I've lived in Miami since 2016, and before that, the Washington DC area, Monterrey, Mexico City, Tokyo, Paris, Seoul, Jakarta, and Lagos. I like to travel and plan to visit Ankor Wat, Cambodia, this fall so my new bucket list travel wish is to see the Northern Lights. I would also like to take a trip back to Japan to show the kids where

we lived when they were younger. I have two children, Douglas (Chi Phi) and Clare (Kappa Delta). My father and husband were both diplomats, thus the extensive travel. Richard retired in 2020 and is enjoying fishing, golf and all the fun that Miami has to offer. I also retired and am busy with my passion of encouraging women to fulfill their potential through education. I am very involved in the community and am an active member of the 100 Ladies of Deering, a philanthropic circle of women that work to promote and preserve the Deering Estate, and a trustee for the Deering Estate Foundation. I play golf and pickleball at the Deering Bay Yacht/Golf club and work in a family business. Phew! I still find time for gardening, baking, going to the theater (Arsht and Gables Stage), reading and spending time exploring Florida.
