Our wonderful Edie became an ADPi while attending Randolph Macon Women's College in Lynchburg, VA. Edie was a French major and had the opportunity to spend her junior year in France! Oh la la. After college, Edie worked in NYC and then went to Penn State for grad school when she helped colonize the ADPi chapter there. Again in 2004, she heard the call and helped with the re-colonization of the UM ADPi chapter. After marrying the love of her life, Glenn, the Gilsons moved to Alabama where he was a tax attorney. IRS brought them to Miami and afterwards he set up his private practice. They were married for 49 years until his passing. Edie has two daughters, 2 grandsons and 1 granddaughter.

Edie served as MWP President for several terms until our Centennial event. She continues to be an amazing hostess and a great member of this organization. She is always offering her home for our Wine Tasting events, meetings, you name it.

Thank you, Edie for all your years of service and sisterhood.
