Consulting Services

Dear Sir/Madam,

I am writing to recommend the expertise, excellence efficiency and professionalism services of LK Consultants.

Mr. Kevin Winslow has been our Consultant for the past 3 years. His knowledge and attention to detail have successfully aided us in obtaining a favourable BEE yet once again.

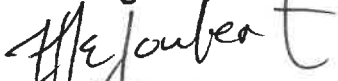

He is not only thorough but also easy to work with and is always willing to take the time to discuss any concerns and respond to questions which arise at any time.

I am honoured and confident in recommending LK Consultants services as Mr. Kevin Winslow will do regular follow ups and always has the Company's best interest and loyalty at all times.

Mr. Kevin Winslow is highly respectable, kind, gentle with a heart warming nature and is an absolute honour, joy and pleasure working with him.

We once again convey our heartfelt thanks to Mr. Winslow and wish him all the very best and great success at all times.

Kind regards,

HFE Joubert
Director
