Home Phone:

Cell Phone: 202-509-5458

Birthday: December 28

Business Affiliation: U of Miami

While born in Texas, Bethany was raised in a military family and was raised in: Texas, North Dakota, South Carolina, and went to high school in Bamberg, Germany! From there, she went to Duquesne University in Pittsburgh, PA, where she joined the Beta Delta Chapter of Alpha Sigma Tau National Sorority. While in undergrad, she held a variety of sorority positions, but also graduated with a degree in Public Relations and Advertising.

After graduation, she began her career while serving her sorority as an Educational Consultant; in that role, she traveled full-time, as well as helped start new chapters at Kenyon College (Ohio) and Cumberland College (TN). After her time there, she went on to Florida International University in Miami, FL to get her graduate degree in Higher Education Administration.

While in grad school, she continued her career in fraternity and sorority life, and served as the advisor to FIU's Multicultural Greek Council and Order of Omega chapter; while pursuing her degree, she also served as the Recruitment Advisor for a local Alpha Sigma Tau chapter.

After graduate school, she worked in fraternity and sorority life at the University of South Carolina, where she was responsible for leadership development and programming for the entire Greek community. And, during the pandemic, Bethany made the transition to working in undergraduate admissions and now serves as the Associate Director, Undergraduate Admissions at the University of Miami; there, she recruits in Northern California, Alaska, Washington and Oregon, as well as oversees the event team, responsible for prospective open houses and admitted student days, at the U!

She remains involved with Alpha Sigma Tau and has been a Convention volunteer, was a member of their NPC Delegation, and now serves as a Panhellenic Support Specialist; she also serves as an NPC Area Advisor for four campuses.

Bethany lives in Brickell with her husband (and high school sweetheart), Anthony, and their new puppy, Basil. In her spare time, she loves reading and running her bookstagram account, trying new restaurants, and planning her next vacation to a country she's never been to!
