She transferred to Illinois Institute of Technology in Chicago, Illinois where she became a sister of Alpha Sigma Alpha, ASA, in Fall 2013. In May 2015, she graduated with a bachelor's in biology.

Jeli moved back to Miami and started working in her family-owned business in the legal support business, OJF Services, Inc (same link). She received a second bachelor's in criminal justice in December 2018. Jeli started fostering children in November 2021 and recently adopted her oldest son, King, November 2023!

Jeli first learned about Miami Women's Panhellenic during the MWP Centennial and was instantly hooked! She joined shortly thereafter and has held the positions of 2019-2020 Scholarship Luncheon Chair as well as 2020-2021 and 2021-2022 Vice President and 2022-2023 and 2023-2024 President. ASA's creed to "joyously live each day to its ultimate good" has encouraged Jeli to enjoy life to its fullest! She has traveled to beautiful places such as Mexico, Puerto Rico, Paris, Dublin with desire to travel more! Hopefully, she has the ability to travel very soon!
