Elena De Villiers joined the Zeta Tau Alpha chapter at Florida Southern College in 1967! She was a French and Math major with a minor in Education. Elena taught high school math at all levels at Palmer Trinity

School until her retirement in 2015. Born in Havana, Cuba and raised in Miami, FL, Elena now resides in NJ but remains active with MWP which she has served in many capacities.

Elena has served Zeta Tau Alpha on a local and national level. She was the General Advisor for the UM Gamma Alpha chapter for over 16 years. In her latest work on the national level, Elena served as a Foundation Ambassador. Elena is also very involved with her Alma Mater which she serves on the National Alumni Board of Directors.

Elena's passions include her grandchildren, friends, travel, and reading. She still also loves mathematics and is a virtual tutor for all levels of mathematics. Elena can be reached at edvzta1@yahoo.com.
