

JANET FESTINGER, ΣΔΤ

Janet Quartin Festinger was part of Miami Women's Panhellenic for more than half a century, serving as our President in 1966-67 when MWP celebrated its 50-year anniversary. She was also present at our Centennial celebration in 2017. She is pictured here at that celebration with (from left to right) Elena de Villiers, Rosa Llaguno, Anne Helliwell, Edie Gilson, Meredith Mills, Margaret Steele, Janet Festinger, Billie Bivins and Kathleen Moorman.

She loved her sorority, Sigma Delta Tau, so much that she remained active in the Panhellenic Association working with college women in the sorority system at the University of Miami until only 6 years ago and was awarded nationally for her service.

Sadly, Janet passed away on January 29, 2021. You can view her obituary [here](#). In gratitude for her contribution to Miami Women's Panhellenic, we will use any funds donated in her memory to fund a one-time scholarship in her name for a University of Miami woman. The scholarship will be presented in 2022.
